Isn't Susie Silly?

Of course, it's silly, but you'd look silly today, too, driving a horse and buggy, although it would be a lot cheaper than automobile transportation. It costs you more, yet you are willing to pay more for the convenience and the advantages.

Why not carry such thinking through everything you do. Do you invest dollars for convenience on one hand and then try to save pennies by skimping or carrying your own groceries in the belief that it's cheaper? When you consider cost of transportation, time, inconvenience and labor involved, it really costs less to deal with us, where delivery service relieves you of extra burdens. You phone us from the comfort of your own home, at your convenience—our friendly clerk does your shopping for you, choosing just as you would choose, and your order, large or small, is delivered right to your door. Try our service for one month—you'll never go back to the old way again. Shop the modern way—by telephone. There are no hidden costs in this convenience.

Cowboys Win Two On Home Court

In their pre-season schedule, the West High Cowboys have to date won two of their first five encounters, both wins being scored on the Buck's floor. A loss to a strong alumni team is the only home defeat for the Westerners.

On the road, the locals have dropped both games but hope to rebound into the win column on this week-end road trip, when they will meet a Wellston quintet at Wellston Friday evening. On Saturday, the Bucks will go to Nelsonville to do battle in their seventh game in 15 days.

Bucks Defeat Logan, 21-20

In the first half of a low scoring game, a strong defensive Cowboy quintet held the Loganites to one point, a single foul, while scoring 10 points.

In the last half, the Logan team came back strongly and tied up the game in the final quarter, but never were able to take the lead.

H. Stewart, Young, Richards and Hover led the attack for the Cowboys, with Ours, Meloeny, Laughlin, J. Stewart, Goodman and Wisdom getting time in the [illegible]

Lose Two Road Games

In their hair-raising game with Lancaster last Friday, the Cowboys tied the score 10 times during the game but dropped the decision in an overtime period. The final score was 27 to 25.

It was all-state center Elmer Bean, aided by the other four members of the Springfield quintet, who set the Cowboys back on their heels, by the score of 28 to 17 in last Saturday's encounter at Springfield.

Today We Fight For All Out Peace

Events of the last few days have moved rapidly and perhaps nothing has been more swift moving than the solidity of our every effort and support behind the task this country now faces after the stab in the back received this past Sunday.

We believe the aggressors in this instance as in the past have overlooked the one greatest element they will have to face in this war—that of the unconquerable spirit of the American people and their willingness to stand up and fight hardest for those things they feel are right.

Until this last Sunday there has been a diversity of opinion. There were many who recalled the experience of the last great war and did all in their power to steer the ship from any recurrence of such suffering and hardships. There were doubts in the minds of many as to what we would be fighting for.

Today there are no doubts. We know!

We are fighting for an all out peace that will break the backs of the aggressors.

And again today we are saying, "This time we will do the job right. We will not allow these aggressors to rise again."

But we all recall how these words were uttered in the last war. We were fighting to save the world for Democracy. We won the fight but we didn't complete the job.

The United States can truthfully be said to have failed in the follow-through in the last mighty war. We would have no part of events that were to transpire later in Europe and Asia.

Ten years ago little Japan went over into Manchuria and took a slice of that country without warning. There was machinery set up to deal with that type of gangsterism at that time. The League of Nations and World Court had been foreseen by President Woodrow Wilson as the means of carrying on peace in the world.

But Americk would have no part of it. And consequently the machinery was weak. It was like the armies of the last World War . . . the battle was not won until Democracy had the support of the United States. The peace was not maintained without the support of America.

Gangsterism continued when Mussolini went into Ethiopia. No one did anything about it. It continued when Hitler went on his rampages all over Europe. And today Japan has the nerve to attack the United States.

This country has stood enough of such despotism. And that great American spirit is again stirred up and the one united determination is that we shall win.

But as we progress deeper and deeper into the war let's recall the last great mistake we made and determine from this point on that after the smoke of battle is over the United States shall hold the decisive hand and enforce peace, rather than continually fight gangsterism.

This is the last battle Germany, Italy or Japan shall ever participate in!

Greetings, John, Success Be Yours

Our greetings go to John Riepenhoff, newly elected president of the Hilltop Business Men's Association, and our best wishes are extended for a very successful year in 1942.

In the coming year this association will have ample opportunities to be of service in many new ways in this time of national distress. It will mean that every man in the community must give some time and possibly a great amount, to work outside the regular routine. This will mean that there can be no shirking. It means that when you are called on you must respond and do the job well.

We are grateful for the opportunities to serve at this time through such organization as the Hilltop Business Men's Association, the American Legion, the V. F. W., and other similar service groups.

Republican Club To Meet Dec. 16

Home Defense Plans Classes In Fire and Police Defense

Increased interest in operation of the selective service system and the problems of home defense were much in the minds of Hilltoppers this week as the first week of the war was becoming a reality. Enlistments in various branches of the service were accelerated with the realization that America's safety called for more men.

On the "home front" Ray McVay, heading the program of home defense locally, issued another call for men to volunteer for training in police operations and fire fighting units. Any person desiring to make his service available may call Mr. McVay at Ad. 6300 or Ra. 4083.

Plans were being completed for classes in training men for police operations in case of any emergency. More than 100 men have already completed preliminary training in fire fighting in classes conducted at the Hamlet Street Engine House. Others are to be given the training course as soon as classes can be organized.

Meanwhile the Auxiliary to Camp Chase Post of American Legion already has a class of 31 names ready for instruction in first aid work. More ladies will be admitted to the classes. Mrs. Frank Phelps is chairman of the movement. Mrs. Guy Myers is president of the Auxiliary.

E. O. Melvin, chairman of Board 12, released the following information concerning the status of the Selective Service System and the Enlisted Reserve Corps.

"The Selective Service System has no control whatsoever over men who are in the Enlisted Reserve Corps, except that they will be carried in 1-C classification on the board's records if they were registrants in the board.

Men who were registrants and who were 28 years of age or older on or before July 1, 1941, and were not inducted into the service prior to that time, will not be reclassified and are not subject to service in the armed forces unless and until Congress changes the law."

Hilltoppers In War Zones

Concern for many Hilltop men in the service of their country or on jobs that have taken them to the West Coast or into the Far East was felt by several Hilltop families this week as the first stark realization of the war reached the community. Having received no tragic news concerning them at this time, most families have had to resign themselves to the timeworn theory that "no news is good news."

Realizing that anything like a complete record on the total number of Hilltop men in or near the "danger areas" is virtually impossible, the Hilltop Record did attempt to recall some known to be on or near the western front. None is known to be in danger zones at this time.

Dr. W. E. DeVol, former prominent Hilltop physician, is chief surgeon and in complete charge of a hospital at Nanking, China, when last heard from by his family a little more than a month [illegible]

Hospital Patients To Get Gifts From Local Residents

A no-longer-needed item of jewelry or wearing apparel laying idle in your closet or attic may be the means of bringing happiness to a patient at the State Hospital this Christmas season. Approximately 1,600 of the 2,600 patients resident at the institution will have no other remembrance this year without the help of generous spirited citizens of Columbus.

This year the Hilltop Record, working in conjunction with Dr. J. F. Bateman, superintendent of the hospital, is attempting to encourage the spirit of giving on the part of many local residents.

The most inexpensive item may become the treasured gift of some unfortunate person. In most cases the sacrifice will hardly be felt on the part of those giving the gifts.

The support of several Sunday School classes has already been enlisted to contribute their gift exchange after their annual Christmas party has been held. Other groups and organizations are invited to help in what ever way they can. Every gift will find a welcome recipient.

Contributions can be made either at the Record office or at the State Hospital. A telephone call to either place, Ra. 1125 or Ra. 1171, will bring someone to pick up gifts for that cause. All items must be in the hands of Dr. Bateman by Saturday, Dec. 20.

A feature of merchandising is the hosiery club whereby a customer can purchase hosiery in the normal manner as needed and after 12 pairs have been purchased a pair is given free.

The names of Harbour Hummell, 191 S. Westgate-av, and James Looker, 223 Binns-blvd, were inadvertently omitted from a story in last week's Record listing Hilltop students at Ohio State University who had received promotions in the Reserve Officers Training Corps.

— Letters — To the Editor

Editor, Hilltop Record:

It may be of interest to your readers to know that West High carries ... far places of the earth, as ... as in the nation.

We note that the son of our good friend and comrade of the V. F. W., Mr. Arthur Dale, has enlisted in the air service. He is the eldest son of David Dale of Harris Ave. and is another graduate of West.

Our youngest son, Robert L. Hartman, has been ordered to New York in preparation for being sent to one of the outlying island possessions and is to be promoted from a corporal to a sergeant on arrival at that point.

We receive from Corporal Raymond R. Hartman a very interesting newspaper, printed by the American expedition at the capital of Iceland. This paper is about the same as the old Stars and Stripes was when we were in France, as it gives news of the various units and the things they do

It is with sincere regret that we learn that Past Commander Geo. Chambers of the V. F. W. was taken to the Veterans Hospital at Dayton, just recently. As many of you know, George is a Hilltop man and an officer of the Columbus Police Department.

Just recently we received a telephone call from one of the old residenters on the Hilltop, the Rev. Charles Halliday, a son of our old friend, Louis Halliday, and were we surprised to hear from him and his sister, Olive.

Your community post of the V. F. W. and its Auxiliary have both remembered our sons and Past Commander Wilson, by sending them all appropriate gifts, and our Ladies' Auxiliary remembers each on his birthday, in the same way.

The children of this post and many small visitors will be entertained and remembered at the regular Christmas party held each year at our club rooms.

Respectfully yours,
THE OLD SARGE
Of Westway Post No. 3441
Veterans of Foreign Wars.

Fort Columbia, Wash.
Dec. 4, 1941

Dear Sir:

It has now been nearly three months since I visited you and the rest of the fine people on the Hilltop and I feel I owe you a word of thanks for the fine way in which you and everyone welcomed me.

My stay was quite enjoyable and I can truthfully say that being home was the happiest moment of my life.

The day I returned to camp we moved across the Columbia River to Fort Columbia, Wash. About a week later I twisted my knee which I had previously injured about four years ago. This confined me to Barnes General Hospital for a period of five weeks. However, I am now back in camp although my leg isn't entirely well yet.

I am anxiously awaiting another furlough so I can come home for Christmas and visit all my friends once again. Our Christmas furloughs are for 10 days, from Dec. 13 to Dec. 28.

Thank you for sending me your paper. I enjoy reading the happenings and doings around the Hilltop In your edition of Nov. 28, I read that some individual or individuals were attempting to remove George Williams, West High School's fine athletic director and coach, from his job. Being a West High Alumnus and former athlete there, this made me feel very badly. I have always rooted for my Alma Mater's teams, whether a winner or a loser and no one likes a winner better than I. In Coach Williams we have as fine a representative of manhood and spotsmanship as can be found. He is a leader who teaches his proteges leadership, sportsmanship, character and everything that will help them in their future lives.

West High School hasn't had many fine teams lately, but remember, you grandstand coaches, a team can't win forever. After all, it isn't all in winning that counts. I have seen numerous teams in football win a lot of games (But how did they win?). I can truthfully say the West High teams under former Coach Wise and present Coach Williams have always rated at the top in sportsmanship.

I, for one, hope that our present coach remains in his position and makes those who criticized swallow those harsh criticisms. Some probably feel certain players should play in place of someone else, but please don't forget, the coach is the head man and much closer to the players than any of us Although I was out here in Washington, I was pulling as much for West High as if I were there watching them play.

Some of you should remember the teams at old West, when the teams would win but one football game a season and very few baseball or basketball games, yet the coach wasn't criticized and was afforded better all around material. So to you students and followers of our great high school, give your coach a chance and cheer him and the boys on, whether losing or winning.

Well, I must close now, and I hope to see all of you soon

Your friend,
PVT. WOODY OWENS

Hilltoppers Are Active In 10 Delphiam Chapters

Columbus boasts of 10 of the Delphian Society chapters, claiming many Hilltoppers among their members, Mrs. W. D. Xanders, Lambda president., Mrs. A. C. Meyers, treasurer, Del Tau., Mrs. J. H. Kirkpatrick, seminar chairman, Delphi, Mesdames Norman Peterson, E. G. Neider, C. A. Long, James Marks, Alex Lemmon, R. A. Diedrick, D. K. Finley, E. Walter Dillow, J. H. Czatt, Mrs. J. T. More, Maynard Baker, Floyd Green, Frank Hughes, Marie Woodland, Ray Caves, Nathan T. Beynon, Anthony Volman, Glen Hamilton, Sam Miller, S. E. Robertson. Don Thatcher, Howard Swisher, Newton Thatcher, C. E. Brady and Harold Herron. Mrs. John Pusker is also active.

The name Delphian is taken from the figure the Phoenician Daleth, meaning the open door; the Delphian triangle symbolizing, knowledge, thinking and speaking; the open door for women.

It is said that men gave the world ideas but it is the woman who has put them to use; the woman has humanized the world. Thirty-one years ago a plan was conceived for the purpose of assisting women to make use of this special talent. Thus Delphian was born.

Delphian started as an extension course in 1910, a variation of that employed by the colleges today. This method was soon discarded when it became evident that interest except by those most ambitious. The next step was to find the most usable Delphian program.

From the home-lecture plan to the large group headed by a supervisor where they would discuss what they had read. This method proved unsatisfactory as the program was very brief and the supervisor had to fill in the gap. In 1919 through experiment the small group of chapters, self-directed became a success, combining the provision of education.

At the same time there was a corresponding growth at Delphian headquarters. Hitting upon a plan to bring about a unity to their members now scattered well over United States, they produced a quarterly, a magazine choosing its contents in accordance to Delphian for continuing education; contemporary developments in history, art, science and literature giving women with Delphian training a better and wider scope of understanding. Also a better understanding of the programs in the light of the contemporary movements. Using only such items as have stood the test of several weeks interest.

Delphian is non-political, nonsectarian and world wide in its view. Delphian organizers have striven through their medium of education to teach women the ability to discuss any and all subjects however volcanic, impersonally and intellectually. It is designed for the busy housewife, the club woman and the business woman, giving them poise and self confidence.

Mrs. Leslie Keyser, successful as a writer and lecturer, claims the Delphian Society as an open door. Mrs. Keyser is an active Delphian.

The Delphian Society has grown from a handful of women to 250,000.

The famous Dr. Carrel said, "We cannot reconstruct ourselves by intellectual and moral discipline."

Miss McVitty In Finals Sunday

The voice of Dorothy McVitty, junior in Ohio State University's department of music, will be "heard around the world" when she sings Sunday, Dec. 14, at 10 p. m., on the NBC "Hour of Charm" program from New York.

Diversity of Gift Items Found In Hilltop Stores

By Joan Young

This week we stuck our nose into other people's business so to speak and came out with a barrel of shopping hints for that special Christmas present.

Perhaps the person to be given the most consideration this Yuletide season will be the soldier. We found an excellent gift for him from any member of the family or the girl he left behind him. A complete military kit of beautiful Texas leather. Any soldier would prize an item as fine as this. It sells for about $4.98 in a Hilltop department store.

Don't forget the soldier does get paid once a month and something to carry this money in would be appropriate. Why not get him a billfold of jenuine leather?

The new brand of John Middleton's Blend Your Own would be pleasing to any male in the family. It is a kit with eight different flavors of tobacco to mix in the humidore to suit any particular taste.

The college student or the man who travels would like to be remembered with a new set of Samson luggage. One local store has a set of three suitcases that will not scratch, ranging from about $7.50 up to $13 apiece. There is a place for the initials of the recipient to be engraved to personalize the gift.

Dad gets plenty tired after a hard day's work. It is a great pleasure for him to come home and slip into a lounging robe and spend the evening smoking a pipe. The striking new assortment of gaberdine lounging robes just received at a local store would fill the bill to a "T". For his pipe there is a large selection in the better drug stores.

Gift For Mother

A beautiful housecoat or a new dress will always bring a gleam to mother's eyes on Christmas morning. We saw a lovely crepe coat which zipped down the front and had a black background with huge green flowers. There are many other color combinations from which one may choose.

The Dearest One of All delights in keeping herself looking her best so why not consider a Cara Nome beauty kit? These are priced at about $5.

Maybe there is a new baby girl in the family and it is puzzling to find a suitable gift. This week in our search we saw the thing that would be adored by the little tot: a darling white chenille bath robe just like mother's. These come in very small sizes and are priced at about $1.98. Another item for the very young one would be the plush muff and hood set for about $1.

The new finger tip reversible coats or those which are silk lined would please son or brother.

Then brother can get sis a compact or make-up kit. She can be sure then that she is perfect when that date comes.

Now you can't point out a youngster who doesn't enjoy a good game or toy or even a book. All three items can be found in a local variety store.

A toy of unusual interest to the tot about three years old is the little wagon with the boy pushing it as you pull it along. When you reach a certain speed the lad will jump on and ride.

Family Games

The entire family will appreciate the Veda game. A man in a toga and Hindu turban will point to a question, then you place him on the opposite page and spin him, then he will answer the same question. These questions cover 10 different subjects.

For a gift from dad to mother the new waffle iron which makes four large waffles in one serving would be ample, or the new electric bun warmer with a wire tray which can be used right on the table. These run about $3.50 and were seen at a Hilltop electric store.

One of the newer record players and a few records would be a real present in any home.

Popular with the children now and selling fast are the miniature army trucks. Equally as popular are the little ambulances and station wagons.

High school girls would hardly consider it a complete Christmas without a sweater or two. "V" neck and crew neck sloppy Joe styles with long sleeves would thrill her to no end.

As a few suggestions on miscellaneous gifts I would say lapel pins, hankies, stationery and candy would be well received by any.

United We Answer The Challenge

United, the greatest nation in the world will march to Victory. There is no other thought in the minds of the people. Easy going, peace loving and generous to a fault, but when aroused the demon does not exist that can make the American people give up one inch of their freedom.

The people have not asked for this war, the people did not and do not want war, but if it must come, let us get it over with. Let us complete the job this time and then let the United States make the terms which will lead the world to peace.

Nothing is consistent but changes, it has been said. Changes are here today and more tomorrow. We shall readjust ourselves. Every man and woman will find that particular thing which they can do to help, and in the meantime, let us go about our day in a normal balanced manner and meet the future as it comes. Our men and boys are today marching to Victory. A Victory of peace that the United States will eventually perpetuate.

Store Celebrates Anniversary

The above patriotic display was placed in the window of the Fox Clover Farm Store, corner of Ogden and Sullivant, on the occasion of the store's fourth anniversary in business under the present ownership.

Mr. and Mrs. Cecil Fox opened the grocery on Dec. 10, 1937, and have enjoyed a continually growing trade since that time. Quality merchandise has been featured during the four year period. David Davies baby beef is sold exclusively at the meat counter.

APPLE BUTTER

There's such a lot of apple sauce
About the apple butter.
Those quaint old ways, the good old days
Cause poets' hearts to flutter.

They made it then out in the yard
In the old copper kettle.
No easy joy, to stir it boy,
It kept you on your mettle.

The wind was east, the wind was west,
And it would boil and sputter.
The blaze was high, then it would die,
And you began to mutter,

"Confound that smoke, right in my eye."
The poets never mention
Drawbacks like these, but if you please
We would call your attention,

That all about it that was fun
Was eatin' it, when it was done.

The above poem was written by Maree Myer of Johnstown, and dedicated to Mr. C. Carlton Hartley.

"Freak" Fires Are Constant Menace

By Lt. John Jordan

Deadly possibilities of "freak" fires were pointed out by Chief Lee M. Green, head of the Fire Prevention Bureau, in an address before members of the American Legion at Franklin Post Club Rooms this week. Chief Green called attention to a recent party where one of the women present decided to light a cigarette. As no one near had a match to offer she used the handiest available—an ordinary kitchen match—and leaned down to strike it on the sole of her shoe. What she didn't realize was that her dress, made of synthetic silk, was highly inflammable.

The match flared up, touching the hem of her skirt which instantly caught fire. The flames spread so rapidly that they enveloped the girl before the men who ran to her assistance could beat out the fire. She suffered severe burns about the face and upper parts of the body and may be permanently disfigured.

Another freak fire was described as follows: This one happened in another city. On a hot summer day a lady was walking leisurely down the street and became very angry when a stranger snatched off her hat. Much to her surprise, he showed her that the hat was on fire. His quick action had saved her hair. Investigation showed that a glass ornament on her hat had caused fire by concentrating the sun's rays against the inflammable material on the hat.

The fire department is often called upon to fight fires that at first appear to be freaks. Sometimes investigation later indicates that spontaneous combustion was responsible or that faulty wiring was the cause. In homes the usual cause of spontaneous combustion is oily dust mops, or rags saturated with paint or linseed oil.

If they are left lying around a chemical reaction takes place which in a few hours may start a fire. The safest procedure is to keep them in a metal container with a tight fitting lid.

When wiring is defective, a short circuit is likely to occur. The wires may become so hot that they will start a fire. Sometimes short circuits cause an "arc" that starts a fire. A fire is most apt to happen if the fuse has been tampered with.

When a fuse burns out it indicates that there is trouble in the lighting circuit. If you bridge the fuse with a penny or use an oversize fuse, you permit an overflow of electricity to flow through the wires without interruption which is the cause of the overheating.

A No. 15 amp. fuse is the correct size to be used in the home lighting circuit.

Dairy Team Loses Opener

Basketball took the spotlight in amateur athletic circles this week as teams began shaping for schedules to be launched after the holidays.

Model Dairy lost their first game in the Junior AAU loop Saturday morning to the Gosnell Funeral Home with a score of 36 to 14. Bill James, with seven points, and John Layman, five points, played the best for the Model team. Scores of the other games were Kahn Jewelers 43, Rens 11, St. Paul's Lutheran 20, Schiller Park 16.

Following is the schedule for Saturday, Dec. 13:

9:30 a. m.—Grandview vs. Model Dairy.

10:10 a. m.—Aquinas Freshmen vs. Gosnell.

10:50 a. m.—Rens vs. St. Paul's Lutheran.

11:30 a. m.—Kahns vs. Schiller Park.

CHURCH LEAGUE

The senior church loop promises some real competition this year with a galaxy of former West High stars appearing with local quintets. Glenwood Methodist and Hoge Memorial will start formidable squads according to pre-season dope.

The loss of Glen Shellhaas, star forward, Ed Jones and Dick Colburn to the Air Corps is expected to weaken the Methodist lineup but with such material as Paul Leighninger, Ed Hanby, Don Davies, Frank Massie, Jerry Spears Jr., Bob Seifert and Rex Grabill, they will be a team to be reckoned with.

Hoge Memorial is counting on Bob Whetstone, Ernie Mawhirter, Ray Stinson, Chuck Weigand, Bill Wylie, Paul "Policeman" Fulton and Tom Dean. Chuck Weigand, former West and Ohio Wesleyan cager, will be player-manager of the aggregation.

INTERMEDIATE LEAGUE

A six team intermediate league with possibilities that it may develop into eight before the season gets under way is the prospect for the intermediates. Already Glenwood, Hoge Memorial, Holy Family, West Park M. E. Salvation Army and Burgess U. B. have made plans to enter squads.

Play in this loop will start on Jan. 5 on either West Market or Glenwood courts. If a girls' loop does not materialize Glenwood Shelter House will be used, otherwise play will go to Market Auditorium.

The opening games will see Glenwood meeting Hoge; Holy Family vs. West Park and Salvation vs. the Brethren if it remains a six team league.

CHAMPS ARE FETED

Harris Jewelers Columbus Mixed Volleyball champions were honored at a victory dinner at Thursday at Schmelzer's restaurant by their backer, Ben Harris. Guests of honor at the dinner included master of ceremonies, Louis Berliner, of the Columbus Dispatch, Mr. Harris, Miss Hunter of the City Recreation department, Dick Murray, president of the Columbus Mixed Volleyball League, and Bob Humphreys.

Medals were awarded to each member of the team, including Captain Jim Welker, Dick Ucker Bob Bell, Bob Grashel, Bob Strayer, Martin Cook, Maxine Willoughby, Beulah Williams, Isabel Seples, Dorothy Thornter and Peggy High.

MODERN POETRY

By Esther Weakley

IN THE PROVINCE OF SHANTUNG

Six captured robber-bandits in the Province of Shantung
Were marched through old Tsinan, to be a warning to the young.
Six swordsmen stood with six keen swords uplifted. At a sound
The bright blades fell. Six bandit heads went tumbling to the ground.
Six piles of freshly sprinkled earth with red blood soaking through
Were left there in the city square, for slanting eyes to view;
Six headless bodies, cold and stark, from poles of bamboo swung
To show the fate of robbers, in the province of Shantung.
Six heads in wire cages to their native towns were sent
That would-be bandits might observe and fear the punishment;
Six final piercing trumpet-calls the summer breeze outran—
Then all again was quiet in the streets of old Tsinan.

The Yellow River tells no secrets even to the seas,
And age-old China speaks no word of all her mysteries.
But sometimes at the evening hour when temple bells are rung
I think

Of a violet's [illegible]
Some wee unraveled edges searched,
Faded in the light;
And some shall say, seeing this:
"It's frost or some new blight."

And they shall fret about the weather,
The late and rain-wet spring;
But no one guesses now at all,
My heart's a hidden thing.

REFUGEE

You found her on a second-hand store shelf,
A grimy little figure carved from chalk,
A child of long ago holding her spoon
And empty porridge bowl. If she could talk
Wi at would she say, you wondered, and were lost,
And had to rescue her from dust and gloom.
Because of porridge bowls you could not fill,
You brought her to the warmth of your small room,
Knowing that I, would feel what you had felt,
Although the words were too deep to be said,
That with our cup so full, we could not bear
That any should be homeless and unfed

Dorothy P. Albaugh,

KEEP THY SOUL

Build a wall of indifference
Around thy sensitive soul—
A wall invulnerable.—
Which the slings and darts of fate
May not pierce or penetrate,
And keep inviolate
Inside that citadel
The spirit's inner glow—
The fire of life
Which only the heroic know.

Home Insulation Is Fuel Saver

With a great deal of stress being placed on fuel conservation as a step in aiding national defense it is especially appropriate to think of home insulation at this time, say the owners of L. A. Prior & Co., Kilbourne-rd, whose business it is to keep homes warm in winter and cool in summer. The Priors reside at 611 S. Roys-av.

Equipped with the latest blowing equipment for home insulation, the firm is able to complete a job in record time with a minimum of fuss and confusion while the work is being done. Expert mechanics are employed to do the work, thus insuring a satisfactory job.

Any building, whether residential or commercial, may be a prospect for the insulation service. The Hilltop sub-station of the post office was insulated by Priors.

Prices on this service are very reasonable despite increased costs in most lines of business, it is said.

Emagene Forsyth Studies Economics

Emagene Forsyth, daughter of Mr. and Mrs. H. S. Forsyth, 492 Binns-blvd, is learning about practical economics in connection with her home economics work at Ohio Wesleyan University where she is a junior this year.

She has worked with the university treasurer and other members of the campus on a plan for quantity purchases which will prevent any raise in the cost of meals for students.

Miss Forsyth is president of Monnett Hall, dormitory for upperclass women, and is active in Women's Student Government Association and Campus YWCA work.

Pvt. Paul Moss Given Discharge

Pvt. Robert Paul Moss, 146 N. Ogden-av, is at home following his medical discharge from the 60th Division C. A. A. A., stationed at Fort Mills, in the Philippine Islands.

Private Moss had enlisted in February of this year and had spent most of that time in the Asiatic waters. He had been confined to a hospital for a period of 46 days at one time suffering from a type of fever that was prevalent in that area.

He is recuperating at his home at the present time.

STAY ON THE OUTSIDE

The prospects we see for the penitentiary
Are people who refuse to obey,
School children at play, drivers on the highway
Disobedience makes all dearly pay
When the Judge recites, ten years at hard labor
It is then too late to decide,
Those who didn't care will be standing there
While the flowers are blooming outside.

Use caution and care on life's thoroughfare
There are signs everywhere, be-
Every foundation of the house of correction
Was placed there by those who didn't care.
Man is the architect of his own fortune
The road to sin is downhill and wide
Inside we'll abide if the laws we deride
While the birds are singing outside.

Isn't Susie Silly?

You, too, could sweep your rugs with a broom, the old fashioned way, instead of with an electric vacuum cleaner. It costs less, although it is hard work—hard on the back—but would you? Of course not—you appreciate convenience and are willing to pay for it.
It is just as hard on the back, inconvenient, and unnecessary to lug your groceries home. Our delivery service saves you this hard work, yet costs you nothing extra. You just phone our friendly clerk, who does your shopping for you and chooses the brands and qualities you desire, extending a really personal service. And your order, large or small, is delivered to your door when you want it. This is REAL super service. This extra convenience costs you nothing when you figure cost of transportation, time and bother involved in "carry your own" methods. Don't let hidden costs fool you and cause unnecessary burdens. Be as modern in your shopping as you are in your home.

Hilltop Youth Gives Life For His Country

The war was brought close home this week with the announcement on Tuesday by Mr. and Mrs. D. R. Smith, 870 S. Wayne-av, that they had received a telegram from the Navy department stating their son, Ray, had been killed in action in the bombing of Hawaii a week ago Sunday.

He had been co-captain and blocking back of the 1940 West High football team and had graduated in the January class of 1941 and joined the navy the same day he was graduated. His mother stated this week that he would have been 19 years old soon.

Ray had been in the Pacific for the past 10 months and was recently attached to the USS West Virginia. The family stated the navy had requested that no further information be given out at this time as to where he was killed in action or where he was buried. This will perhaps not be ascertained until after the war.

On Monday the family had received Christmas cards mailed from Hawaii on Dec. 5. Apparently he was killed in the surprise raid two days later and the cards were received by his family here one day before the word of his death.

Mr. Smith, Ray's father, served in the navy in the World War. He is an estimator at the Cannon Lumber & Tie Co.

He is survived by his parents; a brother, Delbert R. Jr., a student at West High; twin sisters, Joann and Janet, in West Junior High; two sisters, Phyllis and Vera Fay, at John Burroughs.

Mr. and Mrs. William C. Ferguson, brother and sister-in-law of Lt. Ferguson, became the parents of a son in Mt. Carmel Hospital 14 hours after he arrived. The baby was named for him.

Lt. Ferguson was stationed at Brooks Field, San Antonio, Tex., until recently when he was transferred to Gray Field, near Tacoma, Wash.

World War Vets Plan Defense

Camp Chase Post of the American Legion announced this week its plans for an extensive organization of all veterans of the World War for the home defense program. The service men will be organized into groups of fire wardens, special police, auxiliary firemen, policemen and first aid squads.

These men will be given a course of training by competent instructors furnished by the Red Cross, the city police and fire department and army officials, and will be called upon only in time of emergency.

Commander Chet Wagner in issuing his invitation to all ex-service men to join with the Legion, said "I believe that our experience in the last war will aid us greatly in this service to our country and to our home community. We all realize that our big job is here at home keeping the production of war materials at its highest peak. We must have a large organization of patriotic citizens to carry out this job."

Bucks Win 3, Lose 5 Before Season Opens

By Harold Mers

After finishing a tough preseason schedule of eight games, recording three wins and five losses, the West High Cowboys have no more games until they meet a tough North High outfit on the West floor, Friday, Jan. 9.

Bucks Win One, Lose Two

Playing three road games in the six days, the Westerners again found themselves jinxed by traveling and dropped two of the trio of away-from-home engagements.

The lone win was at the expense of the Wellston Rockets last Friday, when the Cowboys managed to control the bankboard with their superior height. Lanky Jack Underman, Buck center, led the scorers with 13 points.

A second half spurt by the trailing West team was not enough to make up for the lead gained by the Nelsonville cagers who held the Bucks to a mere three points in the first half of Saturday's game and the final score was Nelsonville 30, West 16.

In Wednesday's game the visiting Bucks were throttled by a strong defensive Chillicothe team, who managed to rack up 40 points while holding the Cowboys to 18.

All other officers were re-elected. They include Howard Miller as district commissioner, P. A. Campbell as organization chairman, C. Carlton Hartley as advancement chairman, and Robert Rudy as cubbing commissioner.

Earl Morris was the speaker of the evening. He stated he looked for a large increase in scouting activity if the last war is any measuring stick. In 1917-18 the Boy Scout membership grew from 30,000 to 250,000. He pointed out that the scouting movement is the type of program to keep the home fires burning.

Newly advanced Eagle Scouts, John Herbert, Ray McVay Jr., Earl Konkler, Bud Pickering, William Schneider, Robert McFadden, George Hopkins, Joe Davis were present and introduced their fathers.

Special training awards went to Wilson Byers, Russell Hughes and Clayton Stickle.

THIS superb new RCA Victrola is a gift of *enduring* pleasure! Visit us today—enjoy a demonstration of all its remarkable extra-value features, including new Automatic Record Changer . . . American and foreign radio reception . . . 6 RCA Victor Preferred Type Tubes . . . 2 built-in Antennas (one for domestic, one for foreign reception) . . . FEWER but FINER!

RCA Victor is cooperating to the full with national defense priority requirements. Because of these requirements, shortages exist in certain raw materials needed for radios and phonograph-radios and there will be a universal decrease in the number of instruments to be made. Hence, RCA Victor products for the home will be *fewer*. But they will be *finer* than ever. For, as a result of defense work, RCA Victor quality standards, always the highest, are now more exacting than ever.

IN MEMORIAM
CORNWELL — Matthew Rankin, "Buddy." Died Dec. 21, 1940.
He has solved it, life's wonderful problem
The deepest, the strangest, the last,
And into the school of the angels
With the answer forever has passed.
How strange he should sleep so profoundly,
So young, so unworn by the strife,
While beside him brimful of hopes nectar
Untouched stood the goblet of life
God knew all about it, how noble,
How gentle he was and how brave,
God knew all about those who loved him
How bitter the trial must be,
And right through it all God is loving
And knows so much better than
Mother, Father, Sister, Brother.

The Hilltop Record

In Its 25th Continuous Year Of Community Service

Vol. XXV, No. 46 | The Hilltop, Tuesday, December 23, 1941 | Total No. 1190

The Spectator
By C. C. Hartley

Greetings Are The Order of the Day

"Merry Christmas to all."

If we but pause to give one moment's thought to the meaning behind this sincere greeting we cannot overlook the fact that we are indeed fortunate to be blessed with all we have about us at this Christmas time.

We necessarily reflect that all the good things we have had showered upon us in this liberty loving country will continue to be [illegible] as we are able and willing to defend our right to say to all "A Merry Christmas."

It shall always be so in America!

Time To Stop This Nonsense

Dear Government:

Today the mail brought me a copy of the 1939 census of manufacturing statistics, a total of 127 pages, 8½x11, printed on good bond paper and mailed in a heavy kraft envelope.

I take it that every newspaper in the country received one of these along with some thousands of other copies that were prepared. This little booklet is just one of many that have come in recently and have come for the past several years.

The cost of this bit of information is no doubt somewhere in the thousands of dollars. I'd estimate at least $15,000 or more. Multiply this by the hundreds of such reports being prepared and we have enough to produce another bomber to help destroy Japan.

I didn't ask for this booklet. In fact there isn't any information in it that any newspaper would want. If they had any need of it they could get it.

So of what value is the thing? Frankly, isn't it time to stop this expenditure and put our money to work doing things that need to be done in this emergency? Let's cut out this nonsense, now and for all time.

Sincerely,
The Publisher

He Deserves A Hand

Three years of service have just been completed by Charles Riggs as Boy Scout chairman of the Southwest district.

Charley deserves a good hand from this community. He has been the spark plug of a functioning group of men who have given much of their time to this worthwhile program.

And incidentally scouting in this district enjoys a place at the top of the ladder in the entire central Ohio area.

In Robert Draper, who succeeds Charley the organization is getting a man well acquainted with the problems of scouting and particularly anxious that young men of today will be given their every opportunity to make strong citizens of tomorrow.

Let's Hope It Is Not In Vain

News of the death of a Hilltop boy in the battle of Pearl Harbor brings the war close to our doorsteps.

The sympathy of the entire community goes out to the parents of this young man who was among the first to give his life for his country in this most recent conflict.

It is to be hoped that the resulting peace that will surely come will be of sufficient magnitude and so far reaching that we can all look back upon such sorrow and say, "It was not in vain."

Said Mrs. Weakley:

"He was in the Spanish-American War and was a Lieutenant-Colonel in the World War and was promoted to Colonel at the end of the war. Now he is in this mess—just like an old fire horse. But I'm proud of him."

Following World War I he supervised the telegraph and telephone line built by the government from the U. S. to Alaska in conjunction with the railroad.

Fifth Annual

Stork Derby Will Be Held This Year

Clear the tracks for the fifth annual running of the Hilltop Record Stork Derby, that big event that pays off in loads of prizes and gifts for the first baby of 1942 born to parents residing in the Hilltop area.

Photo finishes have marked most of the four previous contests. Few events on the Hilltop have a larger or more interested following than the Stork Derby.

All families residing in the area served by the Hilltop Record are eligible for consideration. This territory includes everything west of Central-av to the city limits; from Eakin-rd on the south to and including the Village of Valleyview on the north.

If a baby is born after midnight, Dec. 31, 1941, he or she may be eligible for the long list of prizes contributed by business firms. The birth certificate or doctor's record of birth must be brought to the Record office not later than 5 p. m. Wednesday, Jan. 7. The winner will be announced in that week's paper.

Last year Bonnie Janet Warsmith claimed the prize list, arriving on the very stroke of midnight. Not only was she the winner of the Hilltop contest but held city honors as well. She is the daughter of Mr. and Mrs. Harold R. Warsmith, 508 S. Hague-av.

Donald Edward Frazier, son of Mr. and Mrs. Gilbert Frazier, 136 N. Oakley-av, carried off 1940 honors.

In 1939 Linda Myers, daughter of Mr. and Mrs. Donald Myers, 117 Haldy-av, was the "first baby of the year."

The initial contest staged back in 1938, was won by Frederick Cunningham, son of Rev. and Mrs. O. W. Cunningham, 3437 Brookside-rd.

Boys Honored At Scout Court

Eight Hilltop boys were honored at ceremonies Sunday afternoon at Memorial Hall when they received the Eagle Scout awards.

Sixty-nine boys from the Central Ohio area received the award. Hilltop boys are pictured above.

Miss Margaret Phalor, librarian for the Hilltop Branch of the Public Library, announced the holiday schedule this week.

This same plan holds true for the New Year

Clyde Rollings Is Struck By Auto

Clyde Rollings, age 12, of 108 N. Central-av, suffered a fractured right collarbone when he was struck by a car as he ran into the street after leaving Starling Junior High School late Thursday afternoon. The car was driven by Frances Buchanan of 1425 Brown-rd. The boy was taken to Children's Hospital after he had been treated at Mt. Carmel immediately following the accident.

Hundreds Of Hilltoppers

Celebrate Christmas With Many Programs

Christmas on the Hilltop will show little evidence of change from the gay festivities of other years despite the existence of a national emergency. Churches, clubs, organizations and other local institutions are carrying out programs in keeping with the season. Local schools dismissed last Friday with vacation lasting up until Jan. 5.

In several homes, however, the lights will not burn as brightly as in previous years. Several men in army camps throughout the country who had been promised leaves for the holiday found their time drastically cut or cancelled for the time being.

State Hospital

At the State Hospital special programs have already been in progress leading up to Christmas. At 2 p. m. today the Wilson Frazier School of Public Speaking will provide entertainment for a special party honoring patients who have contributed their services in numerous ways throughout the year. On Wednesday the Jorg Fasting Dance Studios will present a dance revue staged by Jack Sherick. On Christmas Eve the Hospital Choir will visit all of the wards singing carols. A party with fruit punch and cookies will climax the evening.

On Christmas morning one of the patients will dress in the garb of Santa Claus and start making his rounds at 9 a. m. with gifts to all patients whose friends or relatives have not provided for them. A special dinner with all the trimmings will be served at noon. A special Christmas Mass will be conducted at 10 a. m. A motion picture, "The Great Commandment," will be shown in the afternoon.

There will be two showings of "Meet Boston Blackie," at 12:30 and 2 p. m. on Saturday. A Catholic Mass will be celebrated Sunday morning at 9:45 with Father Schwendeman in charge. Protestant patients will have a worship service at 2:30 with Rev. Anson Stokes in charge. The choir of the Indianola Presbyterian Church will provide music.

On Dec. 30 a Christmas pageant, "When the Chimes Rang," will be presented by the patients themselves. Scenery and costuming have been worked out mostly by those appearing in the production.

At the Institution for Feeble Minded Dr. F. L. Keiser, superintendent, has a full program worked out from Sunday, Dec. 21, through Christmas. A special program was presented Sunday morning at 8:30. Monday was devoted to trimming the trees. Each building has its own tree. Tuesday the vacation for school children gets under way. On Wednesday there will be a showing of the movie, "The Reluctant Dragon."

Activities of Christmas Day start at 4 a. m. with the playing of carols by Brass. At 8:30 in the Catholic Chapel attendants join in singing Christmas carols, blessing of the Christmas Crib, Mass and Holy Communion. Gifts are distributed at 10 o'clock.

The special Christmas dinner is served to all patients at 12 noon.

Something New Has Been Added

Did you get a whiff of Christmas odor as you picked up this issue of The Record? If you did your sense of smell was not deceiving you. And it wasn't the wind blowing the odor from your next door neighbor's Christmas tree, either.

Yes, "something new has been added" to today's paper. A scent of Oil of Cedar Leaves was added to the ink to give this Christmas paper a true holiday dressing.

The attention of Record readers is directed to the special eight page Greeting Supplement appearing in today's paper. Approximately 125 business firms and individuals have taken this method of bringing their personal greetings to Record readers.

Appropriately presented in tabloid form, the messages are reproduced on green news print to carry out the spirit of the season. Each greeting conveys the warm feeling of appreciation felt by each merchant at the Christmas season.

Defense Area Established Here

Reality of home defense "for the duration" of the national emergency was directly felt on the Hilltop this week with the announcement that the Ninth, Tenth and Eleventh Wards would constitute the fourth district in the defense setup.

It is understood that volunteer fire patrol will soon be established for the purpose of home defense against possible air raids or sabotage. Fire Chief Edward P. Welch explained the defense setup at a meeting of Franklin County defense council.

Sgt. John Jacques Believed Killed Over Germany

Sergeant John Allen Jacques, a nephew of D. E. Jacques, 74 S. Terrace-st, owner of the Jacques Furniture Co., 619 W. Broad-st, is believed to have met death in a bombing raid over Nazi Germany more than a month ago.

According to word received by Sergeant Jacques' family, he is "now reported missing, believed killed. He was a member of the Royal Air Force, engaged in bombing expeditions over Germany. He is the son of M. M. Jacques, former Columbus resident, now residing in Ancon, Republic of Panama.

New Years Dance At West High

Cooperation of West High faculty with the West Alumni Association in a New Year's Eve dance was reported this week. The dance will take place in the school gym and is planned as a suitable place for West students to spend the evening.

Dr. H. H. Reighley, principal of the school, has extended the cooperation of the art department in making posters and assisted generally to interest students in attending. The janitors have cooperated to keep the cost to a minimum.

Admission will be 50c, tax included. The dance will start at 8:30 and last until 12:15. Doc Hirsch and his Nine Starlighters will furnish music.

Two Injured In Week-End Accidents

Katherine Deiker, age 36, 258 Columbian-av ran her car over a curb and struck a tree near Columbian and Sullivant-avs Saturday when she fell asleep at the wheel. She was taken to Mt. Carmel Hospital.

Jean M. Planck, age 20, 2984 Crescent-dr, suffered back, ankle and hand injuries early Saturday morning when the car in which she was riding collided with another car at Mound-st and Lilley-av. She was treated at Mt. Carmel Hospital.

EXPRESSES THANKS

Mrs. J. F. Bateman, wife of the superintendent of the hospital, expressed her personal thanks and those of the staff to all persons on the Hilltop who contributed gifts for the patients in response to an appeal made in the Record during the past three weeks. Results were most gratifying, she said, and as a result every patient will receive some remembrance on Christmas morning.

Sells Toys To Buy Bonds

Raymond Fenner

Realizing that a boy of eight years is not of material help to an army in defending his country, Raymond Fenner, 762 S. Richardson-av, is still insistent that he be permitted to do something to aid the cause. A consultation with his parents, Mr. and Mrs. Earl Fenner, resulted in his determination to part with some of his most cherished possessions—his toys.

The above picture shows Raymond with several of his playthings that are for sale. The money—it will go to buy United States Bonds to help defend America.

He may not be old enough to realize what this war is all about but he knows that each of us will have to make sacrifices, even to the point of giving up some of the things we cherish most.

Raymond is a 2-A pupil at John Burroughs School.

Rivoli and Ritz Have Free Movie

Rivoli and Ritz Theaters will have a free Christmas show for children at 10 a. m. today.

Gene Autry will be seen in the feature picture, "Under Fiesta Stars," along with several short subjects at the Rivoli.

The Ritz will show Roy Rogers in "Bad Man of Deadwood," which will be accompanied by short subjects.

George Pekras, who owns and operates both theatres, has given many free shows for children. His Christmas shows have become tradition on the Hilltop.

Friends Rescue Home Plans Xmas Party

One of the most attractive decorations of the Friends Rescue Home during the Christmas season will be the Christmas tree which is a gift of Ray C. Hauntz. Mr. Hauntz has given a tree to the home every Christmas for the past 20 years. Gifts are given to the girls by churches, clubs and schools. These presents will be distributed on Christmas Eve.

On Christmas day a large dinner will be served, followed by a program of music and games.

Miss Jennie Tate is supervisor of the home.

New Highway Policy

Both economy and safety have been combined in the Ohio Department of Highways new highway center-lining policy, H. G. Sours, director of highways, reports the total saving this year amounts to $40,760.00.

Last year the state highway department's division of traffic and safety designed one machine to apply white, yellow or black lines to replace hand methods which had been in existence for years.

The experimental machine proved the value and in 1941 the department undertook to design and build four machines and extend the use of the yellow "no passing" center-line. Motorists have been observed to conform to the "no passing" line to a high degree.

— Letters — To the Editor

Dear Editor:

An advertisement by some of our Hilltop grocerymen, in last week's Hilltop Record, concerning "Susie" and her foolishness, both amused and interested me, for in this vast universe in which we live there are no two of anything exactly alike.

Two leaves may seem to be identical; two flowers may appear to be exactly alike, but they are not. There is always something, even though very slight, that makes them different.

No two birds are marked exactly alike; no two animals are spotted the same; no two human beings act or think or look alike.

I like the independent stores and their friendly keepers too.

I buy from their stores, also from the chain stores, and either place I go I prefer to go in person, then I can see what I am buying, and can get just what I want in quantity or price, and often I get ideas of something whereby I am able to serve a better meal, more appetizing, and more nutritious, and I believe most economically.

And while independent stores are different from the chain stores, yet in a practical sense they are very much alike.

The managers and helpers in the chain stores are men and boys of our communities; they attend our churches; they send their children to our schools. Many of them own their own homes among us and help pay taxes; with the money they earn they buy shoes, clothing, furniture, autos, tires, gasoline, etc., from our local stores — then if "Susie" chooses to lug home, her arms full of groceries, so what?

I do not think "Susie" is silly at all.

I say she has pluck, and is wise—
To walk or ride to her favorite store,
And SELECT her week's grocery supplies.
No matter if chain or neighborhood store,
She has advantage over all
Who sit at home and dial a phone,
And order their food by a "call."

One of the hosts of "SUSIES."

December 6, 1941

To all my friends and former customers on the Hilltop:

In case you don't happen to know what my name is, I used to run the Omar Bakery route from Hilltonia to Terrace-ave, south of Sullivant. This letter to the Record is the best way I have of getting in touch with you. Many people asked for a card or letter but in this man's army I can't find time to do all that.

So far I am stationed at Fort Benjamin Harrison, Indiana, although I expect to be shipped out of here any day, however I do not know where.

Army life is quite an experience for me, but nevertheless life is just what you make it, so I think I'll get a big kick out of it.

I thought I could get a discharge by July 1, but the war is on now and we are all in for the duration. No use to dwell on that as everyone knows that now.

I hated to leave Columbus because of the great number of friends I have there and the biggest thing I have to look forward to now is the fact that I have all those friends to come back to.

I'll see you after the war is over. Merry Christmas and a Happy New Year.

Address cards or letters as follows: Pvt. John W. Tierney, Co. C-4, Reception Center, Fort Benjamin Harrison, Indiana. Any mail that comes here after we leave will be forwarded to us.

Yours,
John Tierney

Red Cross Call to Service

The dramatic poster by James Montgomery Flagg is the first war poster of the new World War. It is an appeal for a $50,000,000 American war relief fund to feed, shelter, clothe and give medical aid to American men, women and children bombed by the enemy. It is an appeal for funds to provide comforts for our American Army and Navy, and for welfare work for our troops at home and abroad, and their families on the home front. President Roosevelt asks you to give. Your dollars will serve humanity. Give through your local Red Cross Chapter.

In the Christmas Rush

Several hundred (?) persons persons stood in line out at the Hilltop Post Office Monday to do their last minute mailing. The telephone rang—a clerk left his window to take the call.

"Do you have ten 1c stamps?" queried a feminine voice at the other end.

Simple Decorations Provide Originality To Christmas Table

To the homemaker who is worried about the expense of Christmas decorations, here are a few new and inexpensive ways of adding originality to the Christmas table:

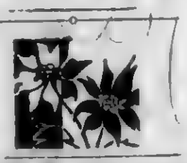
Try red or blue cellophane over a white table cloth. Cellophane will not discolor the cloth as will some colored papers.

Paste various-sized stars to the white cloth. Or, paste cutouts of Santa, reindeer, candles, holly sprays, etc.

Use a ribbon of gold or silver paper down the center of the table.

When an uneven number of guests are to be seated at the table, you might confine the evergreen and floral arrangement to one end of the table, father at the other, with the guests seated at the sides.

Imagine the charm added by sewing a few tiny bells along the hem of the cloth so that when the guests move there is a sound of tinkling.



Down the center you might arrange a row of candies of different heights.

Various strange figures may be made from fruits, nuts and gum drops. A large prune stuffed with a marshmallow, with a raisin for a head and almonds for feet, makes a penguin.

An attractive Santa may be made from an apple. Use a big red apple for the body, a marshmallow for the head, and cloves for eyes and nose. Two skewers can be used for legs, which are covered with cotton batting. Cotton is also used for a belt, whiskers, hair and for covering short pieces of wire inserted as arms. A little red cap is made from pieces of tissue paper secured to the marshmallow with a pin. A third skewer is inserted at the rear to give Santa a three-point landing.

Amusing gumdrop trees may be made from wire or natural twigs.

What Smoke Means

Color will identify the cause of the smoke coming from the exhaust of the car, reports the National Automobile Club. A bluish or gray smoke is traceable to an excess of oil getting past the piston rings. The black smoke means there is too much gasoline in the mixture.

Greetings

From Your
COUNTY CLERK
J. Arthur Yoder
We, in the Clerk's office, have found that friendship counts, and we are grateful for yours. We wish you a very happy Christmas and a Prosperous New Year.

Every Child Likes To Decorate Tree

Child development experts say that children will enjoy Christmas more if they help in getting the house ready for the coming of old Saint Nick. One of the most important duties, especially to a child, is that of decorating the tree.

A little boy or girl will love the opportunity to cut out cardboard stars, then dip them into a thick mixture of water and laundry starch

Even the united efforts of these children couldn't budge the huge Christmas tree selected for their schoolyard — but they had a good time trying to help.

and finally, sprinkle them with artificial snow. Small gourds, seed pods and pine cones can be treated in a like manner, after they've been painted with quick-drying enamel, or with aluminum paint.

Much pleasure will be derived by a child if he or she is allowed to make strings of cranberries, popcorn or small pieces of stale bread to hang on a special Christmas tree for the birds. Later children can string them about a shrub or tree in the front yard, and watch the birds enjoy Christmas, too.

Greeks Had Combs

Hair combs are of great antiquity and specimens made of wood, bone and horn have been found in Swiss lake dwellings. Among the early Greeks and Romans they were made of boxwood and in Egypt of ivory.

To greet you sincerely at Christmas and wish you every happiness in the New Year.

Pioneer Fare

Fall is the season when we go old-fashioned in our menus more than any other time. This is partly because substantial foods are in demand when there's a chill in the air. Substantial foods like baked beans, of course, were important in the meals prepared by pioneer mothers.

If you don't have the time for the long, slow baking that is necessary to make this dish mealy and mellow, turn to the prepared oven-baked beans in cans. Your family will enjoy them every time.

You will find you can use these old-fashioned baked beans in preparing a variety of delicious main dishes, including a flavorsome stew. Here are two recipes which make one-dish meals of them:

Bean and Hamburger Casserole

Prepare—
½ pound ground beef
By seasoning with—
½ teaspoon salt
Dash pepper.
Arrange in bottom of shallow baking dish, then spread over it—
2 tablespoons ketchup.
Cover all with—
1 medium (18-oz.) can oven-baked beans, Boston style.
Bake, covered, in a moderate oven (375° F) 30 minutes. Serves 5.

Brunswick Stew

Cut into 1½-inch pieces—
1 pound veal steak, ¼ inch thick.
Brown in bacon fat with—
1 small onion, finely chopped.
Sprinkle with—
2 tablespoons flour.
Mix well and add—
1 medium (19-oz.) can tomatoes
1 medium (18-oz.) can oven baked beans with pork and tomato sauce
1 medium (20-oz.) can whole kernel corn, drained
1½ teaspoons salt
Pepper
2 teaspoons sugar.

Stir well, then cover and simmer slowly for 20 minutes. Serve hot with [illegible].

Fruity New Oatmeal Cookies

Oatmeal cookies are always good news, and when they have the spicy, fruity flavor of mincemeat they deserve mention in a headline. Use the prepared mincemeat that comes in cans and glass jars for it is made by chefs expert in the art of spicing and seasoning.

Fruit and Nut Oatmeal Cookies

Sift together—
1½ cups sifted cake flour
¼ teaspoon baking soda
½ teaspoon salt.
Cream—
½ cup butter.
Add gradually—
¾ cup light brown sugar (firmly packed).
Cream together thoroughly, then add—
1 egg.
Beat until light and fluffy. Add—
1 cup oatmeal (uncooked)
½ cup chopped nut meats
1 cup mincemeat.

Mix well. Add flour mixture all at once, stirring until all is moistened. Drop by tablespoons on a lightly greased cooky sheet. Bake in a moderate oven (375° F.) 12 to 15 minutes.

Men in Army, Navy Await Yule Season

For men in the army and navy the Christmas holidays are gala days. Army furlough privileges permit many men to visit their homes while active field training is suspended. Railroads last year cut their rates drastically for the men in uniforms, and it is expected the same will hold true this Christmas season.

For those who remain in the camps special Christmas dinners, religious services and holiday festivities will be arranged. The same arrangement will be made for men in the fleet, few of whom will be able to spend the holidays at home.

Christmas Observance

At high noon on Christmas day in 1935, the famous General Grant tree, located in the General Grant National park, near Fresno, Calif., was designated as the Nation's Christmas Tree. According to the United States department of the interior, the tree is estimated to be 267 feet high and is one of the so-called Bigtrees.

"CHRISTMAS ONCE AGAIN"

Twelve short months have passed away
Soon Christmas will be here
Are we making any better display
Than we did last year?
Have we traveled a year in silly fear
Shirking our Father's road toll
No one can afford to cheat the Lord,
I am speaking of the soul.

Worldly success is not essential
To secure a home above
Many are rich and influential
But have no brotherly love
Though dwelling in a fancy mansion
In gold our names enscroll
We must experience spiritual expansion
If we would save our soul.

Too late to pray on the judgment day
We must do our praying here
No one can afford to cheat the Lord,
Paying toll will spread good cheer.
We may enscroll a beautiful story
In wealth and luxury roll.
No welcome is awaiting us in glory
If we have a shrinking soul.

Isn't Susie Silly?
Of course it's silly to ride a high wheeled bicycle. They are old fashioned—but so is the idea that a woman has to work like a horse to keep house. Today, modern conveniences make her work a pleasure and we are of the opinion that women should not be forced to carry home their groceries or even drive their cars to the store. It costs you money when you take your car, street car or bus—it requires your time and it certainly is hard work lugging heavy packages. It costs us money to maintain a delivery service but you see we make a number of deliveries in your neighborhood so it costs us less to drop off your order than it would for you to make a special trip to our store. You are actually ahead.
Enjoy our delivery service—call our friendly clerk and eliminate your daily worries about shopping. Use your time for rest, pleasure or other important duties. Don't let hidden costs cause you unnecessary burdens. Be as modern in your shopping as you are in your home—shop by telephone.

MR. SWEENEY ADDRESSES ASSEMBLY

Bud Sweeney, radio sports commentator from Station WHKC, was the speaker at a boys' assembly held recently at Starling Junior High School. David Gilbert furnished the music for the program.

JACK FOX VISITING PARENTS DURING HOLIDAYS

Jack L. Fox, a pre-dental student at Greenbrier Military School, Lewisburg, W. Va., son of Dr. and Mrs. T. S. Fox, 25 S. Brinker-av, is visiting his parents for two weeks during the holidays.

Jack has been doing nice work on the rifle range at Greenbrier, being among the top scorers. He also had a place on the Greenbrier football team this fall. A long pass from Fox to Johnson in the recent Crichtin-Greenbrier game accounted for one of the three touchdowns of a 20-0 score.

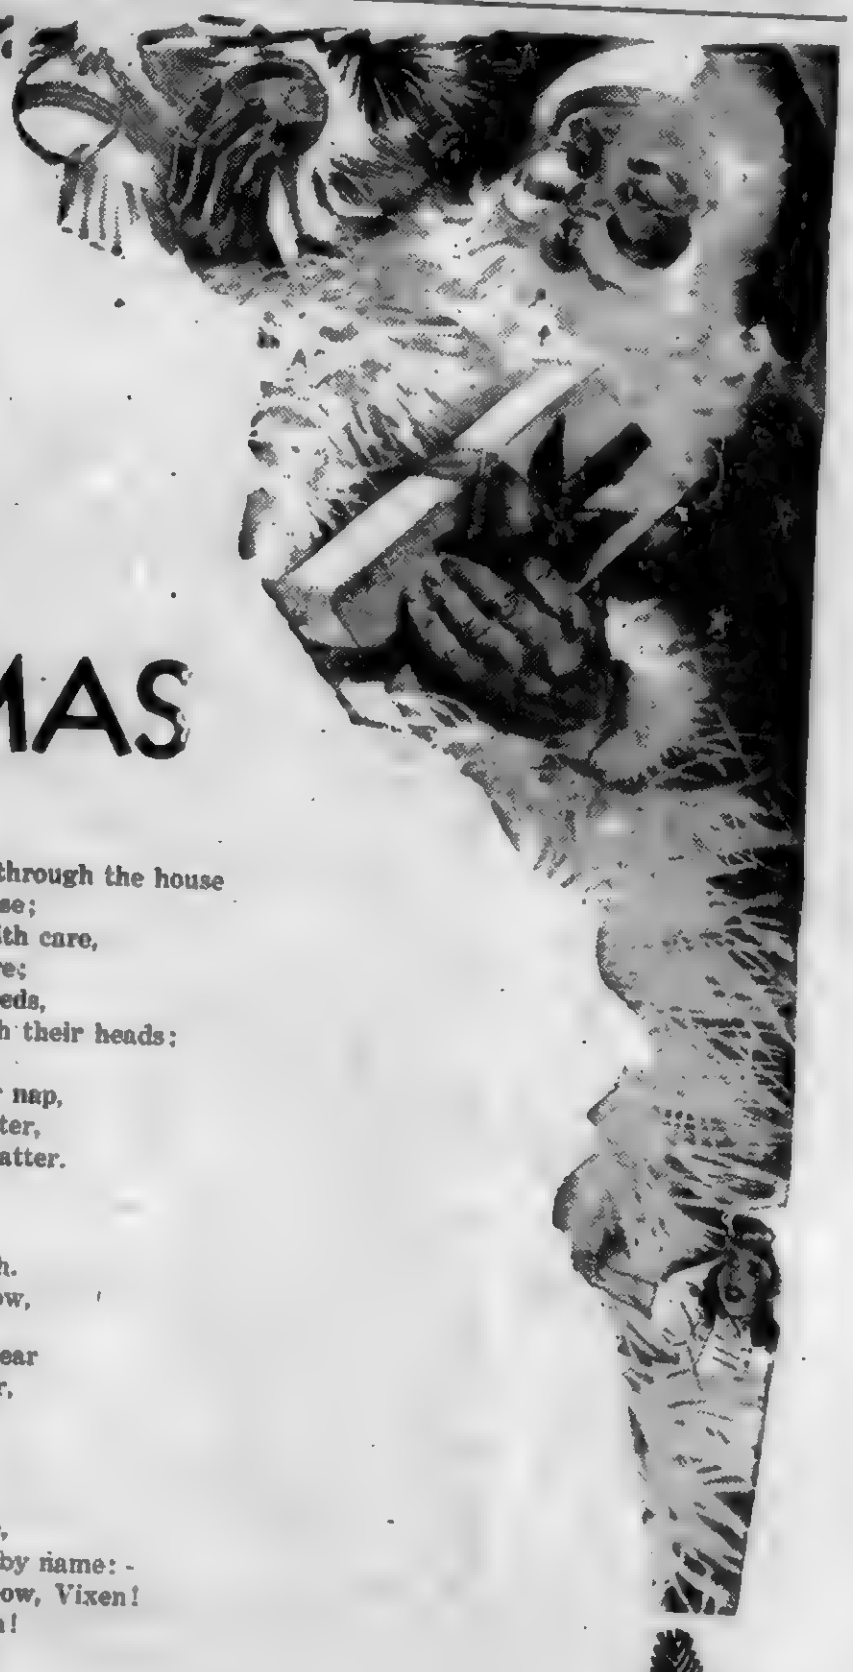
Survey Findings Released In Book

An unbiased inventory and accounting, requiring several years' study, has just been released by the Ohio Planning Survey division of the Ohio Department of Highways. The report reveals that over three-quarters of a billion dollars would be needed to put the state highway system in first class shape.



The report is in booklet form and is available to interested groups in a limited form. The findings are summarized as follows: The state highway system of Ohio receives the fourth from lowest percentage in the nation of funds derived from imposts on highway users; it cannot be brought to an adequate standard for present traffic with sources of revenue now available; the gasoline tax rate imposed by Ohio is lower than the average of the rates of all states; the average amount paid for a passenger car license in Ohio is approximately the same as the average amount paid in the other states; seventy-nine percent of the state roads in Ohio carrying over 1,000 vehicles per day are paved, although the paving on many roads is inadequate for present traffic; many bridges were not designed for today's maximum legal weight vehicles; many of the trucking units observed exceeded the legal load limit; about one-half of passenger car traffic is for business.

CHRISTMAS GREETING SUPPLEMENT

Vol. XXV, No. 46 — The Hilltop, Columbus, O., Tuesday, Dec. 23, 1941 — Total No. 1190

'Twas the Night Before CHRISTMAS

'Twas the night before Christmas, when all through the house
Not a creature was stirring, not even a mouse;
The stockings were hung by the chimney with care,
In hopes that St. Nicholas soon would be there;
The children were nestled all snug in their beds,
While visions of sugar-plums danced through their heads;
And mama in her kerchief, and I in my cap,
Had just settled our brains for a long winter nap,
When out on the lawn there arose such a clatter,
I sprang from my bed to see what was the matter.

Away to the window I flew like a flash,
Tore open the shutters and threw up the sash.
The moon, on the breast of the new-fallen snow,
Gave a lustre of mid-day to objects below;
When what to my wondering eyes should appear
But a miniature sleigh and eight tiny reindeer,
With a little old driver, so lively and quick,
I knew in a moment it must be St. Nick.

More rapid than eagles his coursers they came,
And he whistled, and shouted and called them by name: -
"Now, Dasher! now, Dancer! now, Prancer! now, Vixen!
On, Comet! on, Cupid! on, Donder and Blitzen!
To the top of the porch, to the top of the wall!
Now dash away, dash away, dash away all!"

As dry leaves that before the wild hurricane fly,
When they meet with an obstacle, mount to the sky,
So up to the house-top the coursers they flew,
With the sleigh full of toys, and St. Nicholas, too.
And then in a twinkling I heard on the roof
The prancing and pawing of each little hoof.
As I drew in my head and was turning around,
Down the chimney St. Nicholas came with a bound.

He was dressed all in fur from his head to his foot,
And his clothes were all tarnished with ashes and soot;
A bundle of toys he had flung on his back,
And he looked like a peddler just opening his pack.
His eyes how they twinkled! his dimples how merry!
His cheeks were like roses, his nose like a cherry.
His droll little mouth was drawn up like a bow,
And the beard on his chin was as white as the snow.

The stump of a pipe he held tight in his teeth,
And the smoke, it encircled his head like a wreath.
He had a broad face, and a round little belly
That shook, when he laughed, like a bowl full of jelly.
He was chubby and plump—a right jolly old elf—
And I laughed when I saw him, in spite of myself.
A wink of his eye, and a twist of his head,
Soon gave me to know I had nothing to dread.

He spake not a word, but went straight to his work,
And filled all the stockings; then turned with a jerk,
And laying his finger aside of his nose,
And giving a nod, up the chimney he rose.
He sprang to his sleigh, to his team gave a whistle,
And away they all flew like the down of a thistle;
But I heard him exclaim, ere he drove out of sight.—
"Happy Christmas To All, and to all a GOOD-NIGHT!"

CHRISTMAS EVE

Place a Christ Child candle
Near the door for Him.
(Once the bolts were fastened
And the lights were dim.

Keep a taper gleaming
Far across the snow.
(Once a road was furrowed
And a journey slow.)

Once a great Star furnished
All He knew of light.
May a nation's candles
Fuse their flame tonight.
Dorothy P. Albaugh,
in Songs Against the Dark.

CHRISTMAS NIGHT

Christmas night, and snowflakes,
Shops along the street.
We stopped for tea at Sherry's
Stomped snow packs from our feet.
You ordered wine and bon bons,
I said that I'd have tea,
You kissed my ear, and sniffed the scent
That you once bought for me.
We purchased gorgeous flowers and then
Some holly for the house.
Remember when I caught you buying me
A pink-nosed mouse?
Oh, it's all so vivid,
Swing tunes, bright and new,
Blue candles in the windows
Along Fifth Avenue.
But all of this has vanished.
And slipped from us to go,
To stardust, simply leaving
Dream prints against the snow.
Betty Jane Balch,
in To You, Darling.

THIRD CHRISTMAS

Blow softly, wind, for he
Beside the grate, can be
Only a boy of three—
Blow softly.
Fall gently, snow. He said
"Good night," and then was led,
Drowsy-eyed, to bed—
Fall gently.
Come gayly, Night, with toys
And sundry other joys
That gladden little boys—
Come gayly.
Beulah Jackson Charmley,
in Laurels.

THE STORY

The story has been told so many times
Of Christ's nativity that sacred night;
How clotted darkness brooded over bleak
Judean hills; how shepherds watching there
Saw the sky suddenly throbbing with bright wings
Of silver light, that came from one high star
Which shone above a crumbling stable where
The Infant King lay, sleeping in a stall.
The story has been told so many times
How three wise men came bringing gifts for Him—
Such heavy gifts for baby hands to hold!
How angels, heralding the miracle,
Sang "Glory in the highest; peace on earth!"
As their song echoes once more down the years,
May it bring God's own peace to aching hearts
And good will to a weary, war-sick world.
Esther Weakley

FOR REMEMBRANCE

Pine needles falling through the quiet night . . .
Staccato-like they punctuate the dark;
The small tree glitters in the moon's pale light
With shining trinkets. Falling needles mark
Its beauty passing . . . soon upon a heap
Of cold gray ashes in an alley way
(Its loveliness a memory to keep)
Discarded, stripped, forgotten it will lay.
Trees for remembrance! His nativity . . .
A carpenter shop . . . the cross on Calvary.
Virginia Eaton,
in Singing Quill.

THE FIRST GLAD NIGHT

No neon lights in Bethlehem
The night that Jesus came;
No glaring billboards, rainbow-hued.
To magnify His name.
Only a star . . . one, single star
To lead the questing sages,
And yet that star shall guide mankind
Down through the countless ages.
Edythe Gordon Hulse,
in Musings.

A MERRY CHRISTMAS for All!

The foundation of business is friendship and the basis of all enduring friendships can be traced back to an event which occurred some two thousand years ago.

Each Christmas time it gives us and all the employees of our organization a great deal of pleasure to extend our best wishes and renew our pledge of loyalty to those whose friendship we cherish. We say now in the face of perilous times may your Christmas be truly happy and abounding in joyous-

Modern Toys Offer Children Varied Appeal

Gather in the parlor, folks, and have a skeet shoot.

Or, if you're militarily inclined, become a chair strategist with new games "suggested by air and naval warfare and army maneuvers."

You can do either or both and much else, too, according to Santa Claus, whose bag contents reveal just such a variety of toys for Christmas, 1941.

"The desire of adults to forget wartime jitters in relaxing fun at home is reflected in an increased demand for easy-to-play games," say toy manufacturers. "Parlor versions of bowling, skeet shooting and skeeball are being featured on Christmas toy lists everywhere."

You also can shoot darts with rubber-band guns, build model airplanes, or, if you're the kind that would, swipe junior's miniature submarines and watch them dive in the bathtub.

The main point, says Santa Claus, is that "the American toy industry is geared to give children their full quota of happy play hours in 1941, unshadowed by war."

That wasn't so in 1914 when Germany was the world's greatest toy-producing country. American-made toys were a poor substitute. But all that is changed. For the past 20 years virtually all new designs and improvements have been initiated in the United States' toy shops.

Patriotic and national defense themes are carried out in this year's toys. The latter includes coast defense guns and the like, all "scientifically tested," in the interests of society.

There will be the usual scientific toys, dolls, and things-on-wheels, but with improvements. In the first category is a microscope using a polaroid light; in the second, China maidens with "Hollywood glamour set-coiffure"; and in the third, motor-fred army equipment of the "latest designs."

Defense isn't the only government function reflected in toy designs. The FHA's influence is apparent in a new double-decker bunk calculated "to eliminate crowding in doll houses."

Modern Poetry

(Continued from page 2)

THE ANGELS' MESSAGE

Shepherds watching their flocks by night
Saw the Star, that shone so bright
To guide their wandering feet aright
To Bethlehem's new-born Child.
Oh, how the angelic host did sing—
Tidings of peace and joy they bring,
Of the Prince of Peace, the Savior King;
Jesus, the meek and mild.

There was no room in Bethlehem's inn—
Amid the clamor, crowd and din,
And the many strangers housed within
For Mary to find her rest.
There in a manger filled with hay
The weary mother and Christ Child lay.
Let us take Him into our hearts today,
And be forever blest.
Rev. P. W. Drumm,
Burgess Avenue.

HIS MOTHER

She must have marveled that His baby hands could cling
So sturdily, wee fingers curl in grace
To clasp a fragment of Her shawl;
She must have counselled Joseph, lest the babbling
Of foreign tongues intrude the Holy Place
And desecrate the sacred stall.

Perhaps She tugged a little at each swaddling fold
To shield His tiny face from wisps of hay;
To His first cry of hunger wept;
His new-born eyes She shaded, while the white star rolled
Across the centuries, new light to play
In haloes, while the Baby slept.
Jean Comeans Long,
in Earth Woman.

The Years Are Rolled

A front of stars across the night,
And one star glittering with light
Above the rest. A song that yields
Its swelling beauty in the fields
Where shepherds watch their flocks, and see
The wonder of a mystery.

Within a stable's rock-hewn walls
The flickering lamplight softly falls
Upon a mother, young and fair,
Upon a Babe with shining hair.

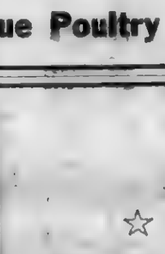
And still the star points out the way
That leads into the Christmas Day.
Above the hideous shriek of bombs
The song the Angels sang still comes,
Rising in soaring beauty far
Beyond the evil sounds of war.

The years are rolled up, one by one,
And Mary holds her little Son
Against her heart. Each new-born cry
Lifts like a prayer towards the sky,
While countless Marys smile through tears,
Forgetting for a time, their fears
In joy that a child is born
Upon another Christmas Morn.

Mary Willis Shelburne
in "The Once Over" of R. F. Phillips

"A Suicide Nation"

The suicide clan from far-off Japan
Cast their honor to the breeze,
Like silly sheep we were lulled to sleep
While battleships plowed the seas.



Almost to a man we had faith in that clan
While airplanes sailed to our shore
Without any sleep they sailed o'er the deep
And started their fiendish war.

Their suicide squad worships an Idol God,
Their religion, greed, guns and knives,
They will pay any price, make any sacrifice
Destroying innocent human lives.

Diplomats beguile with their impudent smile
And I predict without hesitation
When our soldiers in blue are thru with that crew
They will be a suicide Nation.

COINCIDENCE

Quite a coincidence transpired among Uncle Sam's forces in the Pacific recently two soldiers, meeting in the rush and heat of the Philippine invasion, stopped to compare notes and reminisce on their pre-war activities when they made a startling discovery

They were both from the same state, city and, you guessed it, both from the Hilltop but the clincher came when they got around to the street addresses and discovered that both had lived at the same address, 228 N. Burgess-av and had even slept in the same room.

Cpl. Carl Ingham, of the Burgess-av address, told Cpl. Don Veit, son of Mrs. Philip Veit of 604 Larcomb-av that his folks were now living in the same house that the Veits occupied some 12 years ago

Cpl. Ingham is in an ordnance unit after being in service for three year He took his basic training at Ft. Warren, Wy., and later attended automotive school at Pomona, Calif., where he acquired knowledge of the trucks and jeeps that he now handles Carl is remembered for his trick of bagging a pheasant at the corner of Broad and High-sts several years ago.

LOCK WORK MOVES

THE BOTTLE AND THE EYE DROPPER

There is a tale making the round that Jack Shank started out New Years Day with a bottle of champagne to visit his local friends . . it is told that Jack carried along an eye dropper to dole out the beverage . . although Jack questions the existence of such a serving implement there appeared at the local bowling alleys an empty bottle of that vintage with an eye dropper attached

That part does look like a frame from here but leave it to the guy has just too many friends

That reminds us of the story of Shank taking a ham over to Buckeye Lake last summer and upon unwrapping the tasty morsel, found the paper to be full of brick, ham bones and various other items, with a little padding to complete the illusion . . nice friend that guy is

Pvt. Cathers Helps To Fight Civilian Fire In Holland

Remove Native Household Furniture After GI Equipment Had Been Cleared

Pvt. George E. Cathers, 168 Belvidere-av, and his friend, Pvt. David Short, experience something that they will never forget while they were stationed in Holland

In a letter to his mother Pvt Cathers told the story of how he helped to move some important equipment to safety from a disastrous fire This story was printed in the official Army newspaper — Stars and Stripes.

When the war is over and fighting men return to the good ole USA, Pvt. George E. Cathers, should have no trouble finding a job provided he is interested in making career for himself as a member of a first class fire department.

Pvt. Cathers, who has been seeing action with an Anti-aircraft Artillery Battalion, the 531st, Battery A, against the Germans since shortly after D Day" was with his battery near one of those combination house-barns in Holland when he and a fellow soldier Pvt David Short, found themselves involved in a fire which was causing plenty of damage

After-dinner Fire

While relaxing after a hot day and the evening chow, the two men were attracted by a blaze which already had got beyond the control of the native Hollanders. This was about 1830 (6:30 in civilian figures) just when it was getting dark

It was truly a period of anxiety, and although a family of natives [illegible] minus a home, Pvts. Cathers and Short proved that they could alter their type of "hunting" and did a good job

Camp Chase Post Officials Criticize Actions of Objectors

The right of conscientious objectors to operate businesses in their spare time became an issue during the past week when officials of Camp Chase Post 98 American Legion, charged that objectors assigned to the Columbus State Hospital operated a novelty shop at the corner of Broad and Oakley during the pre-Christmas shopping season

Dr J Fremont Bateman, superintendent of the hospital, took issue with the charges, stating that the affair had been investigated to the satisfaction of the state welfare department and state selective service officials and that no violations had been found.

Investigation Promised

"There would have been nothing wrong if the men had been connected with the novelty shop. They are permitted to do what ever they please in their spare time," Dr Bateman said

Larry Scales, 603 S. Eureka-av, post adjutant, maintains that corrective action should be taken and has been promised by A. S. Imrie, Washington, executive officer of camp operations for selective service, that the matter will be investigated and that "corrective action will be taken

The Legion wants to remedy the situation nationally" Mr. Scales says. "We take the position that these conscientious objectors should have no more privileges than our boys in the armed forces

There are 40 conscientious objectors employed at the hospital as attendants Dr Bateman pointed out that they worked 12 hours per day and were excellent attendants.

Can't have a flash light to guide me at night nor strike any matches except out of sight I can't keep a diary for that would be a sin Can't even keep the envelopes your letters come in I can't say for sure folks, just what I can write so I'll call this my letter and close with Good night Love to all

PROTECT YOUR CHILD AGAINST WHOOPING COUGH

★ World-wide in its distribution, whooping cough is endemic in large cities, becoming epidemic on a large scale every two to four years. The seriousness of pertussis, especially in young childhood is evidenced by the mortality rate—about 26 percent in infants less than one year old.

Children should be vaccinated during the first year of life. Do not wait for an epidemic. It takes several weeks after vaccination for the body to produce antibodies. Ask your physician now about protection from whooping cough for your baby.

We carry fresh stocks of vaccine under refrigeration at all times.

AND THEN IT SNOWED

They growled at me "Close Up On The First"
And the next day it snowed,
Of all the wild outlaws I was the worst.
Ten days it rained, froze, snowed and blowed.
My hands are clean and my conscience is clear
I can only stand around and stare
And wonder if the Sun will ever appear
And if our boys have ice over-there.

Open Letter to Hilltoppers in Service With Thoughts On Holiday Weather

This is New Year's Day 1945.

As this is being written a blanket of snow varying in depth from a couple of inches up to 8 or 10 covers the Hilltop. Streets have been covered with a sheet of ice almost continuously for the past 10 days. No sooner does the ice melt away until a new heavier and slicker coating fastens itself on the sidewalks and streets.

To you fellows scattered around the world we can best describe the weather thus far as being an "old fashioned winter," the kind that mother and dad always talk about but most of us have never seen. Snow has covered the ground almost completely since the early part of December and high winds have drifted highways shut in almost all sections of the state. Temperatures in the teens and as low as 6 below have not been uncommon.

New Year's arrived in Columbus in a steady downpour of rain that was to turn to a blinding snow storm ere the new year was more than 15 or 20 minutes old. Cold rain and sleet fell intermittently for two days last week causing the streets to become so dangerous that Columbus and Southern Ohio Electric took all buses off the streets about midday and all interstate bus schedules were cancelled for several hours. Coatings of ice up to a half inch in thickness covered every tree, bush, telephone pole and connecting wires.

Christmas found plenty of snow on the ground although it was sadly discolored by several days of falling soot that made it difficult to describe as being even close to a white Christmas. Already we have had very nearly our winter's quota of snow, ice and cold and the winter has only gotten off to a good start.

Sunshine Missed By Cpl. Renner

"We only saw the sun shine two and one half days out of a total of 30 months in the Aleutian and Priviof Islands." That was the brief but effective description given of that area by Cpl. George E. (Ted) Renner who returned from the far north Friday, Dec. 29. Ted has served with an engineering battalion and more recently as a specialist in the operation of heavy equipment.

The weather in our northern outposts is a continual repetition of storms, snow, rain, fog and ice with scarcely no vegetation or anything else to remind you of Ohio, according to his report after more than two years in that area.

With the engineering outfit he helped to establish bases on several of the outlying islands extending in the direction of Japan. He participated in the drve to clean the Japs out of that region. On St. Pauls Island, up in the Bearing Sea, where he spent 12 months of that time, he saw polar bears and seals galore.

Cpl. Renner was severely burned about the legs and arms when he slipped into a hole where slack and other waste material had been burning for several days. He was hospitalized for more than two months.

Lt. and Mrs. John Eckard were home for New Years. They arrived in Columbus on Dec. 29 and left again the following Tuesday. Lt. Eckard is stationed at Devins, Mass.

THOUGHT FOR TODAY
By O. H. Craft

Each day we forge a new link in the chain of circumstance to create a bond of eternal verity.

Among Our Friends

Are You The Serious Type?
Nature has made some people frivolous and some sincere—and it's the sincere folks whom others depend upon to get things done right.
People engaged in the serious endeavor of daily life need relaxation from the strain of the modern world — and we offer good living at its best—with good food, good beverages and good music. An evening here won't involve worry over the check, for our prices are moderate.

Here Are Waves' First 'Chiefs'

Chief Yeoman Longhurst — Chief Storekeeper Hanusik

Chief Yeoman Pearson — Chief Yeoman Angel

It's not easy to become a chief petty officer in the Navy and these are the first four WAVES who qualified for the rating. Women must take examinations and be considered for advancement along with all other enlisted Navy personnel. Chiefs wear the same uniform as other enlisted WAVES, except for an officer's type hat with the fouled anchor — the regular chief petty officer's cap device. Rhodell Angel comes from Thief River Falls, Minn. Vera Maxine Pearson's home is in Loda, Ill. Frances D. Hanusik is from Yonkers, N. Y. Marion T. Longhurst is a native of Stamford, Conn. Three of the chiefs are stationed in Washington and Chief Longhurst is on duty in New Orleans, La. The Navy can't promise many girls will qualify for chief, but it offers good-paying, patriotic jobs to qualified women between 20 and 36, without children under 18.

(OFFICIAL U. S. NAVY PHOTOGRAPHS)

Pfc. John (Jack) Logan sent Christmas greetings via V-mail from somewhere in the Netherlands East Indies.

Home to spend Christmas with their mother were three of the five Alban brothers (in the service), Herb, Matere and Jack.

S 1/c Herb was back from an assignment aboard ship. Matere is a student at Michigan State Central College. He is in the Marine Corps Reserves. Jack is a storekeeper 3/c at the Motor Torpedo Boat Training School at Newport, R. I.

Their mother, Mrs. Sarah Alban, lives at 185 N. Wayne-av.

Twins Together On Lonely Island

"When you're to be stationed on one of the loneliest islands in the world, bring your twin along; you won't be so lonely." This is the advice of the Thompson twins, Sgts. Walter J. and Wilbur E., who were stationed for 23 months on one of the Galapagos Islands, a rock surrounded by water. The twins are the sons of Mr. and Mrs. Clifford E. Thompson of 68 Harris Ave. and are now at Marianna Army Air Field, working on tech supply.

Pearl Harbor hit the Thompson family hard: Jan. 2, 1942, found the twins at Fort Hayes being inducted into the Air Corps. A month later they were shipped to the Panama Canal Zone where they were almost separated. After a three months' stay at the Canal one of the twins was notified that he was to leave for a small island in the South Atlantic. The twins went to officer after officer trying to get shipped together. Desperate, they sought the chaplain and it was he who arranged their transfer together.

With no inhabitants on the island the men of the bomber group had to rely upon themselves for companionship. The twins had long talks about the folks at home and letters were eagerly shared. They were especially proud of their sister (Ethel Mae) who was making a name for herself as a vocalist with Bernie Cummins orchestra.

Returning to the United States after 29 months spent on the Panama Canal and on the volcanic island, the twins were granted a 21 day furlough to spend with their parents here.

Army Rewards Legion Of Merit

Master Sgt. Tony V. Policaro, of 695 S. Eureka-av, was presented with the Legion of Merit by the Adriatic Depot Commander, in a formal ceremony participated in by troops of his unit.

Sgt. Policaro was decorated for the organization and operation of a much-needed laundry and dry cleaning plant at the depot which supplies the AAF in eastern Italy.

Honor Roll

John Francis Armstrong A S, son of Lawrence Armstrong, 555 Van Buren-dr. His wife, Mary Lou Armstrong, resides at 179 N. Powel-av. John entered the service in Nov. 1944, and is now stationed at Great Lakes, Ill.

Lt. Roland J. Eckard has been transferred to Childress, Tex., where he expects to become an instructor in the bombardier school there. His wife has accompanied him and will make her home there.

Mrs. Brisendine is shown talking over a Curtiss-Wright job with Elmer Gordon, employment interviewer, at the Curtiss-Wright downtown employment center, 31 N. High St. In three weeks, as shown below, she was spot-welding in the plant.

TIME: 3 WEEKS

Yes, that's how quickly Mrs. Eula Brisendine, 76 Lexington Ave., went from discussing a job at Curtiss-Wright with an employment interviewer . . . to an important task on the Helldiver dive bomber production line. You can do the same.

By helping get more Helldivers to our naval fliers in the Pacific, she is not only speeding the day of victory against the Japs, but is hastening the return of her husband, Pvt. James F. Brisendine, in Hawaii, with the Seabees, naval construction battalion.

Curtiss-Wright needs you . . . needs more men and women, experienced or inexperienced, so more Helldivers—"fist of the fleet"—can keep pounding the Nips. Producing, not wishing, will win the war. Get into the fight . . . at Curtiss-Wright!

Guy McDermitt Displays Souvenirs From Pacific

Chief Petty Officer Guy McDermitt of the United States Merchant Marine, was a visitor here recently while on a fifteen day leave.

Guy had just returned from five months of action in the South Pacific. His encounters took place off the coast of Saipan and Guam. His ship carried troops in the invasion and stood off shore until they established a beachhead.

He has brought many souvenirs that have been recovered from Saipan. These included pictures found on dead Japanese, their "pin-up" girls, stamp collections, insignia, Japanese war bonds and money and also small individual battle flags carried by the Imperial Sons of Japan.

Guy was on the same ship with his brother, Ensign Ellsworth McDermitt, who was also home on leave. Ellsworth has been in the service two years, Guy 16 months.

Each of the boys sent home two Japanese rifles. Guy has done some hunting with his since he has been home. Both have hand grenades in their selections — "daisy cutters" they call them.

Guy's 4-year old daughter, Ruth Ann, wasn't forgotten. She is the proud possessor of a hula skirt which she wears whenever friends call at home.

Ellsworth and Guy both attended West.

SEVERAL ON SICK LIST

Mrs. Gladys Anderson underwent an operation in November but has been able to be up now for more than a month.

Mrs. Jessie Brown was hospitalized in November but is at her home again.

Mrs. Harold Freeland has recovered from a recent operation.

Hnry Whipple was returned to his home on Dec. 30 following an appendectomy.

T-Sgt. Charles Cranford Does Impossible During Bad Storm In Pacific

T/Sgt. Charles N. Cranford, 34 S. Burgess Ave, and his Seventh Air Force buddies flew through one of the worst storms of the season in the central Pacific to carry supplies to Marines, fighting for the island of Palau.

The Marines had landed, and were throwing all they had at the Japs when the gale struck. Navy boats, during a lull, lowered rafts loaded with food, but the heavy sea capsized them.

The Marines had much more fighting to do. And it was too rugged to do on an empty stomach. A hurry call was flashed to the Air Force. Thirteen C-47s were loaded with K-rations and they sped toward Palau. The transports hit the turbulent storm at the Marianas.

Flying conditions from the Marianas on to Palau were "impossible." Then came the call for volunteers.

Sgt. Cranford, an air mechanic, was among those who stepped forward. Twenty-five volunteers manned five of the 13 planes and climbed into the threatening clouds.

"Within five minutes we were in the worst storm I've ever seen," Sgt. Cranford later told his intelligence officer. "We climbed to 9000 feet but the weather was just as bad up there. We took our heading and hoped for the best."

The 33-year-old sergeant, formerly a mechanic at Fort Columbus' Curtiss hanger, continued:

"Our plane was tossed around like a cork. I wondered how long she could take it. We prayed for a break. We couldn't see any of the other transports. We flew on instruments and luck.

"We had thirty minutes of this. It seemed like hours. Suddenly, we broke out of the storm. I couldn't believe it at first. This was the break we had prayed for," Sgt. Cranford said.

The five food-laden transports zoomed through the good skies and landed on the Palau airstrip. The Marines ate.

Sgt. Cranford's parents, Mr. and Mrs. C. N. Cranford, and his wife, the former Margaret Heard, live at 34 S. Burgess-av. A graduate of West High School (1929), he has been in the Air Force since 1940 and in the Pacific since February.

His brother, Robert Paul Cranford, is a seaman first class in the Navy at San Diego, Cal.

Phillips Proves There's A Way

Sixteen-year old 12B student George Phillips, star one-armed athlete, is living proof of the well-known adage that "where there's a will, there's a way."

George lost his right arm at the age of one, due to a street car accident. Despite the handicap, he vowed he would become an athlete. There's little doubt of his success.

He is an accomplished bowler, and captained the Kahn Jeweler team which went to St. Paul. George recently rolled a 248.

Two years ago Phillips teamed up with Dick Slager, West all-around athlete, to win the doubles championship in the city league tennis matches. They returned again this year to maintain the title.

Not satisfied in being a star in bowling and tennis, George began thinking of another sport to conquer. "He had heard of Pete Gray, Memphis, one-armed star making good in baseball. "If he can, so can I," he said.

When school let out for the summer, George heard that the Westgate Giants were seeking candidates to play in the Northwest Intermediate Knothole Gang League. He made arrangements for a tryout with Coach Mark Stephens and you can well imagine the outcome of that interview. Yes, he made the team and that's not all, his batting average was an even 500.

He fielded his right field position in real style all season. George is so enthusiastic about the sport that already he has announced his intentions of becoming a candidate for the West High nine next spring.

Young People Attend Rally

By Peggy Cesner

A number of young people from Burgess Avenue attended the Columbus District Youth New Year's service at Avondale United Brethren Church. The pastor, Rev. D. S. Mills, gave a devotional talk, followed by a candlelight communion service at 10:30. A social hour followed.

The Youth Council will continue its meetings in the new year as usual. Plans are being made for a program of interest to all.

Otterbein Guild will also have regular meetings throughout the year. Considerable improvement is seen in the interst of girls in this work.

Bill and John Patterson were both home over the Christmas holidays. Bill left Dec. 31 to return to Great Lakes for orders after having just completed "boot" training there.

John found some time between broadcasting engagements to get home for a few days. He plays with a service orchestra.

Neil Ross has been aboard a tanker somewhere in the south Pacific. He recently visited one of his buddies at an island base that required some hitch hiking and a 10-mile walk across country to reach his destination

GONE ARE THE STAMPS

With a goodly number of Hilltoppers still bemoaning the fact that they are the possessors of food ration stamps that are strictly non-valid after the OPA issued the cancellation as a Christmas present, we note in a news letter from OPA, Chester Bowles administrator, sums up the reason, in an article titled, "Why Food Stamps had to be Cancelled":

"In its simplest terms, our problem as we faced the new year was that, with a tight 28-month supply of certain foods in prospect, we had a 14½-month supply of ration currency to absorb unless we cancelled the backlog of unspent stamps. Our conclusion was that, in the interest of general food we had to cancel"

Bowles goes on to explain that most of the backlog was held by citizens who were growing their own food, or parts thereof, and others by people who were genuinely interested in conserving the nation's food supply. Still two other groups were named as holding the bag: those who have little time to eat at home, thereby acquiring most of their meals at a restaurant, and those who have been saving their coupons for a special occasion, such as a family get-together, or such.

Bowles explains that the latter group "will feel the pinch more because they have been depending on this backlog, but as Americans they would have us make no other decision."

So that is the reason and theory behind the only Christmas present that wasn't too much appreciated.

HE LOVES TAXES

O. C. Nance, accountant at 112 N. Oakley-av, really goes for this tax situation . . . that is, he likes to discuss it. . . . all you have to do is mention some specific tax, or a tax problem, and he certainly goes to town, giving you the reason, history, way to make it out, and almost makes you feel like you are in whole-hearted favor with it . . . almost.

SCENE OF THE WEEK

A shiny new Cadillac coming up Broad-st hill with a small trailer loaded with coal . . . no rush, please, that was a couple of days ago.

Second place goes to the man driving an antique Ford, and holding a lighted candle to the windshield as a defroster.

HERE AND THERE

Mrs. Edwin Burtner and Paul Wichterman finally played and engagement last week for which they had been engaged for a three-year period . . . they provided the music at the Ruth Schofield - George Renner splicing ceremony.

Rev. and Mrs. Dale Dehman, she the former Coryn Neff, of Scranton, Pa., visited over the Holidays with her parents, Mr. and Mrs. George Neff, 2850 Valleyview-dr. He is now the minister of the Scranton Church of God. They resided here for two years after their marriage while he was attending Capital University . . .

Harry Zulauf was in a bad way Wednesday morning, when he discovered that he couldn't talk above a whisper due to the cold bug . . . and for a school teacher, that's bad . . . hope some of these playful boys over at West didn't take advantage of the situation and get him in a political orgument . . .

Lee Koontz opened at the Club Riviera Monday night as Emcee of the floor show . . . he says that its the first continuous engagement he has played in three years, but after watching his show we can see why he is always in demand.

Patrolman King Draws 2nd Penalty

Patrolman James M. King, 777 S. Terrace-st, has been suspended for the second time by Safety Director C. C. Cole for violation of a city order prohibiting a city patrolman or a near relative from holding an interest in a business establishment where liquor is sold. King's wife is said to operate a cafe on Parsons-av.

He had previously been given a 30-day suspension which was modified to 15 by the Civil Service Commission.

Woman Dies Of Exposure

Mrs. Margaret Mills, 76, of 96 N. Guilford-av, died in Mt. Carmel Hospital Tuesday as a result of exposure for several hours in near zero temperatures. The aged lady was discovered on the west bank of the Scioto River just south of Broad-st in the middle of the afternoon after she had been missing from her home since Monday noon.

Police had conducted an unsuccessful search for her after a daughter, Mrs P. V. Luton had reported her disappearance Monday. The body was discovered by Merritt Brate, a guard at the Curtis Co Warehouse, 228 W. Broad-st.

Lt. Harry Pepon Missing On First Bombing Mission

Second Lieutenant Harry Charles Pepon, age 23, husband of Mrs. Mildred Elliott Pepon and son of Mr. and Mrs. John Pepon, all of 280 N. Harris-av, has been reported missing in action, somewhere over Germany since Dec. 2.

He was serving as a bombardier on a B-17 based in Italy with the 15th AAF, when he was reported missing. His family believes this was his first bombing mission because he went overseas in November.

Lt. Pepon was an employee of the Coca Cola Bottling Co. prior to his entering the service in December, 1942. He is the father of a 15-month old son.

Conscientious Objector Is Moved After Investigation

Hospital Worker Is Transferred As A Result Of Auto Transactions

Curtailment of privileges of conscientious objectors above and beyond those afforded men in uniform was being sought by Camp Chase Post No. 98, American Legion, as a result of outside activities of at least one such objector who until this week was assigned as an attendant at the Columbus State Hospital. Citing the case of Charles G. Jehnzen, a conscientious objector stationed at the hospital who during the past 11 months had bought and sold six automobiles or motorcycles, the Legion was pressing for a fuller investigation on a national scale of the activities of all such men.

In a special resolution adopted by Camp Chase Post on Dec. 15 the organization went on record as requesting "proper authorities" to arrange a schedule of work in all such institutions where these men are employed to prevent their participation in activities outside the confines of said institutions, excepting their right to worship God in neighboring churches if they so desire." A copy of the resolution was sent to the Ohio Department, the Franklin County Council, the Governor and Director of Public Welfare of the State of Ohio, the National and State Directors of Selective Service, the Adjutant General, and the Commanding General of the Fifth Service Command.

Jehnzen Is Transferred

It was learned from Dr. J. F. Bateman, superintendent of the State Hospital, that Jehnzen was being transferred to a camp in Michigan possibly as a result of the Legion investigation of his automobile transactions. Jehnzen was cited by the Office of Price Administration on Dec. 11 for violating the ceiling price in the sale of a car to Bernard Withrow, 2266 Homewood-av, and was made to refund the $50 overcharge involved in the transaction. Because of his low regular income a regular fine was not levied.

Two other objectors had sponsored the operation of a novelty

Killed In Action

Cpl. William Jones

Cpl. William C. Jones, 20, son of Mr. and Mrs. William E. Jones, 3170 Wicklow-rd, was killed in action with a Liberator bomber squadron operating from an Italian base on Dec. 19. He was believed to have been on his third mission as command gunner and photographer on a four-engined bomber.

Patrolman Ricketts Nabs Four Youths While On Leave

Patrolman James C. Rickett's, 280 Belvidere-av, observed a "busman's holiday" Sunday when he apprehended four "teen age" boys who were stealing gasoline from his automobile parked in front of the residence. Ricketts was off duty at his home and on sick leave when the theft occurred.

The four youths were turned over to juvenile detention authorities. It was later learned that the coupe in which the four boys had been riding was stolen from a parking lot at Broad and Fourth sts on Jan. 4.

Convalescing In Hospital

Pvt. Richard Primmer, son of Mr. and Mrs. Frank Primmer of 35 N. Oakley-av, is convalescing after an operation at Walter Reed Hospital, at Washington, D. C.

RECEIVES LEG INJURIES

T/5 Donald W. Smith, 27, husband of Mrs. Virginia Smith, 593 Hilltonia-av, and the son of Mr. and Mrs. Norman Smith, 423 S. Richardson-av, is recovering from leg wounds received with an infantry unit on the German front on Dec. 19, his family learned this week.

Jack Scott Hurt In Sled Mishap

Jack Scott, 14, of 636 S. Richardson-av, was treated for head injuries suffered Tuesday when he was thrown to the pavement after he had hitched his sled to an automobile. The boy was apparently blinded by snow thrown back by the car's wheels causing his sled to hit an obstruction at the intersection of Eureka-av and Mound-st. The driver of the car was apparently not aware of the fact that the boy had hooked onto his car and failed to stop at the time of the accident.

Playmates took young Scott to his home where a physician was called.

Volunteer Workers Are Needed

A call was issued to Hilltop women this week to volunteer as workers in the preparation of surgical dressings badly needed by wounded men overseas. The surgical dressing unit operates on a regular schedule between the hours of 9:30 and 3:30 o'clock each Tuesday, Wednesday and Thursday.

The Red Cross unit is located in the West Broad Street School at the corner of West Broad and Hague avs. Directors of the work pointed out that no previous experience is required since there are always instructors on hand to teach anyone who volunteers.

A large quota of dressings must be ready for shipment by March 31. A few spare hours each week will go a long way toward assuring completion of the work on schedule. Additional information on the project may be obtained by calling Mrs. Carl Wisker, RAndolph [illegible]

Dorothy White First Local Girl to Die Overseas In Action

Miss White

—Courtesy Columbus Dispatch

Miss Dorothy White, 38, daughter of Mrs. Howard Whitehead, 2239 W. Broad-st, was the first Columbus woman to lose her life in service overseas, it was learned last week. A Red Cross worker, she and 11 other persons were killed when a transport plane plunged into the sea enroute from Naples to Sardinia on June 15, 1944. She was reported missing 14 days later.

Mrs. Whitehead was informed that engine trouble developed after the plane took off from Italy. The last SOS message said, "We are at 800 feet and falling rapidly," her mother was told.

Miss White landed in North Africa July 29, 1943. She is said to have been the first civilian from the United States to set foot on European soil after the war began. After serving with the 93rd Evacuation Hospital behind the front lines of the Allied invasion forces in Italy, Miss White was assigned to the main Red Cross office in Naples.

A graduate of East High School and Ohio Wesleyan University, she formerly taught at Frankfort, O. At the time of her enlistment in June, 1943, she was assistant publicity manager for Helena Rubenstein, Inc., New York.

Minstrel Show Scheduled For April 5th and 6th

Newly Elected Officers Are Installed By Judge Randall At HBMA Meeting

Plans were started for the annual minstrel show, to be held on April 5 and 6, when the Hilltop Business Men's Association held their first regular meeting of 1945 Tuesday evening at Schmelzer's Restaurant.

Judge C. R. Randall installed the newly elected officers in a short ceremony, after which he wished them success in their efforts for the furtherance of the association during the year, and congratulated the retiring officers on their progress during the past year.

Those installed were: Curtis R. Roberts, president; Edgar Planck, and W. T. Lewis, vice-presidents; C. H. Campbell, secretary; H. G. Deems, treasurer; and directors were announced as Jos. M. Briggs, Joe Goodwin, W. Hadyn Jones and Clarence Story.

Urges Better Attendance

Upon taking over the gavel from Jos. M. Briggs retiring president, Roberts announced that the date for the annual minstrel had been set for the April 5 and 6 dates, which is unusually late for the popular show. Roberts also named various committees and urged that emphasis be placed on greater attendance during the year.

Although no specific details for the show were announced, the following committee was appointed:

Curt Roberts, general chairman; Jack Shank, advertising; Joe Goodwin, tickets; Ed Planck, publicity; Noble L. Allen, arrangements; Tom Lewis, scenery; Dr. McNamee and C. B. Story, costumes; Hazel Bercaw, Harriet Huff and Mary Lou Kimball, make-up; Haydn Jones, music; Lew Rausch and Eve Burman, hosts, and Lew Saunders and Herb Deems as directors.

The members present authorized the association to present American flags to two Cub Scout packs at John Burroughs school.

Mrs. A. C. Aldenderfer, 62 N. Wayne-av is recuperating at home from an accident this past week.

She caught her right hand in a wringer, severely bruising it.

According to her physician, it will be three or four weeks before she can use it very much.

Capt. Robt. Wynn To Retire Feb. 1 From Police Force

Police Capt. Robert Wynn who served as vice squad head during the Floyd Green administration will retire from the Police Department effective Feb. 1. He had been provisional chief of police before Lester Mercis took over the office last year.

Capt. and Mrs. Wynn, who reside at 148 N. Warren-av, are the parents of four sons, three of whom have seen active service during this war.

He joined the Police Department in 1922 and was assigned to some of the toughest beats in the city. His rise through the ranks has been steady.

"I just intend to live a normal life, something a policeman on active duty cannot do," Capt. Wynn stated in discussing his plans for the future.

Factory Plans Are Revealed

Tenative plans for an automotive plant to be built on the Judge Edward Turner farm, just west of the Hilltop, were released by the General Motors Corporation last week at the same time that it became known that a lease on the factory site had been renewed.

The motor firm plans to build a factory 900 by 1200 feet, accomodating 7000 employes, it was said. Engineers of the company brought tentative plans to Columbus last week to be checked by county and state building officials as to their conformity with county and state building regulations.

The building will house a huge sheet metal stamping plant. It is expected that the factory could be in operation eight months after the project is started. The General Motors Corp. considers the proposed operation west of the city as definitely a post war undertaking.

Services Today For Helen Tucker

Burial services will be held in Immanuel Baptist Church at 2 o'clock this afternoon for Helen Wilcox Tucker, 19, who died Tuesday evening after she collapsed at the Jimmy Rawlins Dance Studio, 144 E. State-st, where she had gone for a ballroom dancing lesson. Dr. John B. Gravis, corner who viewed the body, stated that death had been caused by "acute dilitation of the heart."

Efforts of emergency squadmen who were called to the scene, were to no avail. The body was taken to the Jerry Spears Funeral Home. Burial will be in Sunset Cemetery by the Jay Ferguson Funeral Home of Plain City.

Miss Tucker is survived by her parents, Mr. and Mrs. Wally O. Tucker, 278 S. Warren-av; a brother, Wally A. Tucker, and a sister, Carriemae.

Melvin Retires From Hdwe.; Erlenbach To Operate Store

E. O. Melvin, 157 S. Warren-av, operator of Melvin's Hardware at 2409 W. Broad-st, is retiring from the hardware business, according to a statement made to the Hilltop Record this week. Harold W. Erlenbach, 340 S.Wayne-av, associated with Mr. Melvin for the past five and one-half years; has purchased the store and will continue to operate it.

E. O. Melvin

Mr. Melvin has been a familiar figure in Hilltop business circles for many years. He has been an active member of the Hilltop Business Men's Association for a number of years having held several offices and served on numerous committees during that time. He will be remembered for his work in promoting the annual Hilltop Bean Dinners, discontinued since the war. He was chairman of that project one year and served on the committee at various times. He plans to retire from active business.

Ever since the establishment of Selective Service he has given generously of his time in a job that evokes storms of criticism but seldom a word of praise. He has been chairman of Board No. 12, a position he will continue to fill.

Mr. Erlenbach has spent 28 years in the hardware business, having been connected with the Frank P. Hall Co. for a good part of that time. He plans to add new lines of merchandise as they become available. The store will continue to be known as Melvin's Hardware. The change to ownership became effective Jan. 2.

In commenting on the change in ownership, Mr. Melvin made the following statement:

"I solicit for him the continued patronage of our many friends and acquaintances."

The Erlenbachs have a son, T/Sgt. Harold Erlenbach, who has spent the past 32 months in the South Pacific with the Signal Corps. He entered service with the Ohio 37th Division.

shop at the corner of W. Broad-st and Oakley-av just prior to Christmas, according to Legion officials. The vendor's license had been taken out in the name of wife of one of the men.

Dr. Bateman explained to the Hilltop Record that 40 conscientious objectors are assigned to the hospital and that they are doing a good job of filling in on jobs vacated by state employees who have gone into higher paying war jobs. The men are required to work a regular work week equivalent to that of regular employees. According to regulations outlined to the Welfare Department by Selective Service officials, the objector is subject to the same treatment, as to hours of work and time off, as any state employe working at that institution. Other than that hospital officials have no control over the men in their time off.

"While the case of Jehnzen has been the only case to reflect with disfavor on the men thus assigned we are making every effort to break up such activity," Bateman said.

In summing up the point at issue the Legion resolution stated:

"There is ample evidence that conscientious objectors assigned to a work program at the Ohio State Hospital for the Insane in Columbus, Ohio, are enjoying certain privileges not commensurate with those accorded our sons, daughters and neighbors who are serving our country as members of the regularly constituted military forces."

Mrs. Anspach Rites Are Held Saturday

Mrs. Edna Hilty Anspach, 65, a resident of the Hilltop for 25 years, died in the home of her daughter, Mrs. Peter D. James, 589 S. Warren-av, last Thursday. Services were held in the Spears Funeral Home Saturday.

Mrs. Anspach had been ill for the past five months. A native of Hancock County she is survived also by another daughter, Mrs. Virginia Fuller, 1053 S. High-st; four sisters, Mrs. Charles Strahm, Seattle, Wash.; Mrs. C. F. Niswander and Mrs. Walter Schaublin, both of Bluffton, and Mrs. Roy Ream, Lima; three brothers, Milton Hilty of Columbus, Henry O., Bluffton, and Walter Hilty, Glendora, Calif., and three grandchildren.

Cowboys Travel To Chillicothe

West High's basketball squad will travel to Chillicothe tonight after winning one and losing another game during the past week. Coach Rufus Glass announced Wednesday that the varsity team only would make the trip.

After a comparatively easy 50-37 win over Central last Friday night one the local floor, the Cowboys ran into trouble Tuesday night when they were beaten by South in the last minute of play. The score was 39-38.

With the lead changing hands no less than ten times. Jack Buckingham put the Hilltoppers on top with a fielder just a minute and a half before the finish. The Cowboys couldn't hold it as South's Al Kauffman added two points to cinch the game seconds later.

Buckingham led the local scoring, with Haines and Kieforth scoring 14 points each to lead in the Central fray. Some question as to the winner was raised at the South game when each scorekeeper showd that his team had won the game by one point. However, the home team rules in that case.

State Legion Commander At Camp Chase

Richard A. Lindemann

Every service man, whether in or out of uniform, and whether a member of the American Legion or not, is invited to hear Richard A. Lindemann, Commander of the Department of Ohio, The American Legion, Friday, Jan. 19, at Camp Chase Post clubrooms, 3184 W. Broad-st.

This is one of the outstanding events of the Camp Chase Post year inasmuch as the Department Commander's time is largely devoted to departmental affairs.

Commander Lindemann's address will be of interest to all service men and ex-service men, since as Commander of one of the nation's largest departments of The American Legion he is in intimate contact with all of the problems affecting veterans

While this is a regularly scheduled meeting of the post, the business will be curtailed or postponed in order to give Commander Lindemann an opportunity to discuss a variety of subjects ranging from benefits to veterans to the highly controversial topic of universal military training. The meeting starts promptly at 8:15 p m.

When the Ounce of Prevention Fails

★ Warning against accidents in the home and on the highways is old stuff to most of us. Many industries have made real progress in accident prevention, but our homes continue to produce minor and major injuries on an ever-increasing scale.

In spite of every precaution, accidents will occur. When the "ounce of prevention" fails, it is wise to have "the pound of cure" ready and at hand. See that your medicine cabinet is amply stocked with standard first-aid materials. Keep a first-aid kit in the pocket of your car. We shall be pleased to help you select the essential items from our complete stock.

DEPENDABILITY

WHEN the ancient Egyptians built the pyramids . . . 5000 years ago . . . they knew that they could be depended on to withstand the ravages of time. Time has proven their judgment was good.
In time of need, let us prove our dependability. A phone call and we'll immediately assume all responsibility. Appropriate appointments at moderate cost.

Sgt. Robert L. Hartman Is Held As Prisoner Of War By Germans

Sgt. Robert L. Hartman, reported as missing in action on Aug. 21, is now known to be a prisoner of war. This welcome news reached his parents, Mr. and Mrs. Ralph Hartman, 420 S. Harris-av, Sunday night. Mr. Hartman is known to thousands of Columbus persons as a result of his numerous letters to the editors of local newspapers. His letters are always signed "The Old Sarge."

An older brother, T/Sgt. Raymond R. Hartman, was killed in action in France on Oct. 2 of this year.

News of the second tragedy in the Hartman home had come as a severe shock to the family and their many friends. Sunday night's message was the first ray of hope to raise the spirits of a father and mother who believed they had given their second son in the service of their country. Little was learned of the whereabouts of Sgt. Robert other than that he is being held as a prisoner of war by the Germans.

Continues Crusade

Known as an outspoken critic of conditions he believed should be corrected, the Old Sarge did not give up his crusade of letter writing when it was known that the second son was missing in action. Typical of his writing is the following excerpt from a letter printed elsewhere in this week's Hilltop Record:

". . . ous is a typical American home, for the same thing is being re-enacted in many homes each day. We are not alone in our loss. We are just one family in a nation of fathers and mothers who scan the news each day, tune in on the commentators each day in an effort to follow the fate of their children in this war."

"These people are the people I write about when I take issue with the things being done in this nation for they are the people who have really contributed to the war in their own life blood. They have earned the right to be heard and in our blundering way we have attempted to present their side of the national picture and how they feel about it."

Mr. Hartman is a veteran of World War I, having seen action in France like his sons in this war. And like his sons, he too, wore the stripes of a sergeant. He is a past commander of Post No. 3441, Veterans of Foreign Wars.

Sgt. Robert Hartman, the 25-year-old infantryman now known to be alive, entered the service in November of 1940. He was at one time stationed in Iceland, later moving on to England and then to the battle front in the French sector.

Captures Jap Flag

With a Jap flag that they captured on Peleliu, these six Ohio Coast Guardsmen took time off to have their photograph taken. In the group are: Sea. 1c Thomas McBee, 691 Atcheson St; Sea. 1c George H. Blackmore, 699 Binns Blvd., a West High graduate; Sea 1c Elgin J. Hainer, 50 Acton Rd; Fireman 1c James Martin, 1930 Surrey Pl; Water Tender 3c Delmer Cordle, London, and Sea. 2c Walter L. Stone.

Daughter; Two Sons In Service

Mrs. Ethel Titus Worthen, 2567 W. Broad-st, is the proud mother of two sons and a daughter in service.

Pvt. Ethel Virginia Worthen entered the service in June, 1944 and is presently stationed at Mather Field, Calif., in the Air Command as a cashier in one of the officers clubs. She attended West High School.

Phillip H. Worthen PM 1/c went into the service in Aug. 1943. He was a student at West High School and took an active part in athletics there. He is now at Shoemaker, Calif., in the Navy Hospital with an illness of two months.

Cpl. Joe F. Worthen entered the service in 1941 and has been overseas since April, 1942. He lande din Iceland and was transported to England in December, 1943. During this time, he was granted a 10 day furlough which he spent in London, Birmingham, Leichester and several other cities of interest.

Twd other sons of Mrs. Ethel Worthen, one, Pvt. George Worthen entered the service in 1942 and was given an honorable discharge in Dec. 1943.

Pfc. Robert D. Worthen, a fourth son, was killed in action on June 7, somewhere in France. He was with the 325 glider infantry.

His wife, Mrs. Mollie B. Worthen, 1525 Franklin Park, South, received the Purple Heart and presidential citation for bravery. Pvt. Worthen is the father of a one year old son, Robert D., the second.

"Thanks" To Navy Dads From Coast Guard Veteran

In a letter received last week by the parents of George H. Blackmore, S 1/c serving with the Coast Guard in the S. W. Pacific, he sends his "thanks" and appreciation to the "Navy Dads" for the swell package they sent him for Christmas.

He wrote: "I don't know where they received my address but it was fine of them to remember me. I thought Xmas would be a very dreary day for us but it turned out okay with a fine dinner and a U. S. O. show in the afternoon and they really made us laugh. In fact, it is about the first good laugh we have had since we left the states."

George is the son of Mr. and Mrs. C. S. Blackmore of 699 Binns Blvd.

GROUND HOG DAY

Creatures of nature not many understand
Either the tame or wild brutes,
Snakes in the brakes, flies in the wasteland,
In the far North the Malamutes.
Various kinds in mountains and hallows
Propagating and guarding their own,
Crows and birds like barnyard swallows
Living like a King on his throne.

All seem contented gay and independent
I fancy they have good schools,
Each in kind managed by a wise superintendent
Who explains the fundamental rules.
I especially refer to one wild creature
Who regulates the weather they say,
Causes frowns to form on many a fair feature
February the second—Ground Hog Day.

Vet Returns Home After 34 Months In China, Burma, India

T/3 Charles E. Holloway, son of Mr. and Mrs. C. E. Holloway, 130 N. Wayne-av, returned home from overseas duty on Jan. 2, in an ATC airplane. He has served 34 months in the China-Burma-India theatre with the Medical Corps; his first landing being made in Karach, India. Holloway, when describing the hump over there, he said, "it is terrific."

For shelter, he lived in bashus or "gras and bamboo" huts. Their food consisted mainly of buffalo meat, what the Indians call pork; although there is another name for it in American language.

One of the very unusual sights that Holloway witnessed, was the way in which the Indians would burn their dead in burial grounds. "It was quite a spectacle," he stated. "One of the best breaks I ever had in the Army", when we flew all the way from China in an ATC.

T/3 Holloway entered the service in 1941. He took specialized training at Fitzsimmons Hospital Denver, Colo., before going overseas. He was with the 181st General Hospital in India and 95th station hospital in China.

The latter part of this month Holoway will report at Miami Florida, for re-assignment.

Capt. Leathers Is Awarded Fourth Cluster

An Eighth Air Force, Fighter Station, England — Captain Wayne E. Leathers, son of Mr. and Mrs. Ernest W. Leathers, of 1931 Fairmont-av, Columbus, Ohio, has been awarded the fourth Oak Leaf Cluster to the Air Medal, in a recent announcement made by Colonel Phillip E. Tukey, Jr., of Cape Elizabeth, Maine, commanding officer of the 356th Fighter Group.

The twenty-two year old P-51 Mustang pilot, who went into combat with this group last March, lost no time in getting his first victory over the Jerries. On his ninth mission he destroyed an FW 190 while escorting formations of heavy bombers to their objectives. In addition to the Air Medal with five Oak Leaf Clusters, he has also been decorated with the Distinguished Flying Cross for "extraordinary achievement" during his combat career.

— Letters — To the Editor

Jan. 7, 1945

Editor:

It is with real joy and thanksgiving that we report to our friends, who were so kind to us when our oldest boy, T/Sgt. Raymond R. Hartman, was killed in action on Oct. 3, 1944, in France, that his brother, Sgt. Robert L. Hartman, who has been reported "Missing In Action" on Aug. 21, 1944, is now reported as a prisoner of war in Germany.

We received this message on Sunday evening, Jan. 7, at 7:10, and if ever anything was an answer to honest heartfelt prayers, this message certainly was.

This mother has watched, first a husband and father of a one year old boy, Raymond R. Hartman, enlist and go to foreign service in the last World War, then this son, Robert L. Hartman, was born soon after his father landed in France. In this war she has watched both of her sons go to war and one to his death in France, the other to the uncertain fate of a prisoner of war.

And ours is a typical American home. For the same thing is being re-enacted in many homes each day. We are not alone in our loss. We are just one family in a nation of fathers and mothers who scan the news each day, tune in on the commentators each day in an effort to follow the fate of their children in this war.

These people are the people I write about when I take issue with the things being done in this nation. For they are the people who have really contributed to the war in their own life blood. They have earned the right to be heard and in our blundering way we have attempted to present their side of the national picture and how they feel about it.

So to these people I say, rejoice with us in the news, that one of the "Little People" of America has been spared one of their sons, who had been given up as lost.

Parents Receive Pictures Of Son In Cairo, Egypt

Mr. and Mrs. G. B. Van Dorn, 683 Racine-av, recently received pictures of their son, Cpl. Warren G. Van Dorn, taken by the Red Cross in Cairo, Egypt, where he and his crew were on a tour of the Pyramids and the Sphinx.

Later word was received that they had arrived safely, somewhere in India, at an Air Transport Base. Cpl. Van Dorn is a radio operator in the Ferry Command.

He formerly attended Ohio State University and has been in the service just two years.

Energetic highly strung people accomplish a lot — get things done and are rarin' to go on the next job. They're folks who do things.

Hard-working people need relaxation and let down when the day is over—and you can find it here. Good food, good beverages and good music will wipe away that stale feeling. And you'll like our moderate prices, designed to appeal to sensible people.

SLIDING BUS

A West Broad-st bus (not the one in the fence) was going east down the Hospital Hill Tuesday when it went into a skid. Upon being stopped, it was facing west on the other side of the street, the trolley having come loose in the confusion . . .

The driver climbed out, surveyed the situation and nonchalantly hooked the trolley onto the wire which was most convenient, proceeding west to the Powell-av turntable, then started east again . . .

Of course the passengers who thought they knew which way they were going when they started, were in somewhat of a dither . . . but the courageous soul took another stab at the hill, this time making it all the day down in the usual position . . .

Oh well, a bus ride gets sorta monotonous, anyway . . .

MOVING ALONG

Dick Gilmore, son of Mr. and Mrs. John Gilmore, of 675 S. Burgess-av, recently was elected sergeant-at-arms of the Mace Social Club at Muskingum College, New Concord, O. . . . Dick, a freshman at the school, was a rampaging halfback on the 1943 West High Cowboy football team and first-baseman on the 1944 championship baseball squad.

GOOD REASON

A Hilltop soldier tells of a friend of his who was inducted and assigned to the medical corps . . . when asked the reason why he had been so assigned, he replied: "The only reason I can think of is that I told them I used to be with Dr. Pepper" . . .

LOSERS PAY

The Men's Brotherhood Class at Hilltop Lutheran Church ended a membership drive Monday night with a dinner . . . there was a little deal on that required the losing team to provide the meal for the winners . . . Bill Stokes and Henry Geshwelm were chief cooks and bottle washers for the occasion.

JUST TWO MORE WEEKS

Dale Rose is bemoaning the fact that his '45 baseball squad is slowly being drained by Uncle Sam . . . Virgil Crawford, hard-hitting outfielder, was inducted into the Marine Corps just two weeks before becoming a 12B student, which provides automatic deferment until graduation.

Now it is rumored that Carl Hosler, pitcher-third baseman, is about to become a sailor . . . this won't help the situation any, either.

Virgil wants very much to get into the Navy, and thought he had made it, until a Marine sergeant stepped up and says, "We claimed this guy two weeks ago" . . . and nothing could change the leatherneck's mind, either . . . so "Bruiser" now writes his letters from Parris Island, S. C.

CIGARETTE RATIONING

Now a group of brainy individuals come along with a plan to ration cigarettes by means of a punch card, which has in its wording "when and if we have cigarettes in stock" . . . that part right there seems to us to be enough to make the plan unfeasible . . .

Local drug stores estimate that they are getting just enough cigarettes to supply about one-third of their regular customers at one pack a week, and they are watching closely to see that one pack is all . . . So, how are you gonna ration something that you have very little of and which is already being allocated?

Even OPA has decided that it is impossible, which certainly should discourage other organizations from trying to work it out . . .

HERE AND THERE

Hilltop Dog Dies of Rabies

Residents of the Hilltop were concerned this week over the rabies death of a dog belonging to Mr. H. Deaton, of 806 Wiltshire-rd, which died Saturday at the Hilltop Hospital, 2424 Sullivant-av.

According to Mrs. William Wylie, 46 Clarendon-av, an assistant to Dr. M. W. Bates at the hospital, the dog was brought in by Mr. Deaton approximately seven days before its death. However, the case had not been diagnosed as rabies until the head had been given a laboratory test.

Dr. Nelson Dysart, director of the county board of health, warned those who may have come in contact with the dog or had animals who may have been exposed to the diseased canine, to contact his office immediately by calling MA. 2311, station 277.

The dog, which was said to have been running loose, was described as a male collie with brown and white markings, about 1½ feet high and 2 feet long.

The board of directors elected the following officers for the new term:

Miss Martha Dawson, president; Robert Nash, West Junior High teacher, vice-president; Miss Leona Orff, re-elected as secretary, and H. M. Williams, 133 Guernsey-av, an employee of the city board of education, was re-elected as treasurer.

Myron Seifert, West High journalism teacher, was chairman of the nominating board.

Pharmacy Looted

Thieves broke into the Goodman Pharmacy, 2772 Sullivant-av, Tuesday night and stole an undetermined amount of money from the cash register. Entrance was gained by forcing a door at the rear of the store.

BUS CRASHES THROUGH FENCE

—Courtesy Columbus Citizen

Snow and ice (nothing new to residents of the Hilltop) played havoc with bus schedules and traffic in general Tuesday morning when streets were again covered with a treacherous coating. One of the West Broad Street buses, shown above, skidded off of the street into a garden of the Ohio Feeble Minded Institute.

Two persons were injured when the bus skidded on the icy pavement, struck a telephone pole and careened through the metal fence on the south side of Broad Street west of Central.

Mrs. Agnes Schlottig, 41, of 90 N. Hague-av, a passenger in the bus, received an injury to her left ankle, and J. J. Castle, 56, of 271 S. Hawkes-av, suffered a possible fracture of the right ribs, right shoulder and a cut on the forehead. Both persons were treated at Mt. Carmel Hospital.

The driver of the bus, H. H. Rowley, 151 S. Eureka-av, was knocked unconscious momentarily by the impact that shattered a front window.

Many Hilltoppers were late in arriving for work, both those who rode buses and those who drove or were passengers in cars. Another bus was stuck in a snowdrift on the north side of West Broad-st just a short distance west of the bus pictured above. A second bus finally succeeded in pulling it back onto the street.

3 Hilltop Women Receive Injuries

At least three Hilltop women suffered injuries during the past week as a result of hazardous walking and driving conditions that prevailed for the fifth consecutive week.

Mrs. Emma Byrd, 57, of 637 Racine-av, was treated for head injuries when she fell at Long and High-sts last Friday.

Mrs. Grace O'Day, 50, of 154 S. Central-av, and Mrs. Alverda Rinehart, 41, of 156 S. Central-av, were injured Friday night when they were struck by an automobile in the 200 block of S. Central-av. Mrs. O'Day suffered a possible fracture of the right foot. Mrs. Rinehart received hip and arm bruises.

Police said the car was driven by Urlin Harris, 801 Chestershire-rd. The women were both treated at Mt. Carmel Hospital.

West Basketeers Defeat East High

West High's Cowboy basketeers defeated East High's Tigers 48-40 on the local court Tuesday night, after Dick Slager scored 14 points to lead the reserve squad to a 26-24 victory over the East seconds in the preliminary.

The Cowboys racked up a total of 20 field goals to the Easterners' 14. West also clicked on free throws, making eight out of 12, while the Tigers missed 14.

Capt. Donn Haines was top scorer of the evening with 14, followed closely by Layne with 12 and Remington's 11. Haines and Johnny Fearing of East were ejected via the foul route.

Killed In France

S/Sgt. Wallace D. Grady was reported killed in action with an infantry unit in France on Nov. 10, his grandmother, Mrs. Katherine Barnett, 389 Midland-av, has been notified by the War Department. He would have reached the age of 22, two days following this announcement.

Sgt. Grady entered the service in 1942 and was sent overseas in Aug. 1944. Prior to his entering the Army, he was employed by the Schiff Shoe Co.

Also surviving are his mother, Mrs. William Perry of Chillicothe, Ohio and a brother, Clyde Grady, now stationed somewhere in India.

To Be Honored Sunday

Woodland | Bohanan | Rose

Three Hilltop scouts will have gained the right to work for the Eagle rank following court of honor ceremonies to be held at 2 p. m. Sunday in Memorial Hall. Included in the group so honored will be 31 boys from the Central Ohio Council.

Local boys to appear at the court are Jim Rose, 2196 Springmont-av, Don Woodland, 111 Letchworth-av, and Jack Bohanan, 581 Crescent-rd.

Conscientious Objectors Issue Public Statement

Position of C.O.'s is Outlined By Members of C.P.S. Unit 73

Recent news stories carried in the Hilltop Record concerning criticism of outside activities of conscientious objectors stationed as attendants at the Columbus State Hospital have brought forth the following statement from the Civilian Public Service Unit No. 73 whose members were under fire. The stories were occasioned by an investigation by Camp Chase Post No. 98, American Legion, of car selling and novelty shop operation of three of the men.

Charles G. Jehnzen, whose car dealing activities and subsequent violation of OPA price ceiling on one transaction, resulted in his transfer last week to a camp in Michigan. The following statement which was signed by two members of the C. P. S. unit is published verbatim without comment in the interest of giving both sides equal opportunnty to express their views.

The members of the Civilian Public Service (Conscientious Objector) Unit at the Columbus State Hospital thank the Hilltop Record for the opportunity of answering some of the charges brought against them recently. The gist of the criticisms is that C.O.'s are given privileges which are denied to those in the armed services.

Conscientious objectors receive no pay. The government does not pay one cent even for food of men in most camps but this cost is born by the men themselves of by those interested in them. In hospitals the men receive their food and lodging from the state and in lieu of clothing and incidentals they receive fifteen dollars per month, but they receive no other compensation.

The hours of work are long. There are only two shifts which means that hospital attendants are on duty twelve hours per day. They receive only five days off per month.

Dependents of conscientious objectors receive not one cent of allowance. Many of the men have children and other dependents who except for charity would starve unless the men engaged in some outside employment. Few men would work the long hours required of a hospital attendant and then seek additional employment unless they were pretty desperately in need.

Foreign service is denied to conscientious objectors unless they become integral parts of the armed forces. They are willing and eager to go even into the most dangerous areas to relieve the suffering soldiers and civilians alike but they are not permitted to do so. Money has been subscribed by pacifist groups and ambulances purchased for use in war-devastated areas

A B-17 Flying Fortress pilot with the Eighth Air Force in England since August, he had completed more than half of his required number of missions and had been awarded the Air Medal with two Oak Leaf Clusters.

It was the first word Mrs. Knight has received since he was reported missing in Germany on Sept. 26. There has been no official notification from the War Department that he has been interned.

He entered the service in March, 1941, and went overseas in Dec. 1942. When in N. Africa he was wounded in the foot and spent 3 months in a hospital at Casablanca. From Africa, Lt. Knight went to Sicily, England and on to France and Germany with a reconnaissance mission.

GROWING PAINS?

When a child complains of recurring pain, it is foolish to ascribe the complaint to "growing pains." Any persistent pain, severe or mild, is cause for concern and the reasons for it must be determined immediately by the family physician. Many children have been handicapped through life because their parents attempted to diagnose symptoms as "growing pains" or as "something he'll grow out of" when it was rheumatic fever—the most striking symptom of which is pain in the joints. If your child has this complaint, consult your doctor at once and follow his directions.

Saturday Is Dog License Deadline

Saturday, Jan. 30 has been announced as the deadline for all dogs to be equipped with licenses.

According to the Columbus Humane Society, the county auditor's office has agreed to accept applications by mail, because of the bad weather now prevailing. Name and address, a description of the dog, along with the money is all that is needed to make the transaction.

The dog law will be enforced one week after the deadline. This change was made to allow time for mailing the licenses back to the applicants after the set Jan. 20 deadline.

Same prices on licenses hold true this year as in the past, with a male at $1.00, spayed female, $1.00 and a female at $3.00.

It was explained by the Humane Society that the quarentine in various parts of the city which restricts dogs to their owner's premises or house will not relieve dog owners of the burden of a license. They explained that all dogs, no matter where they are kept, are required to wear licenses at all times.

Girl Scouts Give Tea For Dr. Annemarie Schindler

Mrs. Wayne Schultz, Leader of Troop 104, Takes Leave of Absence; 105 Adopts

A tea was given on January 15, at the Maramore in honor of Dr. Annemarie Schindler, a member of the Personnel Division of the National Girl Scout staff of New York.

Dr. Schindler was educated in Germany at the University of Berlin and Gena. She came to the United States in 1937 and spent two years doing settlement work. She joined the Girl Scouts in 1939. She spent two days in the city recruiting personnel executives for Girl Scout work.

Most workers in Girl Scouting volunteer their services, but one tenth of 1% must be professional workers in order to correlate and properly train those who volunteer for Girl Scouting.

There has been an increase of 50% since Pearl Harbor, while the recruitment of executive personnel has fallen short of the growth of the organization.

The requirements for executive workers are: College education or equivalent, experience on a camp staff, resourceful interest in building today's youth. Anyone interested in executive training, call the Girl Scout office, AD. 6381 for an appointment.

Mrs. Faudree Teaches Hat Design At YWCA

Mrs. Albert L. Faudree, 508 Woodbury-av, is showing women how to renovate the old chapeau, with very modish results, Wednesday evenings at the YWCA.

The class in hat design was organized in response to a request of many women who had old hats of which they were very fond—but which, alas, were no longer in their first glory.

A complete job of rejuvenation or a mere re-trim is the order of the day at the YW's class, and Mrs. Faudree is something of a magician in the opinion of her pupils.

Classes are open to the public, so if the neighbors blossom out in the latest Paris modes, it is likely due to the influence of Mrs. Faudree.

When a child complains of recurring pain, it is foolish to ascribe the complaint to "growing pains." Any persistent pain, severe or mild, is cause for concern and the reasons for it must be determined immediately by the family physician. Many children have been handicapped through life because their parents attempted to diagnose symptoms as "growing pains" or as "somthing he'll grow out of" when it was rheumatic fever—the most striking symptom of which is pain in the joints. If your child has this complaint, consult your doctor at once and follow his directions.

Saturday Is Dog License Deadline

Saturday, Jan. 20 has been announced as the deadline for all dogs to be equipped with licenses.

According to the Columbus Humane Society, the county auditor's office has agreed to accept applications by mail, because of the bad weather now prevailing. Name and address, a description of the dog, along with the money is all that is needed to make the transaction.

The dog law will be enforced one week after the deadline. This change was made to allow time for mailing the licenses back to the applicants after the set Jan. 20 deadline.

Same prices on licenses hold true this year as in the past, with a male at $1.00, spayed female, $1.00 and a female at $3.00.

It was explained by the Humane Society that the quarentine in various parts of the city which restricts dogs to their owner's premises or house will not relieve dog owners of the burden of a license. They explained that all dogs, no matter where they are kept, are required to wear licenses at all times.

Girl Scouts Give Tea For Dr. Annemarie Schindler

Mrs. Wayne Schultz, Leader of Troop 104, Takes Leave of Absence; 105 Adopts

A tea was given on January 15, at the Maramore in honor of Dr. Annemarie Schindler, a member of the Personnel Division of the National Girl Scout staff of New York.

Dr. Schindler was educated in Germany at the University of Berlin and Gena. She came to the United States in 1937 and spent two years doing settlement work. She joined the Girl Scouts in 1939. She spent two days in the city recruiting personnel executives for Girl Scout work.

Most workers in Girl Scouting volunteer their services, but one tenth of 1% must be professional workers in order to correlate and properly train those who volunteer for Girl Scouting.

There has been an increase of 50% since Pearl Harbor, while the recruitment of executive personnel has fallen short of the growth of the organization.

The requirements for executive workers are: College education or equivalent, experience on a camp staff, resourceful interest in building today's youth. Anyone interested in executive training, call the Girl Scout office, AD. 6381 for an appointment.

TROOP NO. 104

Mrs. Wayne Schultz, leader of this troop is taking a 3-months' leave of absence from scout work. Her place will be filled by acting leader, Mrs. Albert Weber.

On January 25, Miss Bray will be out with animated cartoons of "Goodbye Mr. Germ," a health topic given in the interest of the girls.

TROOP No. 105

The Scouts of this troop are going to adopt a "Little Sister" from the St. Vincent Orphanage and each month they will send to them a gift which the girls make. They will also remember their 'Little' Sisters on their birthdays by sending birthday cards. They will also be remembered on each holiday with an appropriate holiday card.

TROOP No. 107

The girls had a skating party in December at Rollerland. There were about 15 who attended and a grand time was had by all.

The first meeting of the New Year was held at the regular meeting place and the girls worked on health and safety, which is a requirement for their 2nd Class Badge.

Mrs. Faudree Teaches Hat Design At YWCA

Mrs. Albert L. Faudree, 508 Woodbury-av, is showing women how to renovate the old chapeau, with very modish results, Wednesday evenings at the YWCA.

The class in hat design was organized in response to a request of many women who had old hats of which they were very fond—but which, alas, were no longer in their first glory.

A complete job of rejuvenation or a mere re-trim is the order of the day at the YW's class, and Mrs. Faudree is something of a magician in the opinion of her pupils.

Classes are open to the public, so if the neighbors blossom out in the latest Paris modes, it is likely due to the influence of Mrs. Faudree.

Traffic Mishaps Cause Delays In War Production - - Mercia

Chief of Police Lester W. Merica arrived at his office today in an impatient frame of mind. He had observed on his way to work numerous minor traffic accidents on the streets made extremely slippery by sleet and rain which froze on the pavements. These bumps and collisions had the effect of blocking traffic and delaying other drivers in reaching their destinations. Some drivers held up the procession because they lacked the traction to start after a stop.

"I am sure that many of those delayed in getting to work were employed in essential occupations or war industries," the chief said. "Their tardiness had the inevitable effect of slowing down production for the day. Here was the spectacle of a lot of unthinking drivers — all of them presumably patriotic people—interfering with their country's war effort."

The chief said investigations by the National Safety Council have shown skidding and obscured vision are the chief causes of winter accidents. The obvious remedies," he said, "are to have anti-skid chains available to put on when needed, to keep the windshield wipers and defrosters in good working order, and to have headlights at their maximum efficiency for use when it's showing or foggy. Otherwise leave the car at home until conditions clear—lest you wreck it and hurt someone else.

"But these precautions by themselves do not spell complete safety," Chief Merica said. "The driver can't go whizzing along the same as ever just because there are chains on his tires and his windshield is clear. Chains help a lot to minimize the added hazard of ice but do not permit normal, dry weather driving. The other fellow may have neglected such precautions — a possibility that requires extreme alertness every foot of the way during snow and ice conditions."

He also pointed out that pedestrians have their obligations as well as motorists. The pedestrain, he cautioned, should not walk across the streets blindly, trusting to the motorist to stop. In this kind of weather, according to the chief, it is frequently difficult for drivers to see, or to stop quickly even when they want to. He suggested that drivers cooperate with pedestrians by keeping their speed down when snow is falling or when the atmosphere is foggy.

Vet Returns Home From Two Invasions; Overseas 14 Months

James W. Lewis, MM2/c, son of Mrs. Nell Walters, 296 S. Hague-av, returned home Jan. 3 from 14 months duty overseas. He docked at Seattle, Wash., on Dec. 22 and he said, "No place like the good ole USA." It has been 20 months since Lewis has been home and "nothing will take the place of Columbus."

He entered the Navy in Feb 1943 and went to Service School at Great Lakes, Ill. In Nov 1943, he was shipped out from the west coast direct to the S. Pacific. Lewis participated in the two invasion on Saipan and Peleiu in the Palau Islands, and he stated that the battles were "mighty rugged." While in Palau, he had a very close call, when his ship, the USS Lesuth, was fired on by a Jap P. T. boat and a near miss with a torpedo.

After crossing the equator, Lewis and his other crew members went before King Neptune's court and received the initiation by the Ancient Order of the Deep into the Shell Back Club and passing the 180th Meridian, taken into the Dragon Back Club.

Lewis said, all he saw over there, was "sand and palm trees." The food was "good," mostly fish and mutton. He will report Jan. 31, to classification center, San Francisco, Calif.

Objectors Issue Public Statement

(Continued from Page 1)

but Congress refuses C.P.S. men permission to leave the county.

Conscientious objectors receive no veterans benefits. They receive no preference ratings in civil service examinations. They are not promised their old jobs back at the end of the war but instead are often specifically denied employment. C.O.'s injured and the families of men killed in the line of duty (and a number have lost their lives) receive no compensation whatever.

The Civilian Public Service Unit is in the Columbus State Hospital because an acute labor shortage existed and it is an area of human need. Whenever enough workers are found to replace them the C.O.'s will step aside and go wherever their government sends them.

Conscientious objectors are not cowards but are men who are firmly convinced that world peace can never be attained by starving or blowing to bits many of the common people of the world including women and children but that peace can come only by means which are consistent with the desired end. They believe that war is not a method of defending democracy but that war, while proposing to keep Nazism from the front door, will be the means of allowing it to slip in the rear way and fasten itself upon us. C.O.'s therefore, feel that they too are fighting, but in a different way, to preserve our common American heritage of freedom. Upon this conviction they have staked a great deal. Many C.O.'s are highly skilled and had they been cowards they would have been able to obtain deferments in some highly- paid war job but they have chosen the road which leads to public scorn and to a very uncertain and insecure future.

Conscientious objectors need pay, their dependents need allowances. They would like a guarantee of their old jobs when the war ends, and they are eager to serve in war zones where they can demonstrate their faith. Camp Chase Post of the American Legion has passed resolutions that we be given the same treatment that their sons and daughters get. We have wanted that for a long time and are glad to have the Camp Chase Post champion our cause in this manner.

Mileage Record Necessary for Gas Applications

All operators of passenger cars with basic "A" rations must have mileage rationing records to be eligible to apply for any gasoline rations. Without this important record form, no motorist may be issued a "B" or "C" supplemental ration. it was announced this week by the local ration board.

Information has been received from local War Price and Rationing Boards that many motorists did not understand the use of the record form and lost or destroyed theirs.

In the recent registration of the nations 23,000,000 basic "A" ration holders, each registrant was issued one of these mileage rationing forms. This form replaced the old tire rationing record, on which was kept a list of all gasoline issued to the vehicle.

In cases where a motorist was not issued a mileage rationing record, or it was lost or destroyed, he should apply immediately to his local Board for a duplicate, the board stated.

No suplemental, special or furlough rations for cars with basic "A" rations may be issued to an applicant who does not present his mileage ratoining record with his supplemental gasoline application, according to board officials.

Vol. XXVIII, No. 39 | The Hilltop, Columbus 4, Ohio | Friday, January 26, 1945 | Total No. 1348

The water pressure situation had really become quite a problem to the citizens who make their homes in the Westgate section of town . . . in fact it had gotten to the point that one of the residents was prompted to come forth with the following appeal:

REWARD

Liberal reward for present address of Chick Sales. His expert services needed immediately. City water department please note.

C. F. Jacobson, 310 Derrer-rd
Westgate Addition
(Within the city limits)

And Emma Uncapher was caught with her food supply too high as West High School was dismissed at 9:15 a. m. instead of the scheduled 2:30 p. m. dismissal . . . but the good teachers of the institution came through to help make up for the supply which was made up for 1200 people, and if all their appetites are like some of them, there probably wasn't too much left over.

HOME AFTER SEVENTH

Harry Yank, Fireman 1/c, spent a seven-day furlough with his parents, wife and son, David, at 592 Chestershire-rd, recently.

He and his wife have returned to New York where he will start his eighth trip on convoy duty in the Atlantic.

DELAY ENROUTE

Lt. Clyde Good and wife were visitors on the Hilltop this week . . . they were on their way from a western air base to the Hilltop [illegible] Lt. Good is to pick up a B-29 bomber and its crew . . . he will then begin operational flight training prior to combat service.

GOOD WORK

The current issue of the Columbus Building Trades Journal has hit an all-time high in editorial matter, make-up and all-around general appearance.

This magazine, the official organ of The Columbus Building and Construction Trades Council, goes a long way toward furthering the interests of the building industry to the benefit of builder, buyer and workman, alike.

At a time when magazine publishing has its toughest time, the council is to be complimented on its good work.

GAS RATIO

The difference in the regulations covering military personnel transportation was graphically portrayed by a story which tells of an officer who was required to make a 180-mile trip in line of duty, but was refused the necessary gasoline by the local board.

Upon notifying the transportation officer of the base, he was told to not bother with the board, that a military plane would take him to his destination, return to the base, then pick him up when he was ready to report back.

Yep, that's conservation in a big way.

Broncos Beat Aquinas To Gain Lead

Lose Three Vets By Graduation

The Cowboy basketball squad of West High School this week was riding a victory wave which had carried them to a share in the top rung of the City High League ladder.

The Glass-coached quintet was moving along at a .500 rate when they routed East, then moved into the top spot by knocking off a favored Aquinas five, 26-25 last Friday on the enemies' court.

Led by Jim Remington and Dick Layne, who scored 11 and eight points respectively, the Buckaroos overcame a last quarter Aquinas lead to forge ahead in the final eight minutes of play.

Layne Hits

With the Irish leading 24-13 at the start of the last quarter, Dick Layne hit the basket with four fielders and, aided by free throws by Haines, Remington and Buchanan, brought the score to 25-24 in the Terriers favor. Then Remington came through with two points in the final seconds, and West was in a three-way tie with North and Aquinas for the league lead.

Now, Coach Rufus Glass faces the problem of replacing three of his regular starters who were to have played their last game against Linden-McKinley last night. Donn Haines and Harold Buchanan, two of the best guards in the city, and Dick Layne, lanky center, are out of the picture because they now have finished their high school education with the end of the semester.

Possible Starters

Jim Buckingham and Bill Williams of the varsity, and Dick Slager from the reserve squad, were indicated as possible replacement material by Coach Glass. In event of these boys being selected to fill out the starting assignments, Jim Remington will probably move into the center slot.

Another possiblity is the use of Dick Ison or Bob Fette for Layne's center position, which should go a long way toward solving the problem.

Next Friday night will see the Cowboys traveling to Central High School to start second semester play. The Pirates were beaten last time the two squads tangled, but figure to be an improved team this time.

S/Sgt. Richard B. Lowry, 24, son of John B. Lowry, 383 Midland-av, suffered concussion from a shell burst in the fighting near Metz on Nov. 8. He is recuperating in a hospital in France. He was with the famous 80th Infantry Division, the "Blue Ridge" division, of Gen. Patton's Third Army in its historic sweep across France.

Sgt. Lowry was captured by the Germans near Metz and held for three hours. At that time the Allies started a terrific artillery bombardment and the Germans and their prisoners ran for cover. Lowry was successful in reaching his own lines.

He was awarded the Purple Heart and had previously received an oak leaf cluster and the combat infantryman's medal.

Lowry attended Aquinas and West High School. He went overseas in July of last year.

Three Injured In Crashes

Three Hilltoppers were injured in auto accidents over the week end as snow and ice continued to make driving hazardous.

Charles Beck, 52, of 502 N. Eureka-av, suffered head injuries early Monday when his car struck a utility pole in the 500 block of W. Goodale-st. He was taken to White Cross Hospital.

When two cars collided in the 1600 block of W. Broad-st Sunday, Mr. and Mrs. O. J. Best were injured and received treatment at Mt. Carmel Hospital along with two other occupants of their car, Mrs. W. D. Shelley and Mrs. Gordon Sherrick, Lima.

Sgt. Bieber is a radio gunner on a B-24 bomber. He graduated from West High School in 1941 and entered the service on March 17, 1943 and left the states in June, 1944. Bieber landed in N. Africa. Afterwards he was sent to England and then to France where he is now stationed.

Quite frequently Bieber visits Paris. While overseas, Sgt. Bieber was promoted from staff sergeant to the grade of technical sergeant.

RECEIVES COURT AWARD

Dr. Lester Moore, dentist, of 228 N. Hague-av, this week received $2700 from the Franklin County Court of Common Pleas' decision growing out of his suit against Dr. Walter E. Duffee, OSU team physician.

Served In Three Major Engagements; Home On Furlough

S/Sgt. Jack W. Worrel is home on furlough which he is spending with his parents, Mr. and Mrs. Jean Worrel, 98 N. Westmoor-av. He is a tail gunner on a B--24 bomber and has completed 40 missions with 501 combat hours.

Prior to his entering the service, he was employed by the National Biscuit Co. He will return Feb. 11 to California for reassignment.

Mileage Record Is Needed By Board

The mileage rationing record for the old family bus is an essential item for the service man when he goes to the Rationing Board for a special allotment of gasoline for driving while home on furlough.

Many service men forget this when they make application, officials report. The mileage history of the car must be presented before the gasoline coupons can be issued.

Veteran Marine Is Home After 25 Months In Pacific

Meets Lt. Kern In Saipan Invasion

A late Christmas celebration was held at the home of Dewey Stout, 90 N. Wayne-av, this year . . . the reason was the return of a son who had been overseas for 25 months.

Pfc. Verl Sout, a veteran of Guadalcanal, Tarawa, Saipan, Tinian and various other invasions, was due home for Christmas, but he couldn't make it until Sunday morning of January 13.

Present for Sister

Waiting at home for him, besides his mother and father, was a sister, Anita Mae, age nine, and a Cocker Spaniel called "Inky." Anita Mae, who had been promised a present by the big brother, was counting the days until he showed up. And when he finally made it, she was mighty proud of the grass skirt from Hawaii. Her classmates at Highland Avenue all got a good look at this present and the Japanese watch her brother also brought her.

"Inky" showed his appreciation for the return of the veteran of the Tenth Marines. He slept by his buddy's bed for several nights, not willing to let him get away for any length of time.

Pfc. Verl Stout

Two-War Money Belt

But the happiest of all was Mr. and Mrs. Dewey Stout who had sweated out every invasion of a Pacific Island, fearing that their son was in that one, and he didn't miss very many, either.

Rome Citizens Seek Sewer Extension

Citizens of New Rome were investigating the possibilities this week of being able to get an extension of the sanitary sewer that will run out to the General Motors plant, expected to be constructed on the Judge Edward Turner farm after the war.

Grover C. Clements, sanitary engineer, pointed out that the project would be feasible since there is a 100-foot fall in the 1.5 miles between New Rome and the proposed factory. County commissioners were not in a position to act on the matter pending right-of-way approvals from a majority of residents along the proposed line.

Carlus Bilbrey Is Stricken At Work

Stricken while at work Tuesday of last week, Carlus Bilbrey, 48, of 464 Hilltonia-av, died in University Hospital on Friday. He was a construction foreman for the Ohio Bell Telephone Co. where he had been employed for 25 years.

Funeral services were held Monday afternoon with burial in Sunset Cemetery. He was a member of Morgan Memorial Methodist Church. His wife, Mrs. Emma Bilbrey, survives.

"Brownout" To Start Here On February 1

Hilltop theatre marquees, store windows, and over-street lighted signs of all types will be darkened beginning Feb. 1 in compliance with a nation-wide "brownout" aimed to conserve the supply of electrical energy. The Hilltop Honor Roll will also join the program of fuel conservation by being turned out at nights.

Government officials point out that by conserving the use of electricity thousands of tons of coal used to generate the current can be saved each month.

FIREMAN INJURED

City Fireman Howard Johnston, 274 S. Burgess-av, of No. 8 Co., No. 16 Engine House, was treated by emergency squadmen for hand cuts while he was attempting to extinguish a fire at a Scott-st residence.

Raether Is Hit By Two Cars On Broad

Hit-skip Driver Is Sought; Earl Lanning In Hospital After Being Hit

Struck by tow different cars as he was crossing W. Broad-st in front of Seiller's Store Tuesday evening, Fred Raether, owner of the Economy Variety Store, 2402 W. Broad-st, is suffering from a skull fracture, face lacerations and bruises. A patient at Mt. Carmel Hospital, his condition at noon Thursday was reported "fair."

Fred Raether

The traffic bureau reported that a complete investigation was being made toward apprehending the hit-skip driver who first struck Mr. Raether.

The accident occured about 6:15 o'clock when Mr. Raether was walking south across the thoroughfare accompained by his sister, Miss Mamie Raether. Police said he was struck by a westbound car which failed to stop and was thrown in front of a car driven east by Karl Swisher, 5 S. Highland-av.

An emergency squad took him to the hospital. Dr. H. D. Wright, the attending physician, said Mr. Raether's condition was satisfactory in view of the seriousness of the accident but pointed out that a crisis might not be reached until Saturday or Sunday.

Mr. Raether lives at 203 S. Huron-av.

Boy Is Struck

Earl Lanning, 7, son of Mr. and Mrs. Elijah Lanning, of 870 Clarendon-av was in Children's Hospital Thursday with a fracture of the right leg and a possible skull fracture after being struck by an automobile Wednesday afternoon.

The car, driven by William O'Brien, of 560 Clark-av, struck young Lanning at the intersection of Sullivant-av and Clarendon as he carried a jug of kerosene.

The boy was taken to Mt. Carmel Hospital, and later on to Children's Hospital.

SCOUTS AND SCOUTERS VISITED CAMP LAZARUS

Southwest District Is Well Represented At Winter Camp

Over the week end of January 13 and 14 the Southwest District Boy Scouts and leaders enjoyed experiences of winter camping at Camp Lazarus. Eagle Scout Jack Bohanan of Troop 45 reported on activities as follows:

"Hikes were taken before and after supper. At nine o'clock the troops all assembled in the Exchange Lodge where each troop put on stunts and skits, then all joined in singing songs. Ken Dickerson and other leaders took all who cared to go on a "wolf hunt" over the reservation. Before it was over everyone was howling except the wolf.

"Everyone was up the next morning by seven, had breakfast, and then enjoyed snow-fights, hikes, and games, to such an extent that everyone was famished by the time the dinner bell rang. How the old and young boys did enjoy that dinner of simple fare! We were all sorry when it was time to return to normal living but had visions of other pleasant trips."

It was noted that 92 boys represented the following troops with their leaders: Troop 161—H. Coontz, T. Webb, P. Campbell; Troop 33—C. Klein, K. Fry, B. Warrner, H. Miller, H. Heinzelman, and J. Lorenz; Troop 49—H. C. Omohundro, W. Williams; Troop 162—A. Coleman, W. Biggers; Troop 204—R. Epley; Troop 161 — K. Dickerson, C. Snoke, R. Roller, J. Ealy, L. Peoples; Neighborhood Commissioners — H. Davis, and Lou Maish, and Southwest Field Scout Executive G. S. Bolin.

Legion Troop

Twenty-five troop members, three visitors and five adults made up the party of 33 representing Troop 161 in the Southwest District Camporee which attracted nearly 100 scouts and scouters from the 20 troops in the district.

With the woods deeply mantled in snow, the boys gathered firewood and prepared all meals out of doors. Other features included an indoor "campfire" session in the Exchange Lodge, and a midnight wolf hunt by members of the troop which took them over the entire reservation including the pine tree forest.

Those participating included Don Amspoker, Albert Ballenger, Bob Cunningham, Richard Cormany, Ken Dickerson, Irvin Denune, Donald Davis, Jim Ealy, Norman Ealy, Don Eitle, Don Eisele, Jim Gardner, Louis Huff, Tommy Heyl, Roger Horn, Tom Kent, Ralph McKinney, Don McVey, Gail Mirise, Richard Mirise, Leo Peoples, Robert Ryderm, Robert Snoke, Daryle Snelling and Paul Thompson.

Three visitors included Tim Wise of Troop 79, and Bradley

Dog Owners Are Warned Of Rabies

The seriousness of the epidemic of rabies among dogs in the city and surrounding areas was pointed out this week by city health authorities. Five cases of rabid dogs were reported from Jan. 12 to Jan. 19.

In a letter to the Hilltop Record, Dr. E. C. O'Dell, chief veterinarian in the city health department, pointed out that all of these cases could have been prevented had dog owners complied with an order that all dogs should be quarantined.

Meanwhile at least one Hilltopper has been receiving treatments to counteract the effects of a dog bite. Gilbert Owens, 489 Whitethorne-av, was one of six persons bitten Saturday when a stray dog entered the Columbus Bolt Works where Owens is employed.

No less than 18 rabied animals have been reported by health authorities since late in October. A dog belonging to H. Deaton, of 806 Wiltshire-rd, died in an animal hospital several days ago after it had been taken there for observation seven days before its death. It is unlikely that this dog contacted any persons or animals before it was hospitalized.

Neil Ross In Hospital After Duty At Sea

S 2/c Neil Ross, son of Mr. and Mrs. H. G. Ross, 376 S. Powell-av, is confined to a Naval Hospital at Corona, Calif., after several months in the South Pacific.

Early in November he saw action aboard the USS Maysville, later being transferred to the tanker, USS Gillmore, and then to a second tanker, the USS Bridgeport. He took part in the invasion of two small islands south of the Philippines which are now being used as PT Boat bases.

Ross also visited Australia, the Solomon Islands and New Britain.

He enlisted in the Navy following his graduation from West High School last June. He was a member of the sports staff of the Ohio State Journal while still attending school.

THEFT REPORTED

Two of man's most valued possessions, cigarets and ration books, were stolen from the auto of Raymond Lett, 366 S. Hague-av, when it was parked on E. Broad-st last week.

FINED IN TRAFFIC COURT

Phillip Hammond, 40, of 130 Belvidere-av, was fined $30 and costs in traffic court last week.

West High Closed Because Of City Water Shortage

The end of the term for local schools probably averted an enforced holiday this week as an acute water shortage developed throughout the city. West High School was forced to dismiss classes at 9:15 Wednesday morning, a half day earlier than planned. Low water pressure prevented firing all three of the school's boilers so that the building could not be adequately heated.

Graduation exercices were carried out according to schedule with 71 seniors receiving their diplomas Wednesday night. The same afternoon 141 West Junior High pupils were graduated to senior high school. By firing only one of the boilers the auditorium and administrative offices could be kept at a comfortable temperature for the commencement ceremonies.

Hilltop grade and high schools will be closed until Monday. Several factories, including Curtiss-Wright, were forced to close Wednesday as water pressure in many sections of the city dropped to almost zero.

Elementary schools were able to remain open until noon on Wednesday when the between-term holiday went into effect. St. Mary Magdalene School was not affected by the water shortage up until noon on Thursday. At St. Aloysius School they planned to remain open all day Thursday, if water pressures permitted, but expected to be closed today in order to conserve the water supply.

One For Ripley

FAIRBURY, ILL.—It took more than fire and water to stop this radio. When firemen arrived at the blazing American Legion Post here, one night recently, they could hear a radio playing through the roar of the flames. It had been left turned on by the member who tossed a lighted cigarette into the waste basket as he left the room hurriedly an hour earlier. Firemen extinguished the fire by flooding the room with water and chemicals, but the Zenith played merrily on.

When one of them tried to turn it off he found that the switch had been fused to the tuning knob by the terrific heat. The only way they could stop the radio was to pull the cord from the light socket.

Trailerized Army

U. S. Signal Corps Photo

One of the great advantages of trailer transportation is the fact that the trailer unit can be spotted while the tractor goes about other duties. The trailer does not have to be unloaded in order to free the trucks for other work.

Full advantage is taken of this situation by the Army in this war. Shown here, for example, is a mobile anti-aircraft gun mounted on a trailer. It has been spotted in position while the tractor has gone about other duties. Thus, the shuttle system of transportation so often featured by Fruehauf and other trailer manufacturers for commercial use, has found an important parallel in war-time.

Haney told police he was robbed as he drove into his garage in the early evening by two men who ordered him to hand over a steel box containing the money. The men took the box and escaped through an alley.

Patients Should Have Ethics, Too

★ A physician is a busy man. Day and night he is ready to give succor to those in need of his care. Let us be fair. Do not telephone him at mealtimes just because you know he can be reached. And do not call him at night, unless absolutely necessary. Confine your calls to his office hours as much as you can. That is what office hours are for.

Keep your appointments promptly, or notify him in advance that it is impossible for you to do so. In short, treat him as you would wish to be treated were you the physician. A sympathetic appreciation of his problems greatly enhances the help he can give.

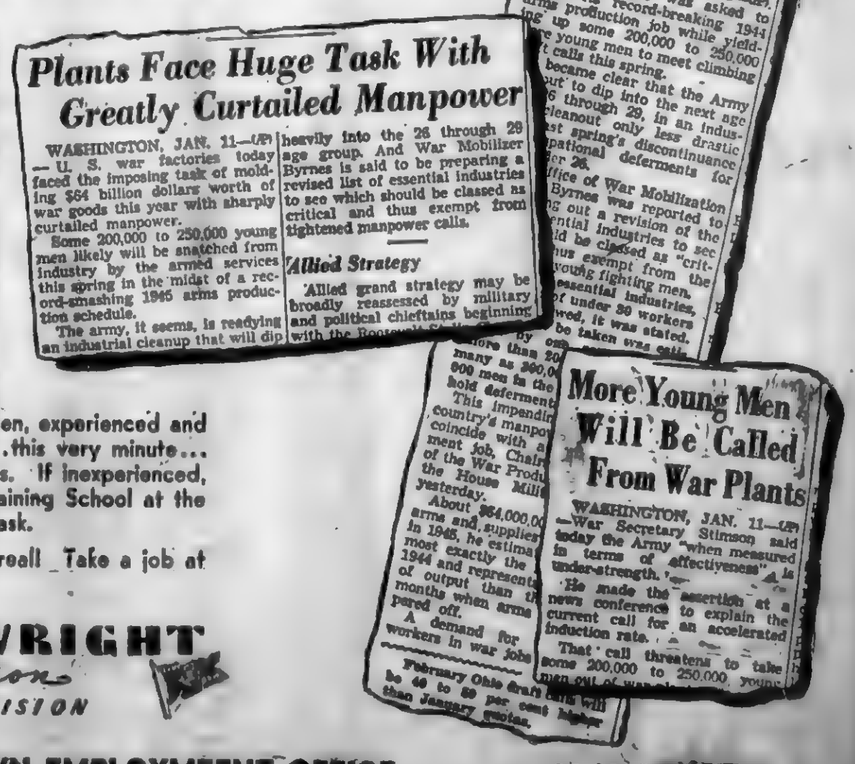
Question: WHY SHOULD I COME TO WORK AT CURTISS-WRIGHT?
Answer: READ THESE---



With demand for Curtiss Helldiver dive bombers increasing, with more draft calls sure to cut down available manpower, you are urgently needed to step into the breach and take a vital war job at Curtiss-Wright.

The tempo of our attack in the Pacific grows more furious by the hour. That means more Helldivers —"the fist of the fleet" — must reach U. S. naval fliers.

Make this fight for victory, peace and the early return of our fighting men YOUR fight. Men and women, experienced and inexperienced, are needed now...this very minute... to speed production of Helldivers. If inexperienced, a few weeks (with pay) in the Training School at the plant will fit you for an important task.

Head this appeal...the need is real! Take a job at Curtiss-Wright!

Factories Asked To Repeat 1944's Record Production
WASHINGTON, JAN. 11—(AP)—Industry today was asked to repeat its record-breaking 1944 arms production job while yielding up some 200,000 to 250,000 more young men to meet climbing draft calls this spring.
It became clear that the Army must put to dip into the next age group, 26 through 29, in an industry cleanout only less drastic than last spring's discontinuance of occupational deferments for men 26.
Plants Face Huge Task With Greatly Curtailed Manpower
WASHINGTON, JAN. 11—(AP)—U. S. war factories today faced the imposing task of molding $64 billion dollars worth of war goods this year with sharply curtailed manpower.
Some 200,000 to 250,000 young men likely will be snatched from industry by the armed services this spring in the midst of a record-smashing 1945 arms production schedule.
The army, it seems, is readying an industrial cleanup that will dip heavily into the 26 through 29 age group. And War Mobilizer Byrnes is said to be preparing a revised list of essential industries to see which should be classed as critical and thus exempt from tightened manpower calls.
Allied Strategy
Allied grand strategy may be broadly reassessed by military and political chieftains beginning with the
More Young Men Will Be Called From War Plants
WASHINGTON, JAN. 11—(AP)—War Secretary Stimson said today the Army "when measured in terms of effectiveness" is under-strength.
He made the assertion at a news conference to explain the current call for an accelerated induction rate.
That call threatens to take some 200,000 to 250,000 young men out of war
February Ohio draft calls will be 40 to 50 per cent higher than January quotas.

"March of Dimes" Is On

Fighting Infantile Paralysis is a home-front obligation which has the "March of Dimes" campaign as its most vital and potent weapon. When the second greatest polio epidemic in history swept our nation in 1944 and afflicted 19,000 unsuspecting victims, the National Foundation for Infantile Paralysis was prepared for this emergency. It was prepared because for the past eleven years, the American people had annually given their dimes and dollars to aid the men, women and children brought down on their backs by the dreaded "Crippler."

Fight INFANTILE PARALYSIS — JOIN the MARCH of DIMES — JANUARY 14-31

Franklin County alone had 33 polio cases and can proudly report that many are already back on their feet, in school and at work again, because the local chapter of the National Foundation was there prepared to help. In addition to the expensive hospitalization which each case demanded, an adult iron lung and a hot pack machine for use in the "Kenny Method" were purchased during this past year to combat infantile paralysis and help rehabilitate the victims.

According to Tom A. Sabrey, campaign director for Franklin County, "The unprecedented financial demands on our chapter funds during the past year's epidemic have left us without resources to meet the continuing needs already upon us in 1945. It is therefore most urgent and necessary to mark this Fund-Appeal "Desperate" when talking to the residents of Franklin County. The manpower and womanpower shortage makes it impossible for each person to be individually contacted for a contribution, consequently Hilltop residents are being counted on to mail dimes and dollars to the Franklin County Chapter of the National Foundation for Infantile Paralysis, 1100 Beggs Bldg., Columbus.

THE BROAD HIGHWAY

I am speaking today of the broad highway
Where multiplied millions have trod,
Those traveling today the self same way
Marching forward to God.
Laborers in the ditch the independent rich
Those who work while others play,
Great men of fame the poor blind and lame,
Traveling today on the broad highway.

The King on his throne helpless if alone
Divested of his power and health,
The poor who moan their Temple overthrown
Eventually equal in wealth.
If wealth we command own sections of land
(Only a vain temporary display)
Pomp, riches, style, we'll discard afterwhile,
Some day on the broad highway.

Panel Assistants Lauded For Work

At a meeting held on January 17, 34 price panel assistants were thanked by Russell Carter, chairman of the price panel of Ration Board No. 10, for the splendid job they have done during the past year in checking various places of business as to whether they were in conformity with current OPA price ceilings. Mr. Carter pointed out that during the past year 1272 surveys and rechecks were made out of the 118 grocery stores covered by Ration Baord No. 10.

Fifty-six conferences were held with grocers in regard to alleged overcharges. Only 176 surveys and rechecks were made of the 87 restaurants under the jurisdiction of the board. Twenty conferences were held with restaurant operators. Twenty-seven surveys were made of the 27 drug stores doing business on the West Side. Sixty-six surveys and rechecks were made of the 62 automotive repair shops. Twenty-two surveys were made of the laundries and dry cleaning establishments. Eight hardware store surveys were made.

Mr. Carter stated that a total of $370.96 was collected in overcharge refunds. However, he declared the board was not particularly interested in penalizing merchants, but in securing voluntary compliance with price ceilings. Citing an example of how valuable surveys and checks of food stores made by the price panel assistants were to the community, Mr. Carter asserted that a one cent violation on one pound of butter sold in 118 grocery stores on the West Side amounts to a violation of $885.00 in a thirty day period.

Also present at the meeting in addition to Mr. Carter were the following price panel board members: James Griffin, Charles Althen, Carl Looker and Harry Shaw. The following representatives of the District O. P. A. office were present: Harry Wall, board operations executive; Henry L. Richardson, price liaison officer and Hobart Munsell, board operation officer.

The following price panel assistants are checkers for the West Side Board: James Mayhew, Paul Churry, Lewis Egelhoff, Eric Blesch, Harry Louderback, Russell Kephart, Frank Westall, George Fox, Charles Moore, Edward Vrooman, Richard Lloyd, Ed Willbarger, W. R. Dailey, Otto Eisennecher, Robert Souslin, W. J. Kunheim, O. O. Yantes, Carl Kuntz, Ed Hilker, Frank O'Meara, W. J. '44 Grid Season Profits Zoom To Grand Total; Adds $3873 To Funds

The 1944 football season, besides providing entertainment for the spectators, as well as the team, was very profitable to the school.

The total gate share, which was $1410.66, almost equaled that of the student ticket total, $1421.72, H. L. Zulauf, treasurer, announced recently. These sums show that outside the school there were many people who were interested in supporting the '44 team.

Out of town games brought $493.51, to help the grand total of $3873.85, which will go to the athletic fund.

The complete tabulation of the games, as released by Mr. Zulauf, is as follows:

Roudebush Reappointed Columbus School Head

George E. Roudebush, superintendent of Columbus public schools since 1937, recently was re-appointed to that position for another five years.

Mr. Roudebush's new contract, effective Aug. 1, is for his present salary of $11,000 a year.

He came to Columbus from Youngstown in 1937 on a five-year contract, succeeding the late J. G. Collicott. In May of 1942 his contract was renewed for three years.

Mr. Roudebush, who is 52, served as assistant city superintendent here from 1927 to 1931, going to Youngstown in the fall of 1931. Prior to that he was superintendent of Grandview Heights schools from 1924-27. He and Mrs. Roudebush live at 182 W. Royal Forest-blvd.

Columbus public schools ended the year 1944 with an operating deficit of $42,499.26 in the general fund, according to a report submitted by Mr. Drake on receipts and disbursements for the fiscal year. Most of the deficit is accounted for in the cost-of-salary adjustments given all school employes this past year. It will be returned when the Columbus school district receives its share of the new tax collections.

Members of the troop are planning a special program set for Wednesday evening, Jan. 31, at which they will entertain their fathers. The scouts will present a series of demonstrations, stunts, and outdoor movies for their dad's benefit, and will cook and serve food to them which must be eaten from their mess kits.

Cecil Cope, scoutmaster, announces an investiture service in full regalia will be held at Legion headquarters on Wednesday evening, Feb. 14, as a feature of National Scout Week. A program of special interest is planned and families of the scout members and Legion members and their wives will be invited to the cermony. — Letters — To the Editor

In your Jan. 19 issue you carry an article in regards to the Civilian Public Service or C. O.'s. I would like to say a few words—in the first place the story is very contradictory—second—how many of our boys in service put in a mere 12 hours per day on the battle front? Third—do any of our fighting men get five days off per month? Our fighting men are working 720 hours per month cause that's all there are and are making fractionally over .06 per hour while our C. O.'s put in 300 hours and receive .05 per hour. Even at such a rate I feel they are grossly overpaid and brother believe you me, I'm not the only one who feels that way.

I had better sign off cause the longer I go the hotter I get and this paper is inflammable (I could go on for hours).

Yours for more and better MEN in this country.

P. S. Your 'headline of the week" also makes my blood boil.

Ed's Note:

The Record is glad to print your letter. We were glad to do the same for the C. O.'s. We ask you to read the story again. The Record made NO contradictions. Views expressed in last week's paper were those of the C. O.'s. They have a right to their opinions—you to yours.

I have just read, with a great deal of interest, the remarks made by the C. O.'s, as they call themselves, and I note the omission of the one thing, that many of us who have fought America's wars want to hear most from them. Just what is their real objection to bearing arms in defense of their own nation in time of war.

Oh sure, I know in a general way that they claim it is because of their religious belief, but that belief does not square with the teachings of the majority of all other religious teachers.

As to them comparing their lot with that of the soldier, who actually fights this nation's wars, all I can say to them is that they have case, for there is no comparison and they have no justified right to expect the same treatment, either for themselves, or for their families, that is accorded to the fighting men and women of this nation, neither does any other group of people in this nation.

Irrespective of the fact that the man in the White House saw fit to remark: "The mere fact that a man wore the uniform, does not entitle him to any consideration, not accorded to any other citizen," for that remark does not square with history of this nation.

The person who wore the uniform, in time of war, "IS" entitled to every consideration, under the laws of this land and if you will read these laws, will find that many considerations have been granted the wearer of the uniform, over and above that of the common civilian.

I find that many ministers of the gospel believe that when a man becomes the head of a government, he is considered by them and by their religious followers, "the Servant of God" and his supervision of the affairs of that nation is to be respected by all Christian people of that nation.

That when he orders that people to take up arms, as we were ordered to do so, by the draft act, these soldiers, sailors, marines, air force, etc., becomes the instruments of God to deal out his wrath on the people of a nation who has sinned against God and in many cases have denied God a place in that nation.

Just how the C. O. can square his own behaviour, with that of all other Christian belief, I do not claim to know, but to-date, I have never been convinced of their own religious sincerity concerning war, for my own bible is full of cases where the Children of God took up arms in defense of some nation, all down through the ages. NO, I do not believe in war, but our bible tells us, "There shall be wars and rumors of wars, without-end."

THE OLD SARGE

Carelessness Caused Most Fires During 1944, Bureau Reports

By Capt. John E. Jordan

An analysis of the fires that occurred in 1944 indicates that carelessness continues to be the chief cause of the fires that occur in Columbus homes. In spite of all the weekly articles on fire prevention that have appeared in this, and other neighborhood papers, and in spite of weekly fire prevention programs on two local radio stations, Columbus citizens persist in maintaining in their homes—fire hazards that border on plain foolishness.

Everyone knows better than to put hot ashes in paper boxes and baskets; they know better than to throw lighted matches and cigarettes in burnable material; they know better than to use naptha or gasoline for home dry cleaning; they know the danger of allowing children to play with matches; they know better than to use heating devices that are defective and they know better than to place burnable material too close to the stove or furnace; but, never-the-less, these above mentioned causes were responsible for the majority of the 1324 home fires that occured in Columbus last year.

The fire department was called to answer 160 alarms for smoke scares where no actual fire existed. The condition was caused by flues and smoke pipes being clogged with soot causing the smoke to pass out through the furnace door.

The greatest number of home fires were caused by careless smokers who were responsible for 120 fires during the year. Defective furnaces caused 84 fires. Other defects in heating systems caused 176 fire runs.

Four oil stoves exploded causing serious damage to as many homes, and seven ovens exploded when persons attempted to light oven filled with accumulated gas. Forty fire runs were made in response to alarms where defective gas stoves permitted gas to escape and become ignited.

Ashes in baskets and paper boxes caused 39 fires — several quite serious. Children playing with maches were the cause of 156 Columbus fires—58 in private homes.

Accumulated rubbish was involved in 32 basement fires. Housewives using gasoline and naptha for home dry cleaning suffered nine fires in which serious burns occured. Electrical defects combined with the use of improper fuses started fires in 77 homes. Most of these fires could have been avoided by the use of 15 ampere fuses.

The city was fortunate in having only one school fire during the year. Three fires occured in hospitals and 21 in hotels. Most factory fires were caused by mechanical defects, some fires were caused by careless employes, but close factory supervision holds fires of this nature to a minimum.

The per capita fire loss was well under that of the previous year and Columbus will probably continue to enjoy the lowest per capita loss of the six major Ohio cities.

Fire Chief E. P. Welch gives credit for the low fire loss to the inspection work of the fire prevention bureau and the efficient job of extinguishment done by the fire fighting forces. He said that the practice of calling out "second alarm" companies at the first indication of serious fires has been an important factor in keeping fires under control. Many of the "second alarm" calls were precautionary measures and the companies were not used, but they were on hand, he said, in case they were needed.

Veteran Marine—

(Continued from Page 1)

his many travels in the tropical Pacific, still had with him a money belt which his dad, a veteran of the Rainbow Division in the last war, had used. Stout had carried this through his many campaigns in this war, but said he hadn't used it very much as he was sending most of his money home. "I only spent $5 in three months," he explained.

Meets Hilltopper

Verl tells of meeting Lt. John Kern, whose wife lives at 632 S. Eureka-av, on Saipan. He had previously met him on the rifle range at Parris Island, S. C. "It was a pleasure meeting someone from the Hilltop and we certainly enjoyed going over old copies of the Record that I had with me," Stout told a Record reporter. He had his subscription to the paper turned over to Kern, explaining that he would get more good out of it on Saipan that he would in New Jersey, where he reports on Feb. 15th to a Marine base at Earle.

Stout also told of hearing from Tom Scoles, an old pre-war buddy, who was in a convoy lying off Saipan while the Marine was slugging it out with the Japs on land.

Share in "Siwash"

A member of the division which had adopted a New Zealand duck called "Siwash" as a mascot, Stout tells of the antics of the duck which went ashore with them at Tarawa and engaged in a battle with a Japanese rooster on that island. "Siwash" has become quite a character since returning to the states and is now considered a famous individual.

When asked what he wanted most when he hit the States, Stout said "Milk, butter, green vegetables, and sleep—mostly sleep—and that he is getting now."

Garrett Brothers Become Veterans Of Naval Service

Provide Parents With Souvenirs Of Widely Separated Points Of Interest

Bob Garrett

Bill Garrett

Robert Garrett, a gunner's mate in the Armed Guard, son of Mrs. W. F. Golden, 69 Demorest-rd, formerly of 131 S. Eureka-av enlisted in the service in April, 1942 and took his basic training at Great Lakes, Ill.

In June, he left the Armed Guard Center at New York, and his ship the S. S. John C. Spencer left in a small convoy for Norfolk, Va., and the following day left for destination unknown. In December of 1943, Garrett spent his Christmas dinner in England.

Places of Interest

A few of the many places Garrett has been are S. America, N. Africa, England, Scotland, Sicily, Italy, France, East Indies, Egypt, Palestine, Portugal and Australia. In his letters, to home, Bob states, "he has been about everywhere."

Sent Home Souvenirs

His parents received numerous souvenirs which Bob had collected from different ports where he had visited. Among these are, a silver bracelet which was very artistically engraved and a hand sewed quilt from Iran; a Chinese hand-carved alligator; leather cover for foot-stool with a woven design; leather alligator pocketbook and cigarette case from Egypt; a collection of foreign coins from each port and also match folders from all over the world, and other trinkets from various places, where he had visited.

Garrett has been overseas since Labor Day of 1943 when he received a leave home for the holidays which he spent with his parents.

Brother Home From Overseas

Bill Garrett, his brother entered the service in July, 1944 and was in training for two and one-half months and was then sent overseas. He landed in England with his ship the E. B. Alexandria and made a return trip to New York. Bill was shipped out again and this time went direct to Scotland and Wales.

The Merchant Marine returned home from overseas the week of Thanksgiving and spent his time with his parents, Mr. and Mrs. W. F. Golden and also stayed here over the Christmas holidays.

Bill will return shortly to New York for re-assignment on another ship.

Mr. Golden of 69 Demorest-rd served as a seaman in the Navy in World War I.

Marine Receives Promotion Overseas

Mr. and Mrs. G. D. Bishop, 48 N. Roys-av, receievd word Tuesday, that their son, Donald L. Bishop, 22, was recently promoted from staff sergeant to technical sergeant. He enlisted in the Marine Corps on Jan. 7, 1942 and took his basic training at Parris Island, S. C.

Sgt. Bishop went overseas in October, 1942 and served on Guadalcanal and on Munda. He was there 16 months and returned to the States for a year, as an instructor at Cherry Point, N. C. Sgt. Bishop left for the second time overseas in October, 1944 and was stationed in the Hawaiian Islands for a short time and from there, he was sent to the Mariana Islands, where he is presently stationed, as an airplane mechanic on a fighter plane.

In his letters home, Bishop said his food consists mainly of "chicken and ice cream." The food is "good" but not like his mother's "home-cooking."

Sgt. Bishop was graduated from West High School and a popular football star in 1939 and 1940.

Christmas Eve . . . A La France

Following is an excerpt from a letter received by Mrs. Harold F. Capretta, 370 Whitethorne-av, from her husband, Sgt. Harold F. Capretta, who is a Mortar Gunner with the Armored Infantry, Seventh Army in France.

"It is Christmas Eve and we are here for a few days rest. We are staying in home French Barracks which we have taken from the Germans. The Room we have in the cellar is about four feet high at one end and seven feet at the other. However, it is much better than foxholes.

"One of the fellows in the squad acquired a Christmas tree and we did our best to fix it up. It is a six-foot European pine and this is how we trimmed it:

"One beat up, kicked around, dragged out, stepped on doughnut, three packages of off brand, muddy, mashed up, wet cigarettes, 20-feet of wadded up muddy anti-radar tinfoil strips, six beautiful most welcome American Christmas cards, one roll of G. I. sterile compressed cotton, four assorted flavor life-saver wrappers, a number of decorative ornaments cut from colorful German maps, one dozen tinfoil wrappers from sticks of chewing gum and last but not least—one glorious American beer bottle, "empty."

Cpl. Richard Gilger Sets Record In Aircraft Maintenance

Cpl. Richard Gilger, 576 S. Roys-av, has wound up 1944 by setting a world production record at an Air Service Command depot in England.

Working around-the-clock speed to keep combat planes in action over Europe, he and his fellow soldier mechanics in a single hangar here completed pre-combat modifications on their one thousandth plane.

Before D-Day the men worked for months without a day off, and are still maintaining a night-and-day schedule readying fighters and bombers for battle.

He is the son of Mr. and Mrs. Adam H. Gilger, of 576 S. Roys-av.

Cpl. Gilger, who is an aircraft engine mechanic, attended West High.

He served on Tinian and was injured on Saipan. Thornton was sent to Pearl Harbor where he was hospitalized, a month before he returned to the states. He came home on Jan. 19 and left the following Sunday for Great Lakes Naval Hospital.

Pvt. Thornton received the Presidential Citation for his action on Saipan. He graduated from West High School being very athletic in baseball and basketball.

Prior to his entry into the service he had part ownership of the Corner Cafe at Warren and Sullivant-avs. He has two sons, Robert, 3, and Jimmy 2 years old.

Nolan, Spears Meet At Indian Base

A letter from Don Nolan, postmarked, Agra, India, tells of his chance meeting of Lt. Jerry Spears over on the other side of the world. The two met just as Lt. Spears was about to take off for a flight across "the hump."

The two Hilltoppers had only a few minutes together to recall familiar scenes back home but promised to continue the conversation when they both come back to the states.

Vol. XXVIII, No. 40 | The Hilltop, Columbus 4, Ohio, Friday, February 2, 1945 | Total No. 1348

When Mr. Groundhog comes out of his hole today the sight of his shadow will undoubtedly be the least of his worries . .

The local version of the hibernating critter will have his coming out in a city which has nothing but shortages . . . the first thing he will want is food, but alas, all of his carefull saved points have been cancelled, thus he is out of luck there . .

Which will bring on a desire to fill his stomach with water, and again he is disappointed, even being told not to take a bath . . . so he will figure on sitting down and smoking a cigarette while he thinks things over, but oh brother . . . So, next he decides to at least get warm while he trys to acquire the necessities of life, but he can't find a good warm place in the entire town and is driven off the main streets by skidding automobiles and takes to the alleys where he runs into piles of garbage and trash which is not to the clean animal's liking . . .

Then, in order to fortify himself against these changed conditions he will go in search of a bottle of spirits and, after he finds a stray card which fits his description but no stock on hand, he runs into his draft board and is classified 1A, accosted by an income tax collector and chased by a man who wants to give him an "A priority" airplane ride. He then gets disgusted with the whole thing and goes back into his hole to beat Rip Van Winkle's record, not even knowing whether the sun is out or not . . .

And we go on having the same kind of weather, while the citizenry casts apsersions upon poor Mr. Groundhog for being afraid of his shadow . . .

BROWNOUT PUN

The story is told that a man strode into Bill Gleckner's Grotto and advised Bill that his "exterior light was out" . . . "is that so," replied Bill "I never did have it in here."

JUST PLAIN BILL

Will Marot, who directed last year's minstrel band, had a five-piece band together 'tother night, and all but one of the boys answered to the name of "Bill."

OUT OF HIS CAR IN THE SNOW

Bob Nash, who draws the lines for the boys to toe over at West Junior High School, had his keys lifted, lost or laid aside Wednesday and had to let the jalop at the school set while he trudged on foot to the Hilltop Lutheran Church to take up his organ-playing duties . . .

When asked if he had fixed the car so it couldn't be driven in case some enterprising person had taken the keys with malice aforethought, Nash explained that there was nothing that he could do inasmuch as the thing was locked and the hood opened from inside

Then Henry Jones, Record pressman, comes up with the idea of stopping the exhaust pipe, explaining that this caused the gases to return to the motor and choke it off, thus stopping operation of the car . . .

And then Jones relates how that little trick was worked on a married couple in Van Wert county as they were making their after-ceremony getaway it seems they had half the mechanics in the county working on the car until pity was shown and the cob removed.

Nash finally agreed that the suggested precaution might work except for the fact that his exhaust pipe had so many holes in it now, an entire farm would be required to provide the cure.

CLOSE SHAVE

A very scared Army lieutenant was standing beside his boss' car opposite the State Hospital on Broad-st about 10.00 Tuesday night . . . and his boss' car was sitting with its prow on the embankment right beside St. Aloysius Church and its stern on the sidewalk . . .

This didn't matter so much to the lieutenant, but the fact that a foot-thick utility pole

Koontz Will Direct 16th Minstrel

After a meeting of the Minstrel Committee of the Hilltop Business Men's Association held at Shank and Saunders' Real Estate office Wednesday, activity towards producing the 16th annual minstrel on April 5-6 moved into full swing.

Lee Koontz, who directed last year's successful production, was again given the job of whipping into shape a show which would measure up to the high standard set by previous productions.

Varied Show

An inkling of what is to come was given with the announcement that the show would vary somewhat from the regular routine of most minstrels by using different type settings and arrangements.

Initial tryout for amateur acts was scheduled for Monday, Feb 19 at Camp Chase Post Exchange Time was set at 7 o'clock. Printed in this issue of the Record is an application blank for interested amateurs to fill out and return to Koontz at the Hilltop Record office or to Secretary C. H. Campbell at Campbell's Pharmacy, 2766 W. Broad-st.

West Games To Be Played In Afternoon

The original cool and light situation caused the schedule of the City High School Basketball League this week as it became necessary to move game time from the regular 8:00 starting on to 3:45, just 15 minutes after school is dismissed.

According to Dr. H. H. Reighley, West High principal, both today's game at Central and Tuesday's West-South game at the latter school will be affected by the earlier start of the dark game. The Lehman-West Jr. High play which was to precede today's game will be played at 6:30 today.

The [illegible] Eagle City game scheduled for Wednesday of this week has been cancelled because of the bad [illegible]

With Felix Cavalieri's Orchestra to provide the dance music, co-eds had been chosen as prospective "Victory Queens" with the reigning queen to be crowned during the course of the evening. Another incentive for attendance was the five-dollar grand prize to the lucky ticket holder.

After being knocked out of a three-way tie for first place last Thursday by Linden-McKinley, Coach Rufus Glass' speedy squad will be out to battle their way back to the top today. However, they will be hampered by loss of Buchanan, Hair and Layne who played their last game against Linden.

Lt. Mary Nuetzel Writes From Holland Hospital

Lt. Nuetzel

Very interesting were excerpts from a letter written by Lt. Mary Nuetzel, of the Army Nurses Corps, serving somewhere in Holland. Lt. Nuetzel formerly lived at 2930 Cline-rd.

"You asked what the folks should send to the boys here. Well, I should say any kind of chocolate bars would be appreciated — gum — cigarettes, if possible, air mail stationery—tooth paste, shaving cream Most anything along that line could be used by the fellows, I imagine.

The dog's name in the picture you saw is Bellow. He is a German boxer Keype. We got him from a German surgeon we capturod at Brest. He really is a beautiful dog and everyone in the unit is crazy about him from the Colonel on down.

We are now in a huge convent—the Germans had a 1000 bed hospital here and it is a beautiful place. Our living quarters are grand. We even have a bath tub—the first in seven months and it is wonderful after having to bathe in a helmet of water.

Would love to see you and dash in for a coke like I used to do. Coke—gee, that sounds like something we dream about and believe me that is all we can do about it.

Am fine and happy and praying every night for a quick victory and peace, so we shall all be home once again."

The Fire Department is summoned at the first warning whisp of smoke—and that is the safe and sensible thing to do. Why, then, does a person put off calling the doctor at the first warning sympton of illness? Isn't that, too, the safe and sensible thing to do? Just as it is easier to put out a small fire than a big one, so, too, is it easier for the doctor to cure illness while it is in the "beginning stage" than when it has had time to spread. NO RANK—NO JOB

With the decision by Judge Joseph M. Clifford this week that nothing lower than a lieutenant's rating could hold the job of Chief of Detectives, it is possible that Leo Phillips, present chief, may be ousted . . .

This is to be regretted because of the splendid record that Leo has made while in that position . . . but we don't see why, if a man is big enough for the job, his rank can't be made big enough for him.

The Story of "Sergeant Mike"

Hardly a day goes by that the newspapers do not carry a story about our war dogs and one of their heroic exploits on the battlefront. They have smelled out machine gun nests, guarded against surprise attacks, aided in the search for the wounded and now are said to be very profitably employed in discovering land mines and booby traps.

Opening at the Westmont Theatre Sunday, Feb. 4, and continuing through Tuesday, Feb 6, "Sergeant Mike" featuring Jeanne Bates, Larry Parks, and Jim Bannon together with the canine stars "Mike" and "Pearl" is said to be one of the finest stories of four-footed heroism yet told.

The companion feature is "Maisie Goes to Reno" starring Ann Sothern and John Hodiak.

• • •

"Winged Victory," with a 300-man cast composed of members of the Army Air Corps, many of them with Hollywood names, is the special single feature showing this week at Loew's Ohio. Barry Nelson, Lon McCallister and Alan Baxter head the cast, which includes Jeanne Crain. This is the spectacular film version of the Moss Hart play.

SOME GOOD NEWS ABOUT CANCER

★ Approximately one in four of the 158,000 lives lost each year in the United States from cancer could be saved if the knowledge already in existence could be made available to all—assuming that the knowledge is acted upon promptly. Here are the danger signals:

1. Any lump or thickening, especially of the breast.
2. Irregular bleeding or discharge from any of the body openings.
3. Any sore that does not heal.
4. Persistent indigestion.
5. Sudden changes in the form or growth of a mole or wart.
6. Hoarseness persisting for two or three weeks.
7. Regional pain.

Only in the early stages can cancer be successfully arrested. At the appearance of suspicious symptoms see your doctor at once. For prompt, expert prescription service, call on us.

"KEEP ON BUILDING HELLDIVERS---we'll Decorate 'Em!"

U. S. Naval fliers in the Pacific have plenty "kills" to record on the sides of their Curtiss Helldiver dive bombers. But there's plenty room for more . . . both kills and Helldivers.

Why not take a job NOW at Curtiss-Wright? That's the way to play a big personal part in speeding victory and bringing the boys back sooner. Stepped-up Helldiver production is a giant step toward Tokyo. If inexperienced, you can acquire the "know how" in a few weeks at the Training School right at the plant. Earn while you learn. More men and women must take places on the Curtiss-Wright assembly lines. Help decorate the Japs with more defeats until the last bit of heat is turned on Hirohito.

Sgt. Biddison Writes Letter To Brother

Belford Biddison, 92 S. Eureka-av, on Jan. 15 received the first message from his brother, S/Sgt. William T. Biddison, 37, since he was taken prisoner by the Japs on Bataan almost three years ago. The letter was brief but gave the encouraging news that he was well and asked for concentrated foods and tobacco for his pipe.

No word had been received concerning his fate for almost a year after the Japanese invaded the Philippines Ilands. Then the War Department advised Mr. Biddison that his brother was a prisoner. Sgt. Biddison's wife, Etta, lives in Shreveport, La. They had made their home in Columbus prior to his enlistment in 1935.

Sgt. Biddison was serving as a mechanic with a ground crew in the Army Air Forces and had been at Bataan only two weeks before the Japs moved in. He had spent almost three years in Hawaii.

A sister, Mary, is with the Wacs in New Guinea at the present time. The letter just received told of getting a package from his wife. Red Cross officials advised the Biddison family here that packages could not be forwarded to him at the prison camp. According to postmarks on the letter, Sgt. Biddison is being held at Osaka, Japan.

Plain government post cards with not to exceed 24 words printed or typed can be sent to prisoners in Japanese camps, Red Cross officials pointed out. The only address required is the name of the person, the name of the camp and the label "prisoner of war."

Mrs. Biddison said that they are optimistic about his chances of surviving the ordeal of prison life, pointing out that he possessed the ability to make the best of a trying situation. He was empoyed by the Columbus Packing Co. prior to his enlistment.

HOW IS MY WIFE MAKING OUT?

We owe a debt to this man. Adding a worry is NOT the way to show our gratitude. The security of his wife and family depends upon us. Our job on the home front is to heed ceiling prices. Then we won't over buy and cause an increase in prices. We'll check the black market and make it easier for servicemen's wives and others with low, fixed incomes.

Rev. Carl Driscoll Named By Board

The Executive Board of the Synod of Ohio of the United Lutheran Church in America, has appointed the Rev. Carl Ashley Driscoll as the new Director of Religious Education and Young People's Work for the Synod. The Rev. Mr. Driscoll will replace the Rev. Joseph W. Frease, who resigned this position December 1 to become Executive Secretary of the Luther League of America.

Pastor Driscoll was born in 1912 at Springfield, Ohio, and until his ordination in 1937, was a member of St. Paul Lutheran Church in that city. He has been a resident of Ohio all his life. He is married and has two children, Norma Carole and David.

In order to take over this work he leaves the St. John's Lutheran Church, Dayton, Ohio, where he has been pastor for five years. From his ordination in 1937 he was pastor of the Lutheran Church at Lucas, Ohio, until he came to Dayton in 1939.

Pastor Driscoll received his education for the ministry at Wittenberg College, from which he was graduated in 1934 with the A. B. degree, and Hamma Divinity School, from which he was graduated in 1937 with the B. D. degree.

He has served as supervisor of the Boys' Camp Period at Camp Mowana, the Church Camp of the Ohio Synod, located near Mansfield; as chairman of the Publicity Committee of the Synod; and as president of the United Lutheran Pastors' Association of Dayton. Just prior to his appointment to this office he was elected by the Luther League of Ohio as its Pastoral Advisor.

He will take up his duties Feb. 1, at the office located at Synodical headquarters, 20 S. Third-st, Columbus. He will live at 581 Salisbury-rd.

Sgt. Biddison Writes Letter To Brother

Belford Biddison, 92 S. Eureka-av, on Jan. 15 received the first message from his brother, S/Sgt. William T. Biddison, 37, since he was taken prisoner by the Japs on Bataan almost three years ago. The letter was brief but gave the encouraging news that he was well and asked for concentrated foods and tobacco for his pipe.

No word had been received concerning his fate for almost a year after the Japanese invaded the Philippines Ilands. Then the War Department advised Mr. Biddison that his brother was a prisoner. Sgt. Biddison's wife, Etta, lives in Shreveport, La. They had made their home in Columbus prior to his enlistment in 1935.

Sgt. Biddison was serving as a mechanic with a ground crew in the Army Air Forces and had been at Bataan only two weeks before the Japs moved in. He had spent almost three years in Hawaii.

A sister, Mary, is with the Waes in New Guinea at the present time. The letter just received told of getting a package from his wife. Red Cross officials advised the Biddison family here that packages could not be forwarded to him at the prison camp. According to postmarks on the letter, Sgt. Biddison is being held at Osaka, Japan.

Plain government post cards with not to exceed 24 words printed or typed can be sent to prisoners in Japanese camps, Red Cross officials pointed out. The only address required is the name of the person, the name of the camp and the label "prisoner of war."

Mrs. Biddison said that they are optimistic about his chances of surviving the ordeal of prison life, pointing out that he possessed the ability to make the best of a trying situation. He was empoyed by the Columbus Packing Co. prior to his enlistment.

HOW IS MY WIFE MAKING OUT?

We owe a debt to this man. Adding a worry is NOT the way to show our gratitude. The security of his wife and family depends upon us. Our job on the home front is to heed ceiling prices. Then we won't over buy and cause an increase in prices. We'll check the black market and make it easier for servicemen's wives and others with low, fixed incomes.

Red, Blue and Sugar Stamps Have Expiration Dates Announced

Due to the new OPA Regulation, Red, Blue and Sugar Stamps wil have fixed dates for expiration, it was announced this week by officials of the local War Price and Rationing Board 25-10.

The plan provides for overlapping validation periods with each stamp good for approximately four months from the date of validation. Each block or series of processed foods and meats-fats stamps will overlap the next three blocks with four blocks in use at the same time.

An overlap is also provided for sugar stamps with present schedule calling for each old stamp to be good for about a month after the new one comes into use. Sugar Stamp No. 35 in War Ration Book No. 4 will be good for five pounds of sugar beginning February 1, and stamps 34 will NOT be good after February 28. The new stamp No. 35 will be good through June 2 and it is expected that another sugar stamp will be validated on May 1.

Both red and blue stamps will follow the same invalidation pattern. They will expire at the end of the rationing period most closely approximating four months at the time they become good. Red tokens are not affected by the stamp invalidation plan. They will continue as change makers in the food program.

The following list shows dates of expiration of current stamps:

Vol. XXVIII, No. 41 | The Hilltop, Columbus 4, Ohio, Friday, February 9, 1945 | Total No. 1350

Hilltoppers were wondering this week just what would come next in the weather situation . . . with accumulated layers of snow which had formed into a solid roadbed of ice on all but the busiest of streets, melting in the middle of the day, then freezing again the following night . . . to be followed by another snow next day.

Banged-up fenders on what used to be perfectly shaped automobiles attest to the perils of driving . . . and the attitude is getting to be, let them go until things clear up and have it all patched up at once . . . anyway, it can't last forever, people with scanty coal piles are saying . . .

SPECIAL GAME

Lt. Tope has been in Italy since Sept. 28, 1944. He is now Group Lead Bombardier, having 50 missions to his credit, and has been awarded the Air Medal. He entered the Army on Feb. 2nd, 1943.

Another bundle from heaven was born to Lt. (jg) and Mrs. John Robert Evans in Kansas City last Sunday.

Lt. Evans, son of Mrs. Kathryn Evans, of 28 N. Terrace-av, is serving with the Navy in the Pacific.

WORLD FRIENDSHIP FUND

The national scout movement, which celebrates another anniversary this week, has initiated a World Friendship Fund for use in promoting scouting throughout the world . . . starting off with a $10,000 "General Roosevelt Gift" earmarked for the Philippines, arrangements are being made this week for local units to accept gifts for this worthy

Mrs. Frank Keffer tells of a prisoner of war box on its way to her son, Pvt. Bernard J. Keffer, who is a prisoner of the Germans in Bavaria, Austria, being returned to the home at 107 Belvidere-av, after being damaged by fire at a Virginia port.

The box was returned on Jan. 27th after being sent Nov. 25th, along with a Red Cross letter explaining what had happened to it. A card was received from Pvt. Keffer on Saturday which stated that he was all right but hadn't gotten any letters from the family, although several have been sent.

Driving Rights Are Suspended For 6 Mos.

A 17-year old West Side youth had his driving rights suspended for six months by Judge Clayton W. Rose in Juvenile Court Saturday. Police had arrested the boy on Jan. 22 after he had followed an emergency squad car which was answering a call on West Broad-st.

Police said the young driver was blinking his auto lights and squadmen stopped thinking they were going in the wrong direction.

Local Family Is Among Rescued From Santo Tomas

Word was received here this week by Mr. and Mrs. Andrew J. Schlereth, 247 S. Terrace-av, that their son, Howard's wife and small daughter, Linda, 6 years old, were among those freed from the internment camp at Santo Tomas University, by the Yanks.

Mrs. Schlereth is the former Mary Virginia Hewitt, daughter of Mr. and Mrs. Guy H. Hewitt, 203 W. Kenworth-rd.

Taken prisoner by the Japs when they captured Manila, it was reported Mrs. Schlereth was permitted to return to her home for a while. Later she was again taken to the camp.

Whereabouts Unknown

Howard Schlereth and an 8 year old son, Hewitt, have not been heard of as yet. Hewitt was with his father at the camp, but it was rumored they had been moved, possibly to a labor camp.

Howard Schlereth was formerly a representative of the Standard Oil Co. in Manila.

The last time Mr. and Mrs. Schlereth heard from their son was a year ago at Christmas time, when a short typewritten letter arrived from the Santo Tomas internment camp. The letter, a page in length, stated that he was well.

Navy Test Pilot Jumps At 200 Ft.

Rapidly losing altitude when his engine started to miss over the down-town area, Lt. Herman K. Kopp, a Navy test pilot attached to the Port Columbus Naval Air Facility, piloted his plane over the residential section of the Hilltop and parachuted to safety on the W. C. Paul farm located at 5012 Wilson-rd. The jump was made from an altitude of 200 feet with the plane crashing within a matter of second after he left the controls. He was only slightly injured.

An exhibition parachute jumper in civilian life, it was Lt. Kopp's 119th jump, but it was the first time he had even been forced to "hit the silk" in an emergency.

Residents of the northern sector of the Hilltop heard the plane at what seemed little more than "house top" level as Lt. Kopp prevented his plane from crashing in a residential area.

Fuel Holiday Is Observed Here

Future Of One-Day Closing Program Still Not Clear

In line with a city-wide move to conserve fuel all Hilltop business places with the exception of some grocery and drug stores were closed all day Wednesday. Food and drug stores observed the regular Wednesday hours, being closed for the afternoon.

It was not clear as the Hilltop Record went to press just what the status for closing would be for next week. Originally it was thought that the one day closing policy would be followed through the remainder of the winter but a statement from Mayor Rhodes office concerning the refusal of some liquor-dispensing establishments to join the program, left the whole issue very much "up in the air." Mayor Rhodes took the position that he would refuse to insist on a city-wide closing schedule if the State Liquor Control Board did not make liquor places fall in line. It was indicated that only part of the liquor places closed on Monday, the day set for closing in the down-town area.

Community Plan

Local communities such as the Hilltop had been asked to arrange for closing on what ever day worked out to the best advantage of all. Since most stores had been regularly closing on Wednesday afternoon, it was decided by most business places to remain closed on that day. Food and drug stores were asked to remain open to take care of the need for those necessities.

The concensus of opinion of several business people contacted this week indicated that most of them would be closed again next Wednesday but there was still uncertainty in the minds of some of them.

Dr. Ross C. Purdy To Speak Before Hilltop Group

Dr. Ross C. Purdy, general secretary of the American Ceramic Society, will be the speaker at the monthly meeting of the Hilltop Business Men's Association at Schmelzers Restaurant on Tuesday night. The topic of his address will be, "American Ceramics, the Best in the World from Colonial Times To the Present."

A men's quartet composed of local singers will present several musical numbers. The next dinner meeting will get under way at 6:45 o'clock.

Patrolman's Appeal Has Been Dismissed

The appeal of Patrolman James M. King, 778 S. Terrace-st, from a 30 day suspension by the municipal civil service commission has been dismissed by Common Pleas Judge Myron B. Gessaman. King was suspended last October on a charge he violated a new regulation prohibiting members of the police force from having any connection with an establishment where liquor is sold.

Patrolman King's wife, Juanita, is said to operate a liquor establishment at 1957 Parsons-av. The civil service commission had reduced the suspension to 15 days.

BUY BAND INSTRUMENTS

The United States Band Procurement office will purchase used instruments at the Lazarus Music Center all this week.

Missing?

S/Sgt. Black

The family of S/Sgt. Ray Black received a pleasant surprise recently when he arrived home unexpectedly, just in time to help his tiny daughter, Isabella, 2 years old, celebrate her birthday. Also to beat home a telegram informing his wife he was missing in action.

Sgt. Black has had some hair raising experiences in the course of his thirty missions as a tail gunner of a flying fortress.

Forced to bail out over German territory, and wounded in the leg by flak, he made his way to the American lines in two days. Flown to England, he was soon on his way home on an ATC plane.

His wife, Mrs. Veronica Black, 163 Powhatan-av, was surprised and thrilled to hear his voice on the phone from New York.

Sgt. Black is a brother-in-law of Capt. Don Gentile, Piqua air ace. He has the Presidential Citation, the Purple Heart Medal and three Oak Leaf clusters and a Bronze Star.

Rev. C. E. Hone is pastor of the church which is located at 286 Belvidere-av.

Local Man To Face Charge

Charles Barrell, 59, of 83 N Burgess-av, will probably be charged with manslaughter in connection with the death of his father-in-law, Marion C. Burrier, 81, in Mt. Carmel Hospital Saturday, it was announced Thursday by Chief of Detectives Leo Phillips.

Barrell allegedly hit Burrier with a cane while trying to restrain him in the act of beating Mrs. Fay Barrell on the head with the stick Wednesday evening. Both were taken to Mt. Carmel Hospital, where Mrs. Barrell was released after treatment.

Police stated that Barrell would be bound over to the grand jury under a bond of $500.

According to Coroner John B. Gravis, an autopsy on the body of Mr. Burrier indicated that he had died of a brain hemorrhage, unnaturally inflicted.

It was understood from friends of the family that Burrier had been in an unstable condition for some time, and had been abusive on various occasions.

Funeral services for Mr. Burrier were held in the Spears Funeral Home at 2:00 p. m. Tuesday, with burial in Union Cemetery.

Surviving are Mrs. Barrell, a son, Edward T. Burrier, Newark, and two grandchildren.

He attended West High School, and holds degrees from Capital University and Columbia Law School. Upon the completion of his law course, he entered the Army. At present, he is at Headquarters, Fort Hayes.

He lives with his wife, the former Jane Buchman, at 1033 Northwest Boulevard.

The two local ladies were honored for having qualified as nurses' assistants.

Rev. Lon Woodrum To Hold Revival

Rev. Lon Woodrum

Rev. Lon Woodrum, poet-evangelist, will begin a two weeks revival at the Warren Avenue Church of the Nazarene, 648 S. Warren-av, Sunday morning at 10:30. Known as the "Edgar Guest of the Gospel" across the United States and Canada, Rev. Woodrum has been acclaimed as one of America's foremost speakers. His poems have been read over all the major radio networks and include numerous anthologies. Ted Malone, of "Between the Book Ends," Tony Wons, Smilin' Ed McConnell, Edward MacHugh and many others have quoted from him.

3 Local Men Killed In Action; 5 Injured

Sgt. Rollin Chapman, Pvt. James T. Fink And Pvt. Forest DeBolt Die In Battle

This week saw the number of casualty reports increase as a result of the recent German break-through on the Western Front began to be relayed home to the next of kin. Three Hilltoppers were reported as killed in action, with four men wounded in Europe and one in the Pacific theatre.

Mrs. Florence I. Moon, of 789 Dennison-av, has been notified by the War Department that her son, Sgt. Rollin E. Chapman, 19, radio-gunner on an 8th AAF B-24 Liberator bomber, was killed in action in England on January 14th.

"... And Take It THREE TIMES DAILY"

Common sense tells you that medicine, to be of value and benefit to you, must be taken—and taken exactly as directed. The doctor has excellent reasons for giving the specific directions that appear on the prescription label. Read them carefully: follow them precisely. If they state "One teaspoon three times daily" don't think that THREE TEASPOOONS ONCE DAILY will have the same reaction. As a matter of safety, always read the label on any medicine bottle as a precaution against taking the wrong preparation.

"I'M GOING ON A DIET"

★ Perhaps overeating is the most common dietary indiscretion. The natural result of overeating is obesity. It has been said that we in America eat ourselves into a premature grave. The pendulum then frequently swings back to the other extreme. We go on a diet. Many self-imposed reducing diets wouldn't keep a bird alive, and often serious vitamin, mineral, and protein deficiencies result.

In recent years great strides have been made in our knowledge of nutrition. For the maintenance of optimal health one must be assured that proper balance of various foods is maintained. For dietary advice of any kind see your physician. You can then be certain that all bodily needs are being adequately met. Bring your prescriptions to us.

Scouting Helps Insure Peace

With "Scouts of the World—Brothers Together" as their theme, Boy Scouts, Cubs, Senior Scouts and their adult leaders throughout the United States will commemorate Boy Scout Week which begins Thursday, Feb. 8, and continues through Wednesday, Feb. 14.

The theme was selected for this Boy Scout Week celebration as well as the rest of the year, because there are unmistakable evidences that in this year Scouting will find its rebirth in nation after nation, as fast as the forces of freedom liberate them.

Membership in the forty-eight Boy Scout Associations in 70 different lands around the world at the outbreak of World War II in 1939 was over the three million mark. Mussolini abolished the Boy Scout Movement in Italy. There never has been Boy Scouting in Germany. Hitler abolished Scouting in each country invaded but there is ample evidence that in many war-torn countries Scouting went underground and managed to keep the spirit of Scouting alive. In Japan the Movement was militarized.

The National Council of the Boy Scouts of America has just established a "World Friendship Fund" which gives all members of the Movement in the United States an opportunity to help in the re-establishment of Scouting in countries being liberated by the fighting forces of the United Nations.

Boy Scouts throughout the world are planning to resume their world-wide friendships, through correspondence, exchange of equipment and by meeting in person at the great World Scout Jamborees after the war ends.

At the Fifth World Scout Jamboree when 26,000 Scouts camped together at Vogelenzang in The Netherlands in the summer of 1937, the late Lord Baden-Powell, Chief Scout of the World, appraised, World Scout gatherings by saying:

"By cultivating these friendships such as have been cemented at this great Jamboree, you are preparing the way for solutions of international problems. This will have a vital and very far-reaching effect throughout the world in the cause of peace, and so I pledge all of you here in this great assembly of youth, to do your absolute utmost to establish friendship among Scouts of all nations."

Boy Scout Week marks the 35th anniversary of the founding of the Movement in America. Since Feb. 8, 1910, more than 12,000,000 men and boys have been in Scouting. The present-day active enrollment is more than 1,800,000 Cubs, Scouts, Senior Scouts and adult volunteer leaders.

The birthday will be observed in every city and town in the nation and in hundreds of villages and hamlets as well.

Boy Scouts, Cubs and Senior Scouts have performed many services vital to the war effort in recent months. In a recent two months drive for sorely needed waste paper the Boy Scouts salvaged 120,000 tons. Incomplete reports show that 85,968 Scouts and Cubs collected over a half ton each while more than 400,000 boys brought in more than 500 pounds each.

Late in September and in early October Scouts and Cubs collected enough milkweed floss to make one million life jackets for the armed forces for use while afloat.

Last year the Boy Scouts of America distributed more than 20,000,000 posters for the Office of War Information. In addition members aided rationing boards, Selective Service Board, Community Chests, War Chests and Foreign Relief. They took an active part in the War Loan campaigns, not only in distributing literature and helping at the War Loan headquarters, but also taking orders for Bonds and Stamps. Special Scouts-at-War Minute Man Flags are being proudly displayed by Troops, Cub Packs and Senior Scout groups which have 90 per cent of their members buying War Bonds or Stamps regularly in addition to each member having someone else of his household making regular purchases.

During Boy Scout Week Scouts will take over scores of store windows to display some of their handicraft and to demonstrate some of the skills they acquire through the program. Investiture ceremonies during the week will bring hundreds of new boys into the ranks of Scouting. Scouts will rededicate themselves to the Scout Oath and Law on Thursday (Feb. 8) which is the actual anniversary day of the original incorporation of the Movement at Washington, D. C.

At Parents' Night meetings, boys will be hosts to their fathers, mothers and other adult relatives and friends, demonstrating to them that Scouting is in reality "democracy at work." Parents and boys alike will have an evening of entertainment through Scout games, stunts, campfire songs and skits.

In line with theme of the celebration this year, many Troops and Cub Packs are working toward adopting some group of brother Scouts or Cubs in war-torn lands and helping them rebuild their group.

Sunday, Feb. 11 is Boy Scout Sunday and Cubs, Boy Scouts, Senior Scouts and their leaders will attend church services in uniform. Those of Jewish faith will hold their observances in synagogues and temples Friday evening (Feb. 9) and Saturday (Feb. 10). Many sermons, addressed to the Scouts will touch on the World Brotherhood theme of the birthday celebration.

GRAIN FOODS are GRAND FOODS

Try This Saturday Night Supper Soon

Here is a suggestion for a Saturday night supper that does not require any precious "points." It's called a cereal supper. All you do is put one or two quarts of milk in a large pitcher, farmer style, and serve big helpings of ready-to-serve or cooked cereals. For dessert, fresh or cooked fruit. Drinks to suit the children and John Husband. Everybody will enjoy the supper and because it is so easily digested, every member of your family will sleep "like a log."

A Midnight Snack for Workers—Or After a Card Game

If your husband comes home around midnight from his war shift, or is kept at his office late, or if you feel hungry after a card game, here is a suggestion for a midnight snack that is easily digested and satisfying: Into a good sized soup dish or bowl, pour a heaping serving of a ready-to-serve cereal. Add the amount of milk you like, and that's all there is to it. We think this delicious "night cap" is better than heavy sandwiches.

DRAFTED AGAIN

Comes word from Homer Prince, in Belgium, and along with his letter, a clipping was sent to his parents, Mr. and Mrs. Frank Prince of 2525 Westwood-dr . . . this clipping was from the Army Times and told of the birth of the 13th Armored Division's "Black Cat" weekly newspaper in Texas . . .

The story goes that two GIs in charge of the publication learned one day (day before press day) that their Linotype operators had quit and were out in search of talent when they came across a soldier thumbing a ride from Camp Bowie to San Angelo . . .

As the conversation got well along the soldiers described their predicament and were surprised when the hitcher said that he had operated a Linotype for 16 years in Columbus, then the fun started . . .

The publishers lowered the boom on their rider, who explained that he was on his way to town for a little recreation . . . but the newspaper boys were not to be denied and "kidnaped" their victim and took him into nearby Coleman, sat him down at a machine "where he was forced to labor all that day and far into the night" in the words of the Times . . . but the "Black Cat" was born, and the operator, Bill Moore, former Record keyboard tickler, undoubtedly, complained throughout but enjoyed himself immensely, as he always did.

FLOWERS FOR FRED

Fred Rother, recent Broad-st traffic casualty, is reported to be in a considerably improved condition at Mt. Carmel Hospital . . . and he has expressed ed his appreciation for the loads of cut flowers, potted plants and cards received from many Hilltop friends . . .

VET HOME

S1/c Eugene Russell, 19, veteran of four major actions aboard an LST and other craft of the U. S. Navy in the Pacific, is spending a 30-day leave with his mother, Mrs. Vella Gibbons, of 693 N. Hague-av . . .

Seaman Russell participated in the invasion of Hollandia, Morotai and Leyte in addition to a strike against Wake Island.

HILARIOUS CERAMICS

Those taking in the Tuesday night meeting of the Hilltop Business Men's Association received a pleasant surprise when they listened to Dr. Ross Purdy, ceramics expert . . .

Mrs. B. Haney Under Bond In Robbery

A third person was bound over to the grand jury this week in connection with the $5700 robbery of Charles E. Haney, 123 S. Brinker-av, on last Nov. 21. She is Mrs. Beulah Louise Haney, 25, daughter-in-law of the robbery victim, and wife of Jack Haney, a sailor now serving in the Southwest Pacific. She was ordered held for the grand jury under $2000 bond by Police Judge Charles Petree after she had pleaded not guilty Tuesday.

Already being held in jail awaiting grand jury action are Herbert L. Sexton, 21, of 278 Orkwood-av, and Roy Harper, 20, of Obetz Junction. Both men are under $5000 bond after having been charged with the robbery.

Detective Al Kiefer, who has been assigned to the case, said that Mrs. Haney admitted she had plotted the robbery with the two men. She said she also drove the car in which the three made their get-away after a steel box containing the money was taken from Mr. Haney just after he had driven into his garage.

According to Kiefer, Mrs. Haney was to have gotten one-third of the loot but that when the division was made she got only $1,200.

Starting off with a Dad's night program, they will carry through the entire month of February with specially planned meetings.

The above photographs show the success of their first meeting for dads. Beginning with a song session, followed by a number of scout demonstrations, a movie program, and finally with a "feed" served by the boys to their dads in mess kits, the scouts presented a most interesting program.

Other planned meetings include the formal investiture ceremony for new members in which Legion members will participate, and to which the families of scouts are invited, and the high spot of the series which takes place on February 28.

The troop is now operating at top strength, and the committee has many plans for their enjoyment including a hike or overnight camp for every week end during the summer and starting during the month of March.

Plans are also in the making for a week's summer bicycle camp near the state guard camp at Zaleski alongside Lake Hope. Cecil Cope is scoutmaster of the troop.

Coach Rufus Glass' Cowboys will play their last home game of the basketball season tonight when they face a tough Aquinas five on the local floor.

Riding along at a .500 average the Cowboys, who are in a tie for second place, will be battling to retain that standing in order to get a chance to knock North out of their tie for the league lead on the following Friday.

Jim Remington, West center, moved into the city scoring lead Tuesday night against East when he scored 24 points to down the Tigers on their own court. The Hilltoppers were given a 52-22 beating by Newark last Friday.

Don't Change Gas Coupons Indorsed With Old Number

Don't change the license number on gas ration coupons you have already indorsed because your 1945 license plates bears a new number. That is the advice of local officials to persons who have or will soon be getting a new plate.

When you get new coupons, indorse them with your new license number and the state of registration. Draw a line through your old license number on the back of your gasoline ration book cover and write in the new number above it. Do the same thing on your mileage ration record. Do not erase or block the figures out.

Father R. E. Schwarz Is Claimed By Death

Requiem High Mass Is Sung In St. Aloysius Church Thursday

Death came Sunday to the Rev. Father Rudolph E. Schwarz, 73, for more than 30 years pastor of the St. Aloysius Church. Requiem high mass was sung Thursday at 10 a. m. in the church he helped to build at 2201 West Broad-st.

Rev. Schwartz
—Court Journal

Loved and respected by Protestants and Catholics alike he will be long remembered for his work on the Hilltop during the past 35 years. He went into retirement four years ago after giving the best years of his life to the task of building up what is one of the largest Catholic parishes in Central Ohio.

Came Here In 1910

Father Schwarz came to the Hilltop in 1910 to take up the work of ministering to the new parish that had come into being four years earlier. He was the second pastor, succeeding Father J. J. Cahalan. Masses were held for a short time in the old Owens grocery building near by.

In 1927 the present church edifice was completed under his direction at a cost estimated to have been in the neighborhood of $160,000. He remained in active charge of the work until 1940 when the Rev. Father William Maloney took up the work.

Before coming here he had served parishes at Jackson, Dennison and Buchtel. He is survived by a sister, Mrs. Anna Schwarz, who made her home with him at 83 Whitethorne-av. He was born at Logan.

The body of Father Schwarz reposed in state at the church from Monday evening until Thursday. Hundreds of parishioners and friends passed through the building to pay their final respects. Burial was in the Priests' Circle in St. Joseph's Cemetery.

Organization Meeting To Be Tuesday

Two organization meetings for workers in the Red Cross War Fund drive will be held next week in preparation for the task of soliciting the Hilltop and Valley residential areas. On Tuesday, Feb. 20, at 2 p. m. all colonels, majors, captains and workers for the Hilltop are to meet at Camp Chase Post American Legion, 3184 W. Broad-st.

Valley workers will meet on Wednesday, Feb. 21, at 2 o'clock at the Dana Avenue School.

The need for additional workers to volunteer a few hours time to the task of contacting all of the homes was emphasized by Red Cross leaders. More housewives have gone into war plants and other essential jobs than was the case last year so that the task of setting up the organization this year is more difficult. At least 300 workers are needed to conduct the campaign in the Hilltop area alone, it was stated.

Active solicitation is to start on Monday, Feb. 26. The colonels who will direct the work this year are Mrs. Harold Kay, Mrs. Leonard Wisdom and Mrs. Henry Whipple.

HBMA Contributes $100 to Red Cross Fund

Dr. Ross C. Purdy Addresses Group

The Hilltop Business Men's Association in a meeting Tuesday night started off the Red Cross War Fund Drive by voting to contribute $100 as an organization. Dr. Ross C. Purdy, general secretary of the American Ceramic Society, as speaker of the evening both entertained and informed his audience on new developments in the field of ceramics.

Punctuating his talk with frequent humorous jibes and unexpected demonstrations of the durability of glassware to be produced in the post war era. Using as his topic, "Ceramics from Colonial Days Down to the Present," Dr. Purdy outlined the advancements made in the industry and some of the things to be expected in the future.

A male quartet made up of W. Hawden Jones, Henry Jones, Earl Porter and Bill Neff sang several numbers accompanied by F. L. Buckingham. The N. F. Grant Novelty Co., 2800 W. Broad-st, was voted membership in the organization. Booster prizes were won by L. E. Saunders, Lew Rousch, Joe Briggs, Tom Lewis, Henry Jones, Dutch Johnson and Harriet Huff.

Leo Phillips Named Show Interlocutor

After being an end man for 14 consecutive years, Leo Phillips will move into the interlocutor's spot in the 16th annual Hilltop Minstrel to be presented at the West High School Auditorium on April 5 and 6. Phillips, whose singing of "Dinah" and a long list of black face melodies in years past has brought down the house, is popular as an end man in other parts of the city as well as the Hilltop.

Meanwhile Lee Koontz, producer of this year's show, has issued a call for talent to fill out the evening's entertainment. All applicants are requested to appear at Camp Chase Post, American Legion headquarters, Monday night at 7:30. An application blank appears in today's issue of the Hilltop Record. Persons interested in the tryouts should fill in the blank and mail it to the Record, 2465 W. Broad-st.

End men for the minstrel will include four veterans of other shows. Dick Becker, long a stand by with the show will do one of the black face impersonations. George Hardy, song and dance man, will be a second entertainer while the Southworth brothers, Bill and Marvin will occupy the other chairs. Hardy will be joined in a dance routine by daughter, Jacky, likewise a veteran entertainer.

Material for end man jokes is again in demand and as in past years two tickets for the show will be given for the best ones submitted. Jokes should be mailed to the Record office within the next few days.

GM Eldon Clark Sees Action In 2 Oceans; Ship Torpedoed

"Believe me it's no fun to abandon ship after being torpedoed with a cargo of oil, kerosene and gasoline," says Eldon Clark GM 2/c, recently returned home for furlough. But that is the experience he had after the cargo vessel he was on had gotten two days out of Gibraltar on the Mediterranean Sea.

The sinking took place shortly after dusk and came without warning. Twenty-two men were lost in the disaster.

"Most of us were lucky though," young Clark relates, "the torpedo had struck near the bow of the ship so that it was possible for us to launch the lifeboats without too much trouble."

The ship stayed afloat for several hous before breaking up and going to the bottom. Eighty of the men aboard were rescued by a merchant ship six hours after the sinking.

Two Trips To England

Gunner's Mate Clark entered the Navy in June, 1943, and was sent to sea as soon as he completed "boot" training. Since that time he has made two trips to England and just now returned on a freighter and troop carrier from the South Pacific.

He paid a surprise visit to his family when he showed up unexpectedly on Jan. 9. His parents, Mr. and Mrs. J. R. Clark, live at 336 S. Hague-av. He reported back to New York on Feb. 5.

Eldon Clark

Over in the Pacific, Clark's ship helped to land troops on Tarawa Island. He had little good to say of the South Pacific since the rainy season was on while he was over there. He did see some beautiful rainbows in that region. Some of them were so bright they could be seen at night.

Clark graduated from evening school at Central High in January, 1942, and was working at Jaeger's Machine Co., before entering service.

A Tribute To Father Schwarz

Protestants and Catholics alike join in mourning the passing this week of the Rev. Father Rudolf E. Schwarz, an outstanding leader in the clergy of Columbus for more than 30 years. His influence in the community has been matched by few individuals and his death is a loss of unestimable porportions.

Retired from active direction of the church he was responsible for building, four years ago Father Schwarz was none the less active in his interest in affairs of both the church and the community. St. Aloysius Church stands today as a memorial to his untiring devotion and energy in the task into which he was called. But the work that he performed goes far beyond the physical edifice of the church building, it goes directly into hundreds of Hilltop and Columbus homes where his ministry was performed.

Father Schwarz did not limit his work of mercy to members of his own parish. Many Protestant men, women and children have been cheered in their hospital beds by his visits.

It goes without saying that the Hilltop is a better community today because of the work that he did here.

During that time he has been a teacher, secretary and superintendent of the intermediate department as well as general superintendent. Weir will speak at 8 p. m. on Wednesday, Feb. 21, at the I.O.O.F. Hall, 24 W. Goodale-st, under auspices of the Townsend national organization. RECORDINGS—

(Continued from Page 1)

Expecting to listen to a more or less dry lecture, the crowd was kept in stitches as the old gentleman spiced his talk with comments about those present and kept Carl Schmelzer a case of nerves by throwing glasses and bowls around the room to prove they woudn't break.

Carl was so afraid that the old boy would pick up one of his regular water glasses by mistake.

PROGRESS ON EVERY FRONT

★ The advance of medicine against the enemy, disease, sweeps forward on every front. Techniques of anesthesia have improved to make possible surgical procedures denied to the practitioner of the twenties. Highly refined and specialized mechanical aids, including the x-ray, fluoroscope, and electrocardiograph, have sharpened diagnostic skills. Testing of the blood and urine reveals more significant facts to the physician than ever before.

In support of the physician, the pharmaceutical chemist continues to forge new chemical and biological weapons to fight disease. Insulin for the management of diabetes mellitus, liver extract for pernicious anemia, sulfa drugs, and penicillin are examples. Your phyfician and your pharmacist are alert to apply the improved procedures as they become available.

Vol. XXVIII, No. 43 | The Hilltop, Columbus 4, Ohio, Friday, February 23, 1945 | Total No. 1352

Cruiser Officers Charles H. Hulls, 3272 Wicklow-rd, and Frank Duncan, 648 S. Ogden-av, were in the midst of a routine patrol in the wee hours of Wednesday morning when they came across what proved to be the fluke auto collision of the century . . .

According to police reports, a car driven by John Cahill, of 550 W. Town-st, was traveling West on Mound-st between Avondale and Glenwood at 2:15 a. m., when he skidded on the icy street and struck the rear of five parked cars, bounced off and scraped along the other four cars before coming to a stop and parking in front of the string to discuss the incident with Herman Naha, 270 McDowell, first car of the string to be damaged . . .

Drivers of the other four cars were Ernest R. Oldaker, 439 S. Third-st; Samuel McDonald, 317 S. Sandusky-st; Wm. F. Bennett, Galloway, and Richard M. West, 2278 Sullivant-av.

The conference was progressing nicely when along came a motor freight tractor-trailer job, driven by Arthur Clinger of Plainville, who was coming east on Mound and tried to stop to investigate the gathering, slipped and crashed into Cahill's car, jammed the other five together and "folding them up like an accordion" . . . surprisingly enough, no one was hurt, but three cars were completely disabled and unable to move under their own power . . . wrecking cars had a field day . . .

Where Hulls and Duncan had their biggest trouble was in trying to make out an intelligent report to headquarters . . . they tried a verbal explanation, written report and even added sketches in an attempt to make it clear . . . some insurance company or companies are going to have a sweet time kicking this one around.

JAM SESSION

It was certainly enlightening to see the so-called older generation in the midst of a jam session tother evening after the Minstrel tryouts at the Camp Chase Post Legion rooms . . . Mack Tooill, Lee Koontz, Leo Phillips, Tom Lewis, Dick Becker and others just had to let themselves go a little after sitting through a session of listening to other entertainers do their stuff.

And when Koontz gets started on "Sweet Sue" the house just naturaly begins to rock . . . Lewis can really give out with the Scottish tunes, too, and of course Leo is in the groove on any kind of a number.

Cowboys To End League Play At North Tonight

The West High School basketeers will round out city league play for the 1944-45 season tonight when they go up against North's second place squad on the opponent's floor.

Now in a fifth place position, the Cowboys are showing the loss of Haines, Buchanan and Dick Layne, who graduated in midyear. Coach Rufus Glass has been forced to dig into the reserve squad for talent to bolster his varsity.

In last Friday's defeat by Aquinas, Jack Thrush, playing his first game on the varsity, led the scoring with 15 points, and was followed by Dick Slager, also recently from the reserve squad, who came through with 12. Both of these boys promise to be the standouts of next year's squad. Remington, who scored 24 points the previous week, was held to seven by the Terriers' defense.

Entire Schlereth Family Now Reported Rescued In Manila

Father, Son Also Among Internees At Santa Tomas

A gentle little Hilltop mother walks with a lighter step today and her eyes shine with joy instead of being dull with worry and sorrow. Her son and his family are finally free of Jap bondage.

Mr. and Mrs. Andrew J. Schlereth, 247 S. Terrace-av, received word this week of the rescue of their son from the Santa Tomas prison camp. Word had been received earlier of the safety of Mrs. Schlereth and daughter, Linda, 5 years old. A son, Hewitt, 8, was rescued with his father.

Lt. Col. George P. Gutherie, 2289 Oxford-rd, of the 37th Division Artillery Staff saw a dream come true when he entered Manila and found Mary Virginia, daughter of Mr. and Mrs. Guy Hewitt, 203 W. Kenworth-rd, and Linda, in the prison camp. The startled Mrs. Schlereth wept with joy and relief at the sight of an old friend. Howard and the children were out, but quickly appeared and a joyful reunion took place.

Little Linda at once attached herself to the Colonel, but Hewitt was interested in the tanks and soldiers who were guarding the place.

Guards Driven Off

Jap guards had to be driven off the Santa Tomas campus before the internees could be liberated. According to a letter from Col. Guthrie to his wife, "the meanest Jap officer was killed in the front yard. It was he who made the internees stand roll call twice a day, rain or shine, sick or well, grown ups and children alike. For the past year the place had been guarded by the army and nothing got in or out. Conditions were really bad. Before that Jap civilians ran the camp and there was some freedom. People got out then and food purchased by the internees could be brought in."

"Let it go as it came," said Washington of a cold he had caught—and with those words, he signed his own death warrant. Fatal complications set in and three days later our first president was dead. Joke about a cold and the laugh may be on you. It may seem to be just a "little cold," but it can weaken your resistance against such serious diseases as pneumonia and influenza. If a cold starts with aching, chilliness, and fever, or if it does not yield readily to ordinary home treatment—CALL YOUR DOCTOR WITHOUT FURTHER DELAY.

Hedy Lamarr Featured at Westmont

"The Conspirators" starring Hedy Lamarr and Paul Henreid opens at the Westmont Theatre Sunday for a three day engagement. Hedy Lamarr, as the woman so beautiful that her name is whispered over the entire world, and Paul Henreid, a man so desperate, his name is feared all under the world. They meet in Lisbon, the city of echoes and shadows — and they kiss, while history waits.

The companion feature is "Missing Juror," starring Jim Bannon and Janis Carter.

It is estimated that 60,000 tons of urgently needed vegetables will be produced from the 100,000 collections of vegetable seeds shipped to England by British War Relief in time for spring planting. British War Relief is a National War Fund agency, and shares in the local Community War Chest.

THE LEAST YOU CAN DO

★ The early Greek physicians believed that it was not possible for a man to enjoy perfect health unless he carefully organized his life to accomplish this single objective. This meant the meticulous ordering of each day. Proper nutrition, exercise, and rest were perfectly balanced. Physical constitution, age, and even the seasons of the year were considered.

For a man of affairs, such a regimen is out of the question. When your work is done, you play and exercise when you can. But this little you can do. See your family physician at least once a year. Follow his advice. In case medication is required, we are prepared to serve you, promptly and economically.

Troops 172 and 212 Enjoy Camping Trip at Camp Lazarus Saturday

By Ted Wellerman

Sautrday, February 3, Scout Troops 172 and 212 met at Hoge Memorial Church at 3 p. m. We had a race (within the speed limits) to Camp Lazarus, Boy Scout Reservation, north of Worthington, arriving there at 4:15 p. m.

After things were unpacked, food stored in a cool place, camp duties attended to, the scouts went for a hike through the woods. After sliding down steep, snow-covered hills (without sleds) we came back to the cabins for supper, which consisted of stew, baked beans and bread and butter.

Each scout washed his own dishes, then all were again ready for a night-hike, up and down hills, coming back to the parade grounds where games were played in the moonlight. Returning to the cabin we ate popcorn, and enjoyed indoor games, ending the evening with ghost stories.

A brisk run through the snow on Sunday morning brought us back ready to enjoy our breakfast.

A worship service was conducted by Scoutmaster Dick Beem, assisted by Dave Hastings.

Dinner at noon was enjoyed by all. Due to inclement weather, camp broke up soon after dinner, all scouts looking forward to the "next time."

Richard M. Beem, 73 S. Ogden-av, and H. H. Bailey, 793 S. Eureka-av, are scoutmasters of Troops 172 and 212 respectively.

Make Plenty Of Dressings, Says Medical Aid Man

An added emphasis to increase Red Cross activity on the Hilltop was given Mrs. Carl N. Wisker, of 240 N. Warren-av, chairman of of local surgical dressing unit, in the form of a letter directly from the front in France.

The letter, written to Bertha May Presler, 290 N. Warren-av, by her brother, Chas. A. Post, medical battalion of the Fifth Division in France, was described as an inspiration to all workers to strive to increase the number of volunteers for surgical dressing work. Following is the letter:

"Just received your nice welcome letter and surely am glad to hear from you. Also glad that somebody back there knows that there might be a war going on over here. It is really bad to hear that so many people back home think that making surgical dressings is unimportant.

Well, don't let anybody kid you, for there is many a fellow who is okay to-day that if it hadn't been for a surgical dressing would not be here now. At present I really have not found any dressings from Franklin County, but I know there must be some about somewhere.

We surely use a lot of dressings. You see the wounded are dressed temporarily on the field, then brought to an Aid Station, sometimes re-dressed and sent on through channels to the hospitals, so you can see for yourself it takes many dressings and at times they run short and if they do, whose fruit would it be?

Make plenty and if they are not used for war purposes they will be used in civilian life, so why slack up, keep the dressings and bandages rolling."

The local unit meets at West Broad Street School on Tuesday, Wednesday and Thursday, from 9:30 a. m. to 3:30 p. m. No experience is necessary. Volunteers are urgently needed.

THOUGHT FOR TODAY

By G. H. Craft

Implied faith in God without faith in humanity is illogical, impractical and impossible of attainment.

Among Our Friends

Are You The Dignified Type?

Real dignity is an admirable quality, one that comes in people who have strength of character. Dignified people are usually dependable.

You can always depend on finding pleasant relaxation in this friendly spot where good living has been elevated to an art. Good food, good beverages and good music are our bids to fame—and our prices are set to appeal to conversative people.

Cpl. Cunningham Is Awarded D. S. C.

Cpl. Charles D. Cunningham, 26, husband of Mrs. Dorothy Ruth Cunningham, 3577 Plainview-dr, and son of Mr. Dave C. Cunningham, Gallipolis, Ohio, was recently awarded the distinguished service cross, the nation's second highest honor, for an act of extreme heroism recently in battle action in France.

Cpl. Cunningham and his platoon officer, Lt. David L. Nutter, Waukesha, Wis., went forward under heavy enemy fire to disconnect wires leading to mines under a bridge at Han-sur-neid, France.

Lt. Nutter crossed the bridge and succeeded in cutting his wire before he was wounded. Cpl. Cunningham had finished disconnecting his wire and then crossed the bridge. He was still under machine guns, artillery and small arms fire and picked up the wounded officer and carried him to safety.

Shortly after Cuningham had carried him back, Lt. Nutter died.

Lt. Nutter received a posthumous award of the DSC for his act. He was pinned down by the enemy fire and stayed near the far side of the bridge until darkness fell.

Prior to his entry into service in March, 1942, he was a carpenter. He has been overseas a year stationed with an armored engineers unit.

Cpl. Cunningham has a daughter, Joan Dale, residing at the Plainview-av address.

Eugene Russell Sees Action In Four Invasion Thrusts In South Pacific

A veteran of several invasion thrusts in the South Pacific, Seaman First Class Eugene Russell, 19, is a visitor at the home of his mother, Mrs. Vella Gibbons, 693 N. Hague-av. He was wounded in the leg while serving as a coxswain on a Higgins boat engaged in landing troops in the invasion of Hollandia.

His second invasion experience was at Wake Island. In the invasion of Montatai and Leyte Islands he was aboard an LST. He was hospitalized in New Caledonia following wounds suffered.

At the Leyte engagement enemy guns scored two direct hits on his ship, knocking out its two largest guns, and killing or wounding nearly half of the crew. Russell was knocked 20 feet by an exploding shell and was wounded in the hand.

Russell attended Hilliard and West High School. He formerly worked for the Columbus Citizen and Loew's Ohio Theater before enlisting in the Navy.

Honor Roll

Pfc. Charles R. Leach, son of Mr. and Mrs. James R. Leach, 44 N. Powell-av. He entered the service in Sept. 1942 and is now being hospitalized in the southwest Pacific suffering from a foot injury.

Sgt. Roy Calvin Bobbitt, [redacted] of Mr. and Mrs. Harry Bobbitt, 819 S. Richardson-av. Entered the Army Jan. 11, 1943, and is now stationed in Romulus, Mich., with the 3rd ferrying group.

Lt. John R. Stevens, son of Mr. and Mrs. Jack Stevens, 152 S. Burgess-av, has been awarded the Air Medal for meritorious achievement in combat flight.

Lt. Stevens is a veteran flyer with the 14th AAF in China. He served for 10 months in the China-Burma-India theatre of war and has completed 50 missions as a bombardier.

Lt. Stevens formerly attended Ohio State University. His wife, Jane, resides at 138 E. Pacemont-rd.

RECENTLY SPENT 10 DAY DELAY ENROUTE HERE

Pvt. John H. Gillivan recently spent a 10 day furlough with his parents, Mr. and Mrs. Harold B. Gillivan, 77 S. Brinker-av.

Pvt. Gillivan, a former Holy Rosary High School graduate, entered the U. S. Army Engineers in Aug. 1944. He spent the past six months in training at Camp Claiborne, La., where he graduated from Engineer Administrative School.

Mother Receives Note From Major; Son's Service Is Praised

Amos Ginnick

Mrs. Minta Ginnicks, 436 Columbian-av, quotes letter received from Major Bernard Schneider concerning her son, Pvt. Amos Ginnicks, with the medical detachment of the 106th Infantry.

Pvt. Ginnicks has been in the service for three years and five months, having served overseas for almost three years, with his headquarters in Hawaii.

He has served in the Marshalls, on Saipan and is presently stationed in New Hebrides.

Major Schneider's letter is as follows:

"Dear Mrs. Ginnicks:

It hardly seems possible that another year has passed. However, it is a pleasure to wish you and your family all the joys of the holidays of the holiday season and write a few words about your son Amos.

As you know, we are real combat veterans. Amos has been with this organization, you will recall, for sometime and has proven his worth. His services have been valuable to me personally, to this Detachment and the Regiment.

I sincerely trust that the war will end sooner than any of us may anticipate so that Amos will return to his loved and loving ones for a happier life.

Very sincerely yours,
Bernard Schneider
Major, MC
Commanding."

John is now stationed with the Amphibious Combat Engineers at Camp Beale, Calif.

An average of 350 teen-agers enjoy themselves at the Club Co-ed at Central Y. M. C. A., a Community War Chest agency, every Saturday night.

SCHLERETH—

(Continued from Page 1)

Crom packages that arrived were a great racket for the Japs. They confiscated the packages and sold the contents at exhorbitant prices to those who still had old Philippine money.

Mrs. Schlereth has lost almost 40 pounds, while her husband is 35 pounds underweight, according to the Colonel. The children also are thin and show the effects of their terrible experience. Small Linda was a chubby dimpled baby before she fell into Jap hands. With plenty of good food and milk they will soon recover their normal health.

Hid Money

Mr. Schlereth had secreted a good sum of money in a piece of bamboo, which he had been allowed for building a nepi hut for his family on the grounds of the camp. With this money he had been able to supplement their rations by buying on the outside with the help of crooked Jap guards. An old Chinese Amah, who had served them faithfully for years helped secure extra food.

Howard Schlereth is a graduate of Aquinas High School and attended St. Aloysius Church. He was a member of the staff of the Standard Vacuum Oil Co. of New York, in Manilla. Passage had been booked for the return of his family to the States on Dec. 8. The boat failed to sail and two days later the Japs invaded the Philippines and it was too late.

The Schlereths hope to return to the States before long.

Lt. John R. Rawn Gets Bronze Star

Lt. (j.g.) John R. Rawn, 371 S. Burgess-av, has been awarded the Bronze Star in addition to the Purple Heart for distinguished service with the Pacific Fleet's Flotilla Three. The awards were presented upon his arrival at the University of Michigan where he is now attached as assistant professor of naval science and tactics.

The recognition came as a result of meritorious achievement as commanding officer of a close-in support vessel during the assault and capture of two large enemy-held islands early last summer.

The citation that accompanied the awards read as follows:

"While under hazardous navigational conditions he constantly exposed himself and his ship to enemy fire without regard to his personal safety. He closely supported with barrage rockets and con-fire the actual landing of the assult tropos."

His wife lives at the Burgess-av address.

Air Medal Given In Honor Of Son

The Air Medal was presented to Mrs. Lillian Phillips, 80 S. Letchworth-av, mother of Cpl. Paul S. Phillips, in honor of her son at Lockbourne Army Air Base Monday. Cpl. Phillips is now a prisoner of war being held by the Germans after his plane was missing over German territory last July.

He was at first reported as missing in action and then later known to have been a prisoner. He went overseas in April of last year.

Wards Identify Son In Picture

A photograph of a group of American soldiers, carried in a Columbus newspaper a few days ago included a Hilltopper, Lt. Jimmy Ward. The identity was made by his parents, Col. and Mrs. George Ward, 685 E. Royea-av.

Lt. Ward is attached to an Army intelligence unit. The photograph was taken in Belgium, according to the War Department. He entered service with the Ohio National Guard in 1940 and has been overseas since last May.

WHERE IS MY BOY TONIGHT

I long for the old fashioned winter
Said a pioneer feeble and gray.
When I could slide down the mountian side
And ride in my one horse sleigh.
I pine for the sunshine next summer
Whispered a young man in school
When I'll leave town in a one piece gown
And slip down to the swimming pool.

The reason today people are not contented
Tears of sorrow dimming their sight,
They took him away from home one day
Now where is their boy tonight?
We are short of food and other things
All civilized Nation's at war,
Who can abide in this World satisfied
Our Lord is defied as never before.

Former Halfback In Action

—Courtesy Columbus Citizen

Seaman 1/c George H. Blackmore, a former West High halfback, has been earning "letters" consistently since joining the Coast Guard, having seen action aplenty in both the Atlantic and Pacific oceans. At the present time he is ferrying troops to Luzon for the advance on Manila.

Young Blackmore graduated from West High in the February class, 1942. The next day he enlisted in the Coast Guard. He saw action on two occasions in the Atlantic before being transferred to the Pacific. There he participated in the Marshall Islands, Guam, Peleliu and Leyte invasions before the start of the Philippine campaign.

A brother, Robert L. Blackmore, has been honorably discharged from the Army Air Corps after service in the African campaign. Their father, Charles S. Blackmore, lives at 689 Binns-blvd.

His wife resides at the Nashoba-av, address.

Parents Accountable For Fire Damage Caused By Children

Capt. John E. Jordan

Parents may be held accountable for fire losses caused by children when it can be shown that the parents are delinquent in supervision, according to information received by the fire department.

Parents cannot be expected to know where their children are every minute of the day, but they can be expected to give their children sufficient attention to keep them from setting fires. Last week two children were apprehended, and admitted causing fires with a total loss of approximately seven thousand dollars. The investigation disclosed that an eight year old boy involved in setting one of the fires had been absent from school twenty-two mornings and had reported to classes late the same number of times. This would indicate that the parents were not getting the boy out of bed in time to get to school for the opening of classes. The record of this case was turned over to Juvenile authorities by the fire department investigator. It is possible that the parents will have to answer charges of being delinquent in their care of the child.

150 Fires Stated by Children

One hundred and fifty five fires were started by children in 1944, Fire Chief Welch announced at a meeting of Fire Insurance officials a few days ago. Chief Welch said that in the future, when justified by evidence, the fire department will insist that parents be brought into court on delinquency charges.

Parents should explain to their children the danger of playing with fire—a danger not only to property, but a danger to the children themselves — as more than five thousand children under fifteen years of age lost their lives by fire in this country last year.

His recruit training consists of instruction in seamanship, military drill and general Naval procedure. During this period a series of aptitude tests will be taken by the recruits to determine whether he will be assigned to a Naval Service School, to a shore station or to immediate duty at sea.

Vol. XXVIII, No. 44 | The Hilltop, Columbus 4, Ohio, Friday, March 2, 1945 | Total No. 1353

Mr. and Mrs. Forest Grubbs, of 111 N. Hague-av, received another letter last week from their son, Lt. Eugene "Dude" Grubbs, who has been a German prisoner for the past two years . . .

The letter, written Dec 13, 1944 from Stalag Luft 3, shows the Christmas spirit which prevailed in the prisoner of war camps all over the world where our boys were being held:

"Dear Mom and Dad: Received the parcel with Barbara's picture two days ago. That's all the parcels except the one Italian one with the blanket. Keep sending the parcels with food, spices, dehydrated fruit, ginger mix and chocolate candy. All I need in clothing is one pair of good heavy gloves Send lots of saccharine It doesn't take much room. Also all kinds of spices, cinnamon, nutmeg, all-spice and onion flakes.

"I have been cooking - - - - and what a job. I know now what a housewife goes through. You see now why I keep asking for food and spices.

'We are planning now for our Xmas dinner. I expect to have for dessert, 2 fruit cakes (1 a triple-decker) and a carrot pudding (steamed) or a mince pie, ginger bread mix, cake and chocolate pudding, plus potatoes, peas, meat, (maybe turkey, if it comes in and gravy. As cook to cook, how does that sound?

"Please take care of Barbara's and Marie's Xmas gifts for me. I'll more than make up for it when this thing is over. Merry Xmas.—"Dude."

The postscript camp is supposed to be just north of Breslau, in Southeastern Germany, which is now threatened by Russian troops . . . Mrs. Grubbs said, "I am watching all news releases hoping to hear that the prisoners of this camp have been released." She reports that Dude has received all packages sent, plus others from Red Cross units.

Dude has a brother, 2nd Lt. Charles "Tink" Grubbs, a B-17 pilot in Yuma, Arizona. His wife and young son reside in California.

DOG'S LIFE

Mr. and Mrs. Oscar Murdock, 116 N. Eureka-av, have installed a small window in the front door of their house so that their dog "Spooks" can see what is going on in the world . . . the common use of that old expression certainly didn't develop from this pooch . . . a lot of husbands would like to enjoy this privilege.

SLIGHTLY INCORRECT

In last week's issue of the Record appeared an article anent a discharged veteran opening a dry cleaning establishment . . . all was well with the story except the second paragraph which related among his experiences four naval engagements over a period of 18 months service . . . now the "veteran" admits that his period of service was limited to three months in boot camp.

In the future, as in the past, The Record will continue to publicize the endeavors of servicemen returning to civilian life, but all information must be taken at face value as given by the individual.

MINSTREL—NAVY STYLE

Comes a program of a minstrel show held at the U. S. Naval Repair Base at New Orleans, La., which was directed by Lt. G. W. McDonald of the Fire School who is a Captain on Leave of the Columbus Fire Department, residing at 2897 Steele-av . . .

With an all-service cast, the program lists a well-rounded group of Southern melodies, with the chorus featuring "Way Down Yonder in New Orleans" and "Are You From Dixie" and what a perfect setting.

If we are not mistaken, Lt. McDonald is a former director of the local Fireman's Show . . .

HE SHOULD HAVE IT

Applying to an Oklahoma ration board for permission to purchase a new car, a 57-year old man made this statement in his application "I will not use this car for pleasure because I am past that age."

Minstrel Acts Announced By Committee

Plans for the 16th annual Hilltop Minstrel began taking form this week as 11 specialty acts were selected by the committee. The advertising committee, headed by Chubby Distlehorst, will have a meeting in the office of Shank & Saunders 2459 W Broad-st, next Tuesday night at 8 o'clock.

Many new faces will appear in the show that is to be presented at the West High Auditorium on April 5 and 6. A repeat performer from last year will be Bill Munster, marimba artist, who made a hit with his music. Betty Knodel, 398 S. Richardson-av, a member of a dance team in last year's show, will do a solo tap number.

Bringing a touch of the South Sea Islands will be Barbara Shade, 420 S. Richardson-av with her hula number. Billed as the "tiny tap-a-teers" are Nancy Kay Kofner, 256 N Wayne-av, and Merlene Semiller, 3102 Ellis-pl. Tap routines will be contributed by Joan Lytle and Sandy Mahoney.

Carolyn June Crow 3195 Parkside-rd, will entertain with her accordion. One of Columbus' outstanding singing duos in the light opera field will include a Hilltop girl, Jean Dhume, 46 N. Burgess-av. Her partner will be Jery Grodin, popular young baritone. Both have been starred in productions of the Gateway Players.

An adagio number will be presented by Frances Wiseman and Margie Belt. Another outstanding attraction will include three Hilltop girls, all students at Ohio State University and all voice pupils of Mrs. Mary Walton Thee are Alice Jean Remington, 123 N. Ogden-av, Nancy Shepard, 63 Highland-av, and Elizabeth Walton, 39 Eldon-av

Two other Hilltop girls, Virginia Lee and Janice Hill will appear with Stella Becker's "Beckerettes," a precision dance line. Mack Toolls orchestra will furnish music for the show.

He Will Be Missed

AN EDITORIAL

The untimely death of Dr. H. H. Reighley, principal of West Junior and Senior High Schools, comes at a time when qualified school administrators are more than ever few and far between. His influence in this community as a result of his association with the school over a period of 16 years is difficult to measure because school officials like ministers of the gospel have ways of making contributions to the cause of humanity that defy evaluation.

Dr. Reighley was responsible for bringing the scholastic standing of West up to a level that made possible membership in the Northcentral Association of Secondary Schools and Colleges. During his administration the football stadium was completed and money raised to pay off the bonded indebtedness against it. The same period of time has seen the development of a high school band that is second to none in central Ohio.

Typical of his willingness to contribute more than his share of energy during a time when teachers are at a premium was his voluntary offer to assume the principalships of both the Junior and Senior high schools. When Ed House, then principal of West Junior, went into uniform, Dr. Reighley volunteered to take over the double responsibility, without any added compensation. This he had done for more than a year and a half.

The Light of Life

Do you realize how wonderful light is? Light not only is the essence of seeing, but it is the substance of Life itself. Plants grow from the sunshine and store up energy which supplies us with food. Likewise coal warms our homes. How dismal this world would be if we did not have Our remarkable Eyes to vitalize light in seeing our friends and carrying on our daily activities.

To Lecture At St. Joseph's

Richard Reid

Under the sponsorship of the Notre Dame Alumnae Association, a lecture on "Mitigating Racial Intolerence" will be given in St. Joseph's Academy Auditorium, East Rich-st, Columbus, on March 4 at 8:15 p. m. by Richard Reid, well known editor of the New York Catholic News.

Mr. Reid, who was born in Winchester, Mass., in 1896, received an A. B. Degree at Holy Cross College, Worchester, Mass., in 1916. He also holds a Masters Degree at Holy Cross, a Dr. of Literature at Fordham and was admitted to the Ga. bar in 1929 after acquiring a Law Degree at U. of Dayton, Spring College, Ada, O., and Manhattan College, N. Y.

Mr. Reid has become famous for his work in combating bigotry and religious intolerance in the South. During the years spent in the South he learned to love the Southland and his sentiments are best expressed in the proverb "There's everything good about the South and everything in the South is good."

The general chairman for this lecture, Mrs. Frank Vogel is being asisted by Mrs. Arthur Maeder, Mrs. Paul McCarthy, Mrs. Joseph Thayer, Mrs. Paul Weilbacher, Mrs. Jas. Heinmiller, Mrs. Morton Hayhurst, Mrs. Helen Greely and the Misses Katherine Maeder, Marie Mason, Carolyn Posey, Margaret McDonnell, Mary Jo Cline, Marie Nerny, Marian Swickard, Eleanor Cotter, Margaret Richter, Grace Kearney, Mary Graham, Joan Buchanan, Mildred Dehner, Mary B. Fraher and Cecelia Orarke.

Tickets for this lecture have been placed on sale at Heaton's Music Store, 80 N. High-st, Katherine Reardon Art Shop, 148 E. State-st, and Long's Book Store, 1836 N. High-st.

Of the 6,362 persons who attended the 13 local camps last summer, 5,595 were children and teen-agers. The camps are financed entirely or in part through the Comunity War Chest.

Judie Manners—

(Continued from Page One)

for impersonating Judy Garland and Beatrce Kaye.

Overseas Tour with Jack Haley

In July, 1944, Miss Manners made a tour overseas with Jack Haley and Joan Davis, visiting the servicemen in Italy and Africa. The most impressive experience Miss Manners had, she said, was at one of the big naval shows off the shore of Italy. "The sailors were lined on board the deck and saluted our party until we were completely out of sight."

While overseas, she worked as close as six miles to the front line and traveled 18,000 miles completing 52 shows in 41 days. After spending a period of two months overseas, Judie Manners went to Hollywood, Calif., for network shows with Ken Murray and later on, for the Old Gold show with Bob Crosby.

Featured with Spike Jones

Before going overseas, Judie met Spike Jones and on returning to the states she started her tour with him. "this making the sixth week, and the seventh stopping place," she stated. She has been in every state in the union. "Next week, the band will open their local appearance in Cleveland, Ohio, at the Palace Theatre there." Miss Manners will spend at least three months more with Mr. Jones and then return to the west coast.

Given Screen Tests

"Universal and Metro Goldwyn Mayer pictures have given me movie screen tests," Miss Manners stated, "and they proved very successful." There is every posisbility that Miss Manners may be signed up with a Hollywood producer in a picture with Spike Jones, one of the best top ranking bands.

Miss Manners was married on March 4, 1940, to Jack Valind, now S1/c stationed at the Oceanside Naval Base, Oceanside, Calif., and 3½ year old daughter Judy, resides with her at 1500 Sullivant-av.

GOOD RECORDS ARE MEANT TO BE BEATEN

★ The infantile death rate in the United States is very low. From 1934 to 1936 we ranked seventh in the world, led only by New Zealand, Holland, Australia, Norway, Switzerland, and Sweden.

Yet 70,000 infants die annually in the first month of life, and 53,000 more from the second to the twelfth month. How many of these precious infants might have lived had their mothers had adequate prenatal care under the direction of a competent physician?

It is now up to the mothers to take advantage of the knowledge and skill of the physician during the trying months of pregnancy. We are ready to supply the needed dietary supplements and other medication ordered by your physician.

HELLDIVER BOMBS SMASH TOKYO

HELP REPEAT THIS HEADLINE BY WORKING AT CURTISS-WRIGHT

It's just a headline in the employees' paper at Curtiss-Wright, but the oftener it's written, the sooner the Japs will be forced to pay in full for Pearl Harbor and everything since.

U. S. Navy fliers must have more Curtiss Helldiver dive bombers to put the finishing touches on the Nips; you men and women are urgently needed at Curtiss-Wright to build them.

Don't hold back because you think "it's all over but the shouting." The last miles are always the longest and costliest. Get in there and pitch so the fight can be shortened and lives saved.

Inexperienced help is prepared for the assembly lines in a few weeks (with pay) at the Training School at the plant. Help build the Helldivers helping to write history's headlines.

Churches Plan Community Sing

As an outgrowth of repeated suggestions from the young people of various churches, the ministerial association is sponsoring a plan for regular community hymn sings on the Hilltop.

The first meeting will be held next Sunday evening from 9:30 to 10:00 at the Hillcrest Baptist Church. Rev. H. W. Schoof will lead the group singing, which will be the dominant feature of all these get-togethers.

The young people from each church, or all who like to sing the Christian hymns and gospel songs, are invited.

Except for two or three churches whose local programs conflict, every Protestant church on the Hilltop is planning to cooperate and the pastors have expressed their approval. It is expected that future "sings" will meet at a different church for each occasion.

Other plans for the future as how often to meet and the time, will be decided by the group Sunday night.

Remember! Hillcrest Baptist Church at the corner of W. Broad and Eldon, 9:30 to 10:00, Sunday night.

NEWCOMERS

Recently entrenched in one of those "plentiful" houses on the Hilltop are Mr. and Mrs. Gilman S. Bolin at 86 S. Ogden-av . . . He is the 26-year-old Field Scout Executive for the Central Ohio Area, Boy Scouts of America . . .

And with the Hilltop fast becoming the hot-bed of scouting activities, it is only natural that this should be his part of town . . . They came here from Painesville, where he was associated with the Northeast Ohio Council for the past year.

BEEN VISITING

Mrs. Sarah Alban, of 165 N. Wayne-av, has recently returned from a sojourn in Florida where she visited her son, Russell and family at Vero Beach, then to Miami for a visit with son, Jack . . .

She also took in various other cities of the sunny south before returning to brave the frozen North . . . It would certainly take a lot of visiting for her to see all of her sons, having five in service at scattered points.

GREAT LAKES ADDITIONS

Added to the number of sailors at Great Lakes Naval Training Station recently were Donn V. Haines, 18, son of Mr. and Mrs. Aloysius Haines, 2539 Sutton-av, and John H. Fisher, 18, son of Mr. and Mrs. John J. Fisher, 67 N. Eureka-av.

IN A HURRY

Was Floyd Dempsey, SK3/c with the Navy at Hunters Point, San Francisco, Calif., when he arrived in Toledo Tuesday night by train, and finding a necessitated wait there he switched over to bus travel in order to speed up his arrival at 846 Chestershire-rd . . . here he would see his wife, Virginia, and Dian and Johnny, 3 and 3, after six months absence.

He has been in service for 11 months, prior to which he was an auditor with the Ohio Finance Co.

LIGHT OR DARE

With the Byrnes order to cut down electric consumption by placing a curfew and turning out lights on entertaining establishments, some slightly frivolous high school youngsters can't quite understand why the Police Dept. should insist on all cars having both headlights in good working order . . . reason for this is a little game called "piddidling," we believe, which is played by watching for cars with only one head-light . . .

If the boy sees the one-eyed auto first, he kisses the girl, but if she sees it first, she slaps the boy in the kisser . . . which should teach any feller to always be on his toes . . . but anyway, lights, curfews, or what have you, there will always be a way for bold youngsters to get around to this old established custom . . .

And that reminds us of the Hilltop wife, upon seeing brother Byrnes' 12:00 curfew order, promptly placed an 11:00 curfew upon her husband

Four Hurt On Hospital Hill

The second serious accident in less than a week occured near Hospital Hill Saturday night sending four persons to the hospital when a car driven by Thomas Robinson, 27, of Dresden, Ohio, was in collision with a Broad Street trolley bus. The collision happened shortly after midnight when the automobile attempted to pass the bus. The bus skidded through a fence on the grounds of the Feeble Minded Institution.

In addition to Robinson others hurt included his wife, Louise, 27, knee cuts; Mrs. Ellen Billingsley, 29, of 2566½ N. High-st, head and back injuries; and Mrs. Lillian Mayfield, same address, face cuts. Robinson sustained internal injuries. All four were taken to Mt. Carmel Hospital for treatment.

Four persons were hospitalized last week as a result of a two-car collision near the entrance to the State Hospital. The accident occured on the morning of Feb. 28 when a glaze of ice made driving hazardous.

Wounded In France

S/Sgt. Albert B. Maddox, 24, is believed back with his outfit after recovering from wounds suffered in action with an infantry unit of the 3rd Army in France on Dec. 18. His wife, Mrs. Marilyn Barnes Maddox, lives at 101 N. Harris-av.

Sgt. Maddox is now serving his second tour of duty overseas. He entered service with the Ohio National Guard in 1940 and served 17 months with the 37th Division. In 1943 he returned to this country to enter training in the Air Corps. When this specialized training was discontinued, he was transferred to the infantry and sent overseas last October.

He is a graduate of West High School. He is the father of seven-months-old Sharon Lee.

Mrs. Mary Shipley, 450 S. Hague-av, has been notified by the War Department that her husband, Pvt. Rudolph Shipley, has been killed in action in the Mediterranean area. He was a native of West Virginia.

Navy Vet Dies Here On Sunday

A veteran of the Cuban Insurrection, the Boxer Rebellion and World War I, Otto A. Rieck, 62, of 166 S. Brinker-av, died at his home early Sunday following an illness of several months.

Mr. Rieck had served in the U. S. Navy for more than 13 years and had been engaged in the paint contracting business for 30 years. The urge to help his country was rekindled on Pearl Harbor Day and he promptly applied to the Navy for duty again. He was sent to Pearl Harbor the next month as a civilian painter.

Later Mr. Rieck was transferred to the Bremerton Navy Yard, Wash. In April 1944, he returned to his home because of ill health. Since that time he had been employed as a guard at the Curtiss-Wright plant. Due to continued ill health he was granted a leave of absence last October.

He was a past president of Columbus Camp No. 49, Spanish-American War Veterans, and Navy and Marine Post No. 276, American Legion. He was also a member of the I. O. O. F.

Funeral services were conducted Wednesday afternoon with burial in Sunset Cemetery. Surviving are his wife, Mrs. Anna Louise Rieck; son, Karl; four daughters, the Misses Violet and Lillian Rieck, and Henrietta G., Y2/c, Washington, D. C., and Mrs. Gladys Fisher, at home; two sisters, Mrs. Anna Miller and Mrs. Minnie Miller, and a brother, Charles Rieck.

Funeral services were held from the church Wednesday afternoon. In addition to her husband, Mrs. Swearingen is survived by three sisters, Mrs. Mary Williamson, Mrs. Elizabeth Hack and Mrs. Mabel Kerscher, all of Columbus.

Burial was in Green Lawn Cemetery.

New Market

Announcement was made this week of the opening, Mar. 3, of the Hilltop Produce, 2384 W. Broad-st.

The store, operated by Dan Birtcher of 1073 Cable-av, and Paul Rummell of 594 S. Yale-av, offers a complete line of fresh fruit, vegetables and eggs.

PLEADS GUILTY

Herman L. Marion, 38, of Springfield, pleaded guilty this week to the stealing of an automobile owned by Walter Scott, 1287 Sullivant-av. He was held for the grand jury under $300 bond.

FIRST HILLTOP G.I. HOME LOAN

Seated, left to right: Mr. and Mrs. Roger Lee Skinner. Mr. and Mrs. Clarence J. Ashcraft. Standing: Charles Pringle, Central Realty; Keith Martin, First Federal Savings & Loan Assn. attorney; and Herbert G. Deems, First Federal secretary.

First Federal Savings & Loan Ass'n. Is Scene of Final Signing Saturday

The first known G. I. Home Loan on the Hilltop was closed last Saturday morning at the First Federal Savings & Loan Co., 2869 W. Broad-st, when Mr. and Mrs. Roger Lee Skinner, 21 S. Wheatland-av, became home-owners under the government-sponsored plan for service men returning to civilian life.

The house, a six-room shingle, located at 979 Campbell-av, was purchased by Mr. Skinner from Mr. and Mrs. Clarence J. Ashcraft after being advertised for sale by the Central Realty Co. According to H. G. Deems, 32 N. Westmoor-av, First Federal secretary, it was the first home loan of this type made by the Hilltop office, although several have been closed by the company's downtown branch.

Mr. Skinner entered the Navy in Feb. 1943 and, upon leaving boot camp at Great Lakes was stationed at the storekeeper school in Newport, R. I. After spending 42 days in the hospital there he was medically discharged in Aug. 1943. Prior to entering service, he was a unit head in the Office Service Dept. at Curtiss-Wright. He returned to the same job immediately after being discharged

Mr. and Mrs. Skinner have two children, Sandra Sue, 28-months, and three-week-old Shiela Kay. As Mr. Deems summed it up, "You now have a new baby and a new home—what more could you want?" Which seemed all right with the Skinners as they left the office hand in hand.

Through a provision in the G. I. Bill of Rights, the federal government has made available to all veterans having entered service on or after Sept. 16, 1940, and having served at least ninety days or been injured or disabled before serving ninety days, a low-interest loan plan in which the government guarantees repay of the loan up to $2000 as long as the veteran uses the money for purchase of a home in which he will reside. That, in brief is the picture of a type of loan which will soon become commonplace over the entire country.

$40,000 Damages Sought In Suit

Damages amounting to $40,000 are being asked by Mrs. Zella Spanable, 92 N. Brinker-av, in a suit pending against the New York Central Railroad, it was revealed this week. The money is being sought as compensation for injuries said to have been suffered in a train wreck last April 7.

The injuries were sustained when the passenger train on which she was riding was derailed between London and Columbus. Mrs. Spanable said she received a crushed leg and concussion, and later developed pneumonia. An engineer and fireman, both Columbus men, were killed in the same wreck.

Face Grand Jury

Two Hilltop men were bound over to the Grand Jury last week by Judge Charles Petree in Police Court. Both pleaded guilty to charges of burglary and larceny and were being held pending $1000 bond.

William L. Van Walsoh, 22, of 482 S. Hague-av, was said to have pleaded guilty to charges of burglary and grand larceny. Clarence McDaniels, 18, of 339 S. Hague-av, pleaded guilty to a charge of burglary and petit larceny.

4 Robberies Are Reported

Four cases of armed robbery, attempted robbery and purse snatching were reported to police on the Hilltop this week. Three of the robbery attempts, possibly the work of a single individual, were made Tuesday night in the Sullivant-av, sector.

Peter Coroneos, 647 S. Hague-av, reported to officials that he was robbed of his wallet containing $45 in cash and a $25 check Tuesday night as he walked on Hague-av near Sulivant. A young man threatened him with a gun and demanded his money.

Marie Stephens, 540 S. Wayne-av, was accosted by a man with a gun as she waited for a bus at the corner of Sullivant and Oakley the same evening. She resisted his purse snatching attempt and the assailant fled. A short time later, Mrs. Joseph Rentler, 2728 Vida-pl, was surprised by a man answering the same description, as she walked on South Warren-av near Sullivant. Mrs. Rentler screamed when the bandit demanded her purse. The purse-snatcher fled.

On Monday evening Mrs. Ella Dixon, 434 S. Eureka-av, told police two boys seized her purse as she walked on South Eureka near her home. It contained $4 and eight ration books.

$3900 Reported In Fund Campaign

Service Men Laud Work of Local Unit

Appreciation for the work being done by the Hilltop Red Cross Surgical Dressing Unit came this week from three men at the front who realize far more than we here at home how important that work is.

Cpl. Robert M. Riggs, stationed with the 114th General Hospital Detachment in England, had the pleasant experience of opening a package of surgical dressings that had been prepared by the Franklin County Chapter. He is the son of Mr. and Mrs. Walter Riggs, 296 S. Burgess-av. Before entering the service he worked at Kent's Modern Market.

Writes Cpl. Riggs: "Was I ever homesick when in the operating room I opened these dressings made in Columbus, O. And darn good ones too."

The label from the dressing package was enclosed in a letter to his parents recently

Pfc. Post Writes

Added endorsments were received too, from Pfc. Charles A. Post, whose letter lauding the work of the Red Cross, was published in the Hilltop Record two weeks ago. This time he enclosed two letters written by a fellow soldier, Joseph N. Schneider, who also had the highest praise for the work of the surgical dressing units. The letters were sent to

Hope To Reach $5500 Goal Today

Volunteer solicitors for the Red Cross War Fund were well on their way toward reaching the goal set for the Hilltop as $3900 was reported at the close of solicitations Wednesday. A concerted cleanup drive was to have continued yesterday and today with the expectation that the Hilltop would go over the top by nightfall today.

"This has been designated as 'ladies day' and every effort is being made to reach the goal of $5500 set for this area," said Mrs. Leonard Wisdom, 254 N. Harris-av, colonel of the Hilltop area.

Response to the appeal generally has been better than last year, workers report, although continued rain and inclement weather has made the task of calling on every home a difficult one.

By Monday of this week $1800 had been reported in to headquarters. The $2100 additional was solicited for the most part on Tuesday and Wednesday. Franklin County is attempting to raise $798,500 as its share of the national quota of $200,000,000. Last year the Hilltop exceeded the same quota by more than $800. Mrs. Henry Whipple, 2602 Valleyview-dr, is serving as co-colonel for the area.

Wounded Vets from Fletcher Entertained at Local Homes

Variety Program at Legion Rooms Is Supplemented by Sunday Visits

By Merle Bargdoll

Sixteen wounded soldiers from Fletcher General Hospital were given a touch of home and normal living last week end, when a group of Hilltop people entertained them. The affair was sponsored by the Convalescent Service Columbus Women's Council of Navy League, from Fletcher General Hospital, Cambridge, Ohio, of which Mrs. Martha Lind, 28 N. Ogden-av, is chairman of the Hilltop Unit.

Dance At Legion Rooms

The boys arrived by bus at 5 o'clock Saturday evening and were taken to the homes of the various hosts for dinner. Later a dance and party was held at the Camp Chase Club rooms, with Dale Thatcher and his Hi-Hatters furnishing the music for the occasion. Mr. Tom Lewis and Mrs. Don Thatcher arranged the entertainment program.

Dance numbers were presented by Mary Ann and Claire Jane Gillivan, Joan McKinney, Betty Nodell and Lois Fuller. Magic numbers were performed by George Reddman. Readings were given by Mrs. Frank Smith. A boogie-woogie piano duet with songs and dances by James Blackwell and Tommy Beatty was highly appreciated by the soldier guests.

At Homes for Sunday

Each soldier was presented with a box of assorted gifts, donated by friends and business men of the Hilltop, during the evening, which ended with singing in which everyone took part. The soldiers were then taken to the homes of their various hosts, where they were entertained over Sunday.

Mr. and Mrs. L. Goodwin, 255 Eldon-av, Mr. and Mrs. Harry Anthony, 158 N. Powell-av, Mr. and Mrs. H. Swain, 153 S. Wayne-av, Mr. and Mrs. Charles Snyder, 619 S. Eureka-av, Mr. and Mrs. Chester Herbert, 89 S. Richardson-av, Mr. and Mrs. Graham Prior, 101 Eldon-av, Mr. and Mrs. Claud Jewell, 186 S. Terrace-av, Mr. and Mr. Galen Bishop, 48 N. Roys.-av, and Mr. and Mrs. Don Thatcher, 211 N. Hague-av, all entertained soldiers.

Well planned parties such as this one tends to make wounded soldiers forget war and their troubles. Some of the boys had recently arrived at the hospital from overseas and it was the first opportunity many of them have had to enjoy themselves.

"None But the Lonely Heart"

The rebellion of a restless young cockney against [illegible] world of misery and poverty is the basis for RKO's thrilling new drama "None But the Lonely Heart" which is based on Richard Llewellyn's best selling novel. Cary Grant is starred and Ethel Barrymore featured in an equally important role.

The picture tells the story of Ernie Mott, a no'er-do-well, played by Cary Grant, who is caught in the slough of misery in London's seamy East End. He has no regard for his mother, played by Miss Barrymore, nor for the love of a neighborhood girl. He takes his lawdry pleasures in a neighborhood "Fun House" and falls in love with one of its employees.

When he is finally spurred by desperation to relieve the miseries of his lot, he joins a gang of thugs, with the usual disastrous results. The fade-out, however, brings a promise of hope.

Supporting the two principals in a long cast of weird and interesting personalities are Barry Fitzgerald, Jane Wyatt, June Duprez, George Coulouris and Konstantin Shayne. "None But the Lonely Heart" opens at the Westmont, Sunday, March 11 for a three-day engagement. The companion feature is "Gypsy Wildcat," starring Maria Montez and Susanna Foster.

ADVICE ABOUT KEEPING WELL

★ "The man who thinks to conserve his health by uselessness and ease does not differ from him who guards his eyes by not seeing, and his voice by not speaking. . . . Least of all is it to be assumed that laziness is healthful, if it destroys what health aims at; and it is not true that inactive people are more healthy."

This excerpt from Plutarch's essay *Advice About Keeping Well*, written over 2,000 years ago, might have been written yesterday. Had medicine and pharmacy been as well developed then as they are today, we are certain he would have stressed the value of a periodic physical examination by a qualified physician. By the same reasoning, it is wise to take your prescription to a registered pharmacist for expert compounding. We are prescription specialists.

Your Red Cross Faces the Greatest Task in Its Long History Columbus and Franklin County's Goal Alone is $798,500!

After three years of war the work of your Red Cross is greater than ever. It must be to serve millions of our fighting men at home and abroad. Lonely men. Homesick men. Wounded men. The Red Cross lends a helping hand. And remember, YOU . . . and you alone . . . keep the Red Cross alive. For without your help there could be no Red Cross.

Ask yourself: "Have I done as much as I can for MY Red Cross—which is at my boy's side—ready to aid, comfort and cheer him?" The Red Cross is doing YOUR job—doing for your boy what you can't do. Keep the Red Cross at his side. Give now—and give more.

What Is Legal Liability?

Common Law imposes on everyone the responsibility of proper care for the safety of the public. The failure to do what a reasonable person would ordinarily have done under the circumstances is generally known as "Negligence," which is the basis of any legal liability claim for damages. Just what constitutes negligence in any particular set of circumstances is a question of fact to be determined by a jury.

Liability Insurance is a necessity for everyone. Serious financial loss and possibly bankruptcy may be avoided by adequate protection. For further information, call

She's Guardian Of Food

THE pre-eminent task of protecting the home front is given to the WIVES of America. From the kitchens of the nation flow a fighting power . . . a power that is only partially tapped . . . the aggressive right to fight food waste. It means making what we have go farther. It means making what we use do more. This job, done conscientiously, is as important as building planes or piloting them over enemy territory. By fighting waste and saving, we make that possible and, at the same time, maintain a strong home front economy.

Cowboys Vs. Weatherman In Ball Game

With the close of basketball season, and snow flurries still in the air, Coach Dale Rose lost no time as he started recruiting and equipping a West High School baseball team this week.

Although the weather prevented much outdoor practice, pitchers and catchers started throwing in the gym and a few rounds of fungo-hitting were sneaked into the schedule.

Coach Rose announced a schedule of 12 league games and one non-league fray already on the books, with a strong probability of adding two more with Springfield and two with Arlington.

With seven regulars missing from last year's championship team, Coach Rose faces a problem in rebuilding. Gilmore Haines, Blackwell, Shade, and Bell went by way of graduation, and Hesler and Crawford entered service recently.

Pitchers reporting this week were Paul Hagenberger, Bob Thurn, Jack Thrush, Don Borror, Bob Nash, Lee Dierst and Mark Stevens. Catching hopefuls included besides the veterans Rennie Parker and Dick Ison, Jerry Chinn, Starling Hutt and Lee Schlegel.

Receives Medal

Edward Carroll

In the name of the President of the United States, the Commander, Second Carrier Task Force, U. S. Pacific Fleet, presents the Navy and Marine Corps Medal to Edward S. Carroll, Jr., S 1/c, U. S. N. R. for service as set forth in the following Citation.

"For distinguishing himself by heroism while his ship was conducting fire fighting and rescue operations alongside an aircraft carrier on Oct. 24, 1944. With complete disregard of his own safety, he voluntarily and courageously dived overboard from his ship and succeeded in rescuing one drowning survivor and in assisting two others to make the side of the ship. Only when physically exhausted did he leave the water. His conduct was at all time in keeping with the highest traditions of the United States Naval Service."

Edward S. Caroll, Jr., S1/c, son of Mr. and Mrs. Edward S. Carroll, 381 S. Ogden-av, entered the service in Sept. 1943 and was sent overseas into active service in Jan. 1944.

Caroll was home on a ten-day leave last November visiting his parents.

Servicemen Lauded

(Continued from Page One)

Pfc. Post's sister, Mrs. Bertha Pressler, 1293 N. Warren-av, "Every soldier carries a sterile bandage with him at all times when in combat. There are times though when he cannot use it himself, such as a wound of the upper extremeities (hands or arms) and wounds of a serious nature. This is where the aid man comes in. In cases of this kind many bandages may be required. But having sterile bandages available may prevent gangrene and in saving loss of life as well."

"Through every phase in the treatment of a casulty, the bandage continues to shine. It is a part in the caring for the wounded. To the women of the Red Cross is a feeling of deepest appreciation in the hearts of wounded men and all men in the services. They know the great assistance you have given in the preparation of these bandages. They, the American soldiers, praise you, salute you, and thank you. May your noble work continue."

Pfc. Post and his buddy are with General Patton's Third Army in Luxembourg where there have been plenty of occasions to use every kind of surgical dressing.

Cpl. Riggs also has a good word to say for other activities carried on by the Red Cross.

Praises Red Cross

"We go to the Red Cross shows and always enjoy them. The little ginger last night surely was good. When we go into town we stay at the American Red Cross for the night. They have clean white sheets and blankets and the rooms are really nice and clean."

Cpl. Riggs expresses his appreciation of the Hilltop Record and the news it carries from home. "Keep it coming Mom," is his request.

HELP RING THE BELL 'TIL VICTORY RINGS OUT!

Each day sees a new rap at the Jap. The Helldiver dive bomber plays a big part in many. But it'll take plenty more hard strikes on the war front and on the production front before we ring the bell that will ring down the curtain for good.

Take a job now at Curtiss-Wright. Get more badly-needed Helldiver dive bombers to our Navy fliers. Both men and women are needed, experienced and inexperienced. If inexperienced, a few weeks in the Training School at the plant (with pay) will fit you for the assembly line. Don't wait for someone else to bring the war to a quicker end. Do your share . . . work at Curtiss-Wright.

VOL. XXVII, No. 45

The Hilltop, Columbus 4, Ohio, Friday, March 16, 1945

Total No. 1355

We spent a very enjoyable evening Monday listening to a practice session of the Hilltop Male Chorus, directed by W. Hayden Jones . . . scheduled to take a leading role in the Hilltop Minstrel on April 5th and 6th, the chorus sounds better this year than ever before.

Averaging around 30 voices, it will render several numbers, including two solos, and will also back up interlocutor Leo Phillips while he gives out with "Don't Fenge-Me In" . . .

GET YOUR TICKETS

General admission tickets will go on sale this week-end at all Hilltop business places, it was announced Thursday by Joe Goodwin, chairman of the committee . . . they will sell for 35 cents, and must be exchanged at Shank & Saunders on Saturday, March 31 after 12:00 noon, if reserved seats are desired . . . the extra moolo will amount to 15 cents.

KIDWELL GRADUATES

Jack Kidwell, who just recently received his gold bars from O.C.S. at Ft. Benning, Ga., left for Camp Shelby, Miss., after spending a seven-day leave with his parents, Mr. and Mrs. L. E. Kidwell of Beacon Light Golf Course . . .

The Kidwells recently received word from their other son, Warrant Officer William, who is now on Luzon with the 37th Division. In his letter he said, "If just half of the people at home are as loyal as the Philipinos, my three years haven't been in vain" . . .

"Didn't Get a Scratch," Says Fletcher Campbell in Letter to Parents Recently

PFC. FLETCHER CAMPBELL

Shown second from left in the top photo, is "doing "all right" after helping in the rescue of prisoners from the Jap prison camp at Cabanatuan.

Few incidents in this war have stirred the hearts of the American people more than the heroic rescue of 486 American prisoners at Cabanatuan in the Philippines by the 6th U. S. Rangers on January 30 of this year. One of those 121 Rangers, under the command of Lieut. Colonel Henry A. Mucci, is the son of a Hilltop pharmacist. He is Pfc. Fletcher Campbell, son of Mr. and Mrs. C. H. "Doc" Campbell, 791 S. Westmoor-av.

How this picked group of volunteers went 35 miles behind the Jap lines and took the prison camp by complete surprise was told by Correspondent Carl Mydans in a recent issue of Life Magazine. Hilltoppers might easily have missed any connection between the story and a local boy had it not been for a picture of part of the Rangers as they were returning to camp after the rescue had been accomplished. This picture, which was released to most of the newspapers throughout the country, showed Fletcher with his buddies plainly showing the effects of the ordeal but still able to smile as the picture was snapped. The photograph was immediately recognized by his parents and some of his close friends.

Surprise to Parents

That their son was a member of the Rangers came as a complete surprise to Pfc. Campbell's parents although they had known that his training and activities for several months had been cloaked in secrecy that prevented his writing what he was doing or where he was located.

In a letter received last week he told his parents, "I am all right. I didn't get a scratch." But there were no details of the January 30 rescue.

Correspondent Mydans describes the operation in the following words:

"The orders were "Do two marches of 25 miles and assemble five miles from the prison camp and strike at 1729 hours."

"The Rangers traveled light and fast. They were largely pistol-necking farm boys, hand-

Daylight Robber Is Caught By Kent and Police

Richard Leonard, 17, of 3209 Sulivant-av, was to appear in Juvenile Court today to answer charges of armed robbery as a result of his mid-day foray on Sullivant-av last Thursday.

According to police, Leonard entered Russells Pharmacy, 2786 Sullivant-av, about 11:30 on March 8th, sat down in a booth, donned a handkerchief mask and, drawing a 32-caliber revolver told Mrs. Dorothy Russell, wife of the owner, of 320 S. Ogden-av, that it was a stick-up. After he rifled the cash register, he relieved E. C. Henley, 326 S. Terrace-av, of $10 with which he was paying a gas bill.

Pocketing the $50, he ran out of the store and west on Sullivant. Henley rushed to the nearby Kent's Market, where he was employed, told Charles L. Kent of 323 S. Terrace-av of the robbery, then called police while Kent and Jack Fisher, of 433 Binns-blvd, started driving in search of the disappearing bandit.

Kent said they turned south off of Sullivant as it became apparent that Leonard had temporarily made his escape, locating him in the vicinity of Mound-st and Wayne-av. Kent then drove north to Sullivant where he met Cruiser Patrolmen Lee Hartung and Dick Reed, directing them to the scene.

Police said Hartung advanced on Leonard as he was pointed out by Kent as the boy was stooped over behind a parked car as if he was tying a shoe lace. In response to Hartung's "I want to talk to you," the boy allegedly reached for his gun and was immediately covered and disarmed. Meanwhile Reed had been searching possible places of concealment in the vicinity.

Officials indicated Thursday that Leonard would probably be remanded to the reformatory by Juvenile court because of his age and past record. He was recently released from the Boys' Industrial School at Lancaster.

HBMA HEARS RHODES ON PROGRESS OF CITY HALL

Matson Reveals Westward Sewer Plans; Popular Trio Previews Minstrel Show

The largest crowd in recent months attended Tuesday night's meeting of the Hilltop Business Men's Association to hear Mayor James A. Rhodes expound on the success of his regime in office at City Hall. After throwing the meeting open to any and all questions, the Mayor came through with answers, receiving a rising vote of confidence from his audience at the finish.

Scheduled to perform as guest speaker at the regular monthly meeting of the association at Schmelzer's Restaurant, Rhodes got off to a bad start by arriving late to face a hungry audience well armed with questions about the shortcomings of city administration. Chief of these, of course, was the refuse collection problem. However, he was well prepared with answers to this one, going to great pains to point out all of the problems of collection, reason for the $5.00 tax and statistics to show that Columbus "had better rubbish collection during the winter than any other city of its size in the country."

Rhodes

Moving Along

While warming up to his subject, the Mayor stated that he had accomplished five and one-half of his six campaign promises, refuse collection being the one-half unaccomplished. Further, the starting deficit of $1,200,000 was now reduced by one-half, politics had been taken out of the police department and juvenile delinquency was down 23% because they were cracking down on the parents.

Commenting on a statement that juvenile delinquency seemed to be increasing on the Hilltop, Rhodes said, "It just seems that way because we are catching them now, whereas they used to get away with it."

Mr. Rhodes described his campaign for rat and smoke control, telling of his survey on rats and developments, such as smokeless stoves and furnaces, railway engine abatement devices, his search for an experienced stationary engineer and the plan to bring outlying villages into the program.

Trio Makes a Hit

A popular special event of the evening was the singing of a trio made up of Alice Remington, Nancy Shepard and Elizabeth Walton who, accompanied by Mrs. Clyde Moore, sang "Will You Remember," "Whispering," "Sweet and Low," and encored "Without a Song." The three girls are scheduled to warble at the Hilltop Minstrel on April 5th and 6th.

After hearing committee reports, the Jones Flying Service and Darden Bronze Tablet Co. were unanimously elected to membership. A Spring dance was also decided upon and was turned over to the entertainment committee for development.

Matson on Sewers

County Commissioner George Matson, with the help of a planning commission blueprint, explained plans for the proposed sewer line to extend from the probable site of the Fisher Body Plant, through Westgate Park, South to Sullivant-av. He emphasized the necessity of all proposed secondary lines being given a 100% petition to the county commissioners before it was possible to lay any ground work for them. It was apparent that the contaminated condition of Westgate Park lake in mid-summer could only be eliminated by extensive sewer construction.

Mayor Rhodes and Matson affirmed the probability of a $3,000,000 Memorial Hall "at the foot of the hill" sometime in the future.

Booster prizes were drawn by Clarence Story, Ann McClelland, Kenneth Barnes, Tom Lewis and Don Smith. They were provided by Southworth Poultry, Attorney Phil Stout, Stephens Florists, Story Dry Cleaning and Superior Drugs.

Williams Resigns As Community Council Prexy

Stating that the press of his regular duties would make it impossible for him to give sufficient time to the Council's work, Mr. H. M. William, 133 Guernsey-av, recently elected president, tendered his resignation to the executive board of the Hilltop Community Council last Monday evening.

Mrs. F. Kenneth Dickerson, 3121 W. Broad-st, newly-chosen vice-president, also resigned, "in order to give a new president a free rein in planning his program."

A nominating committee, to select other candidates for these offices, was appointed by the executive board. Chairman of this committee is Rev. A. J. Wold. Others serving on the committee are Curt Roberts, Mrs. P. B. Benton, Kay Erf, and Dick Slager.

The Community Council's regularly scheduled meeting, for next Tuesday night at 7:30 at the Eagle's Hall, 2354 W. Broad-st, will have as its function the selecting of new officials. All members, and those interested, are urged to attend and participate in the voting. Committee organization will also take place at that time, and plans will be outlined for the year.

"Didn't Get a Scratch," Says Fletcher Campbell in Letter to Parents Recently

PFC. FLETCHER CAMPBELL

Shown second from left in the top photo, is "doing "all right" after helping in the rescue of prisoners from the Jap prison camp at Cabanatuan.

Few incidents in this war have stirred the hearts of the American people more than the heroic rescue of 486 American prisoners at Cabanatuan in the Philippines by the 6th U. S. Rangers on January 30 of this year. One of those 121 Rangers, under the command of Lieut. Colonel Henry A. Mucci, is the son of a Hilltop pharmacist. He is Pfc. Fletcher Campbell, son of Mr. and Mrs. C. H. "Doc" Campbell, 91 S. Westmoor-av.

How this picked group of volunteers went 55 miles behind the Jap lines and took the prison camp by complete surprise was told by Correspondent Carl Mydans in a recent issue of Life Magazine. Hilltoppers might easily have missed any connection between the story and a local boy had it not been for a picture of part of the Rangers as they were returning to camp after the rescue had been accomplished. This picture, which was released to most of the newspapers throughout the country, showed Fletcher with his buddies plainly showing the effects of the ordeal but still able to smile as the picture was snapped. The photograph was immediately recognized by his parents and some of his close friends.

Surprise to Parents

That their son was a member of the Rangers came as a complete surprise to Pfc. Campbell's parents although they had known that his training and activities for several months had been cloaked in secrecy that prevented his writing what he was doing or where he was located.

In a letter received last week he told his parents, "I am all right. I didn't get a scratch." But there were no details of the January 30 rescue.

Correspondent Mydans describes the operation in the following words:

"The orders were "Do two marches of 25 miles and assemble five miles from the prison camp and strike at 1729 hours."

"The Rangers traveled light and fast. They were largely pistol-packing farm boys, hand-

Daylight Robber Is Caught By Kent and Police

Richard Leonard, 17, of 3209 Sullivant-av, was to appear in Juvenile Court today to answer charges of armed robbery as a result of his mid-day forays on Sullivant-av last Thursday.

According to police, Leonard entered Russells Pharmacy, 2785 Sullivant-av, about 11:30 on March 8th, sat down in a booth, donned a handkerchief mask and, drawing a 32-caliber revolver told Mrs. Dorothy Russell, wife of the owner, of 320 S. Ogden-av, that it was a stick-up. After he rifled the cash register, he relieved E. C. Henley, 326 S. Terrace-av, of $10 with which he was paying a gas bill.

Pocketing the $50, he ran out of the store and west on Sullivant. Henley rushed to the nearby Kent's Market, where he was employed, told Charles L. Kent of 323 S. Terrace-av of the robbery, then called police while Kent and Jack Fisher, of 433 Binns-blvd, started driving in search of the disappearing bandit.

Kent said they turned south off of Sullivant as it became apparent that Leonard had temporarily made his escape, locating him in the vicinity of Mound-st and Wayne-av. Kent then drove north to Sullivant where he met Cruiser Patrolmen Lee Hartung and Dick Reed, directing them to the scene.

Police said Hartung advanced on Leonard as he was pointed out by Kent as the boy was stooped over behind a parked car as if he was tying a shoe lace. In response to Hartung's "I want to talk to you," the boy allegedly reached for his gun and was immediately covered and disarmed. Meanwhile Reed had been searching possible places of concealment in the vicinity.

Officials indicated Thursday that Leonard would probably be remanded to the reformatory by Juvenile court because of his age and past record. He was recently released from the Boys' Industrial School at Lancaster.

HBMA HEARS RHODES ON PROGRESS OF CITY HALL

Matson Reveals Westward Sewer Plans; Popular Trio Previews Minstrel Show

The largest crowd in recent months attended Tuesday night's meeting of the Hilltop Business Men's Association to hear Mayor James A. Rhodes expound on the success of his regime in office at City Hall. After throwing the meeting open to any and all questions, the Mayor came through with answers, receiving a rising vote of confidence from his audience at the finish.

Scheduled to perform as guest speaker at the regular monthly meeting of the association at Schmelzer's Restaurant, Rhodes got off to a bad start by arriving late to face a hungry audience well armed with questions about the shortcomings of city administration. Chief of these, of course, was the refuse collection problem. However, he was well prepared with answers to this one, going to great pains to point out all of the problems of collection, reason for the $5.00 tax and statistics to show that Columbus "had better rubbish collection during the winter than any other city of its size in the country."

Rhodes

Moving Along

While warming up to his subject, the Mayor stated that he had accomplished five and one-half of his six campaign promises, refuse collection being the one-half unaccomplished. Further, the starting deficit of $1,200,000 was now reduced by one-half, politics had been taken out of the police department and juvenile delinquency was down 23% because they were cracking down on the parents.

Commenting on a statement that juvenile delinquency seemed to be increasing on the Hilltop, Rhodes said, "It just seems that way because we are watching them now, whereas they used to get away with it."

Mr. Rhodes described his campaign for rat and smoke control, telling of his survey on rats and developments, such as smokeless stoves and furnaces, railway engine abatement devices, his search for an experienced stationary engineer and the plan to bring outlying villages into the program.

Trio Makes a Hit

A popular special event of the evening was the singing of a trio made up of Alice Remington, Nancy Shepard and Elizabeth Walton who, accompanied by Mrs. Clyde Moore, sang "Will You Remember," "Whispering," "Sweet and Low," and encored "Without a Song." The three girls are scheduled to warble at the Hilltop Minstrel on April 5th and 6th.

After hearing committee reports, the Jones Flying Service and Darden Bronze Tablet Co. were unanimously elected to membership. A Spring dance was also decided upon and was turned over to the entertainment committee for development.

Matson on Sewers

County Commissioner George Matson, with the help of a planning commission blueprint, explained plans for the proposed sewer line to extend from the probable site of the Fisher Body Plant, through Westgate Park, South to Sullivant-av. He emphasized the necessity of all proposed secondary lines being given a 100% petition to the county commissioners before it was possible to lay any ground work for them. It was apparent that the contaminated condition of Westgate Park lake in mid-summer could only be eliminated by extensive sewer construction.

Mayor Rhodes and Matson affirmed the probability of a $3,000,000 Memorial Hall "at the foot of the hill" sometime in the future.

Booster prizes were drawn by Clarence Story, Ann McClelland, Kenneth Barnes, Tom Lewis and Don Smith. They were provided by Southworth Poultry, Attorney Phil Stout, Stephens Florists, Story Dry Cleaning and Superior Drugs.

Mrs. F. Kenneth Dickerson, 3121 W. Broad-st, newly-chosen vice-president, also resigned, "in order to give a new president a free rein in planning his program."

A nominating committee, to select other candidates for these offices, was appointed by the executive board. Chairman of this committee is Rev. A. J. Wold. Others serving on the committee are Curt Roberts, Mrs. P. B. Benton, Kay Erf, and Dick Slager.

The Community Council's regularly scheduled meeting, for next Tuesday night at 7:30 at the Eagle's Hall, 2354 W. Broad-st, will have as its function the selecting of new officials. All members, and those interested, are urged to attend, and participate in the voting. Committee organization will also take place at that time, and plans will be outlined for the year.

Patrolman Hulls Aids In Drive

The box contained $19.70 and Meister handed Officer Hulls four crisp $10 bills, adding the sum to his own personal contribution to the worthy [illegible].

Thomas Sabrey, fund chairman, personally thanked Meister when the matter was brought to his attention. He learned, too, that customers were appealed to for donation of their extra pennies when buying cigarets and that the restaurant employees guarded well the box as one in a previous campaign had been stolen.

3-4 pork hearts
Seasoning
Flour
Bacon fat
2 onions
1 cup diced carrots
1 cup canned tomatoes

Wash and clean hearts. Slice or chop the hearts into ¾-inch pieces across the grain. Season. Roll in flour and brown in bacon fat, in a heavy kettle. Add sliced onions, tomatoes and hot water. Cook slowly, covered, on top of the stove for 2½ to 3 hours. Add carrots the last hour.

Add more water from time to time if original amount cooks away. Thicken liquid for gravy. Serves 4.

Cut 1½ lbs. thin veal round steak into individual cutlets. When this is done sprinkle with 4 tablespoons grated dry type cheese mixed with 4 tablespoons flour and pound it in on both sides. When the steak is well flattened, fry slowly until lightly browned in melted butter, or butter and lard mixed. Let cook 15 minutes keeping the fire very low after first browning. husband of Mrs. Jacqueline Gardine, 1114 N. Powell-av., was wounded in action with a tank destroyer battalion in Belgium on Jan. 17.

His two children, Sandra Therese, 5, and Jones L. Gardine, 3, reside at the Powell-av address.

Prior to his entry into the service in June, 1944, he was in charge of the labor pool at the Govt. Depot.

Pvt. Gardine was a member of St. Aloysius Parish and a graduate of St. Mary's School.

Jack Moore Now In Marine Corps

Private Moore

Private Clyde Jackson (Jack) Moore, 18, son of Mr. and Mrs. Clyde D. Moore, 236 Binns-blvd, left March 14 for Parris Island, South Carolina, where he reported for active duty in the U. S. Marine Corps Reserve.

Pvt. Moore is a graduate of West High School, where he played left end on the football and was co-sport editor of the "Occident." He enlisted in the Marine Corps last December and was employed in the circulation department of the Ohio State Journal.

Graduated From West

Pfc. Campbell was an unassuming sort of boy who grew up on the HillTop, spent some time in his father's drug store and probably never dreamed of taking part in so famous an incident as the liberation of Cabanatuan. He graduated from West High School in 1940 where he had been active in the Triangle Club and other extra curricular activities. Following his graduation he worked as a heat treater at the Curtiss-Wright Plant until his induction in November, 1942.

He trained at Ft. Hancock, New Jersey, and was assigned to the Atlantic Coast Patrol for six months. Later he entered ASTP training at Providence College, Providence, R. I. When that program of specialized training was curtailed he was returned to the infantry and was stationed at Camp Rucker, Alabama.

In April, 1944, he was sent overseas to the Hawaiian Islands. The inactivity at his station there soon prompted him to volunteer for service with the Rangers. That information was gathered from letters to his parents in months past, although at the time they did not know what the nature of his training was. He took part in the Languayan Gulf landings following the invasion of Leyte last October.

Just what missions will be given the 121 Rangrs has never been revealed thus far but it is a well known fact that General Douglas MacArthur was deeply touched by the heroic rescue of the men who had been under him at Bataan. As soon as the story was released to the world, General MacArthur was quoted as saying, "This incident (the rescue) gives me greater personal satisfaction than anything that has been accomplished in the South Pacific thus far."

While dozens of other Hilltoppers have distinguished themselves on other fields of battle in every part of the world, it's a safe bet that the work of a Hilltop druggist's son, Pfc. Fletcher Campbell, will go down as one of the outstanding operations of the war.

Hilltop Boy

(Continued from Page One)

picked for just such a job as this. They were no helmets but each man carried two pistols, a knife, one canteen and two days' stream-lined rations. 'You're not to eat your rations or drink the water,' was the order, 'they're for the men you release. There are some 450 Japanese there and you are 121 Rangers. You can do it.'

That the Rangers did it is now history. The surprised prisoners could hardly believe that their liberation was at hand. The orders had been, "Bring out every man. Bring them back if every Ranger has to carry a man on his back."

And that is what some of them had to do for many of these heroes of Bataan and Corregidor who had survived the infamous "march of death" at the hands of the Japs were too weak to walk more than a few yards on their own strength. Some were loaded into Filipino oxcarts, others were able to march the entire distance.

Congratulations, NAVY

MISSION COMPLETED—Helldiver returns to its flat-top in a scene from "THE FIGHTING LADY"

THIS picture, with action scenes filmed in brilliant technicolor right on the spot by Navy personnel, is more thrilling, more gripping than any fiction. It takes you aboard a carrier with its crew in training, at work, at battle stations and into the skies with its bomber and fighter squadrons.

Jap Zeros plummet to the sea; enemy carriers, munition ships and destroyers are sent to the bottom. Lt. Robert Taylor, USNR, popular film star, is the narrator.

The men and women of Curtiss-Wright, builders of the Helldiver dive bombers which play a prominent part in the filmed action, are intensely proud of the skillful, courageous way our Navy is fulfilling its task.

VOL. XXVIII, No. 45 — The Hilltop, Columbus 4, Ohio, Friday, March 23, 1945 — Total No. 1356

This guy Dale Rose, in addition to being known as a very good coach, is aquiring quite a reputation for his wit . . . happening by West High's baseball diamond during a recent practice session of the Cowboys, we heard one of the managers report that he had gathered up all of the baseballs except the two that were in the gutter of the school building . . .

Since that gutter is around 400 or so feet from the diamond, we commented to Rose that he was getting pretty good hitting for schoolboys, upon which he promptly quipped, "Yes, we must get rid of these weak hitters. We can't afford to hire boys to pick up balls over on Broad-st if they are going to just hit them on top of the school building".

VISITS DAUGHTER

O. H. Craft has just returned from a visit to the WAC Medical Training Center at Ft. Oglethorpe, Ga. where his daughter, Lois, is going through the ropes . . . He reports that the girls there are very much enthused with the job they have to do and are really earnest in their training in this newly organized branch of the Womens Army Corps.

RECEIVE CAPS

Three Hilltop student nurses received their caps this week after having completed the required 80 hours of training at Grant and University Hospital. They are: Mrs. Morgan W. Bush, 661 Binns-blvd; Miss Margaret Louise Grom, 190 N. Wheatland-av, and Miss Phyllis W. Cannon, 775 Eureka-av.

MIDGET AUTOS

There is a slight possibility that the Hilltop may again be the scene of midget auto races, if the citizens are not too much against the noise and fumes which accompanies them . . . Jack Waidelich of the Columbus Miniature Race Car Club was doing a little inquiring Wednesday eve toward the possibility of getting back into the former track alongside the Hilltop Swimming Pool.

GAG SESSION

Blackface gags were flying thick and fast Wednesday evening when End Men Billy and Marvin Southworth and Geo. Hardy gathered with Interlocutor Leo Phillips, Director Lee Koontz and Maestro Mac Toill at Billy's home, 1586 Sullivant-av, to prepare their gag routines for the 16th Annual Minstrel.

With the show being put together Sunday afternoon, the boys figured they had better get on the ball with that funny stuff . . . they should have sold admission tickets to that one!

HERE AND THERE

Mary Catherine Page, with a downtown bank for 13 years, is now handling the greenbacks at the Hilltop Branch of First Federal Savings & Loan . . . Capt. Roy Riggs, with a Third Army quartermaster unit in Germany, has shared in a presidential unit citation . . .

When Mrs. Albert Davis, 2970 Wicklow-rd, was taken to the hospital after breaking a leg recently, it was discovered that her husband had gotten excited and placed non-mating shoes on her feet. He says, "What the heck, I can't think of everything."

Mayor Rhodes recently made the statement that juvenile delinquency was down several percent because they were being caught, yet Hilltop business places are still being burglarized . . . people are beginning to wonder if maybe the percentage of delinquent acts aren't increasing in direct proportion with the arrests.

Retired Grocer Dies At Home

William A. Snyder, 70, a retired grocer, passed away at his home, 58 S. Central-av, Friday morning. Funeral services were conducted Monday by Wylie S. Shroyer.

For 34 years Mr. Snyder had been associated with Snyder and Rohr Grocery on West Park-av. He is survived by a son, Orland L. Snyder; daughter, Mrs. Helen Gruber; two grandchildren; two sisters, Mrs. Mary Rohr and Mrs. Laura Fullen, and a brother Grover Snyder.

George Ell Leaves Fire Department After 25 Years

George D. Ell, 168 S. Harris-av, has submitted his resignation after 25 years with the Fire Department. Most of that time was spent at Engine House No. 17 here on the Hilltop.

Mr. Ell went to work for the Department when the Hilltop consisted of only a few houses and most of the streets were mud a good portion of the year. The fire fighting equipment of No. 17 was one pumper equipped with hard rubber tires.

His period of duty with the Department was interrupted during World War I when he served overseas.

Mr. Ell has not decided on his plans for the future. He will possibly go into business for himself at some future time.

The most spectacular fire he ever helped to fight was the one at Long and High in 1937. At that time he was on duty 32 hours without a break. In leaving the Department, Mr. Ell expressed his best wishes to the Fire Department and to the people of the Hilltop for the years of association he has had with both.

Maus To Head Local Council

C. P. Maus, 70 N. Westgate-av, was elected president and Mrs. George Skipper, 40 N. Eureka-av, was named vice-president of the Hilltop Community Council at a special election Tuesday night. The two officers were named to take the places of H. M. Williams and Mrs. F. Kenneth Dickerson who had resigned a week ago following the regular election.

Williams stated at the time of his withdrawal that his regular duties would not permit his giving the amount of time required to direct the work of the Council. Mrs. Dickerson's resignation followed so that the new president could be given a free rein in planning his program for the year.

At the meeting Tuesday night the constitution was read and discussed. An executive board meeting will be held soon, it was announced. Various methods of raising funds were discussed but no decisions were arrived at.

REV. CARVETH MITCHELL RESIGNS CHARGE HERE

Accepts Call To Mansfield Church

Rev. Mitchell

The resignation of the Rev. Carveth P. Mitchell, who has been pastor of the Hilltop Lutheran Church for the past seven years, came as a great surprise to his many friends on the Hilltop this week.

Rev. Mitchell states that he resigned in order to accept a call to the First Lutheran Church of Mansfield, Ohio. His resignation was accepted at a congregational meeting Wednesday night and will be effective May 1.

During his pastorate here, the Hilltop church has increased its membership to more than 400. His new church has an approximate communing membership of 2000.

Rev. Mitchell graduated from Wittenberg College in 1934, with an A.B. degree. In 1937 he graduated from Hamma Divinity School, at Springfield, Ohio, with a B.D. He came here seven years ago from the First Lutheran Church of Dayton, Ohio, where he was assistant pastor. He succeeded the Rev. William G. Lubkin at the church here.

The pastor recently purchased a home at 135 Algonquin-av, which he is planning to sell. His family consists of his wife and three-year-old son, Sandy.

Hilltop Gives $7000 Boost To Red Cross

Red Cross Workers reported this week that their drive has been a success not only in the city, but especially on the Hilltop. The total amount that has been collected will exceed $7000. The Hilltop quota was $5500.

The staff of the Surgical Dressing Unit, which was in charge of collections in Hilltop theatres collected a total of $660.67 from the Westmont, Rivoli and Ritz theatres, according to Mrs. Carl N. Wisker, 240 N. Warren-av, chairman of the unit.

Mrs. Leonard Wisdom, Colonel of the Hilltop area, and her co-workers wish to thank the people of the Hilltop for their co-operation in the drive.

Hitch-Hikers Warned

A warning was issued this week by Police Chief Lester Merica to hitch hikers who persist in standing in the streets to attract the attention of motorists that they will be subject to arrest for creating a traffic hazard.

Motorists have complained that many times they are forced to swerve their car from the regular lanes of traffic to avoid hittting those attempting to get rides.

Vacant Lots To Be Let Out As Victory Gardens

Announcement was made this week by J. McNamara, administrator of the H. V. Butler estate, that the vacant lots in the addition bounded by Union-av, Mound-st, Wrexham-av and Whitethorne-av, will be given out for victory gardens again this year. About 250 lots will be distributed.

W. R. Curry, who laid out the addition, will have full charge. The only requirement, according to Mr. Curry, is that the lots be left in as good condition as when they are received. Debris must be cleaned off.

Preference will be given those who had the lots last year, it was stated. Any left over will then be distributed to the newcomers.

Mr. Curry will be at his home, 477 Belvidere-av, on Saturday, March 24, from 1 to 6 p. m. Any persons who are interested may call on him at that time, to sign up for a lot. It was announced that requests will not be received at any other time by Mr. Curry.

Legion Leases New Club Rooms

A one-year lease, with option of renewal, has been taken on rooms above Herbert's Market, Burgess and Broad-sts, by Camp Chase Post No. 98, American Legion. Their lease has expired at 3184 W. Broad-st and Ralph Schmeizer, owner of the present headquarters, is planning to remodel the old club rooms, it was announced by M. H. Austin, commander.

The new quarters will be a temporary arrangement until the time that plans can be completed for the new Memorial Hall, where they will make their permanent headquarters, according to Austin.

The Legion will move April 1, and will be in their new quarters for their meeting Friday, April 16.

Eugene Wolfe Is Named VFW Head

The annual election of officers of Westway Post, V.F.W., held Tuesday night resulted in naming of the following men:

Commander, Eugene Wolfe, 76 N. Ogden-av; senior vice-commander, William Cannon, 151 N. Chase-av; junior vice-commander Arthur Garrison, 643 S. Wayne-av; quartermaster, Harry Zulauf, 136 S. Roys-av; judge advocate, Ray Boord, 604 Salisbury-rd; chaplain, Herbert Kunzi, 3133 Ellis-pl; surgeon, Dr. Luther Adams, 2433 Sullivant-av; trustee, Clifford Thompson, 68 S. Harris-av.

Named county council delegates were Paul Linder, 460 S Huron-av, and R. G. Wilson, 1451 Accommodation-av. Alternates are Clifford Thompson and Dick Becker, 70 S. Harris-av.

25th ANNIVERSARY

Homer Richter, 25 S. Westmoor-av, head of the Police Department Identification Bureau, celebrated his 25th anniversary with the department on Tuesday.

Richter joined the force on March 20, 1920, and has been head of the bureau since 1940.

Sgt. Carl Stevens Completes 240 Combat Hours in Fort

Curiosity Saves His Life in Raid On Politz, Germany

Sgt. Stevens

An Eighth Air Force Bomber Station, England. — Technical Sergeant Carl I. Stevens, 26, top turret gunner on the Eighth Air Force B-17 Flying Fortress "Lady Satan," who has recently passed the milestone of his flying career. Completing over 240 combat hours—traversing approximately 30,000 miles, he has helped his bomber fight its way through severe enemy opposition to drop more than 75 tons of explosives on Nazi industrial and military installations deep in Germany.

Toughest Mission

Sgt. Stevens, who holds the Air Medal with four Oak Leaf Clusters, is a member of the 452nd Bomb. Group, a unit of the Third Bombardment Division, the division that received a Presidential citation for its new historic England-Africa shuttle bombing of Messerschmitt aircraft plants at Regensburg, Germany.

The Ohio airman considers an AAF attack against oil refineries at Politz, Germany, to be his toughest mission.

"That was one time curiosity saved this 'cat's' life, said Sgt. Stevens. "As I raised my head to look at one of the Fortresses crippled by flak, a piece of shrapnel, about the size of my fist, ripped through the side where I'd been resting my head. After that, the turret became one of the most uncomfortable places I've ever been in."

Married on Furlough

The son of Mr. and Mrs. J. A. Stevens of 823 S. Richardson-av, he was a lineman for the Columbus and Southern Ohio Electric Co. before entering the AAF in December 1942.

Sgt. Stevens recently spent a 21-day furlough here with his parents, after completing his missions in England. He returned to Miami Beach, Fla., for a rest cure.

While home on furlough, he was united in marriage with Edith Tallent, 21, of Vale, N. C.

The wedding took place on Feb. 18, at the bride's home in N. Carolina. She is now living with her husband in Miami.

Shopper Dies At Broad-Chase Corner

Mrs. Griffith D. Davis, age 48, of 32 Haldy-av, dropped dead, apparently of a heart attack, Wednesday noon on the sidewalk at the corner of Chase-av and W. Broad-st, after shopping at a nearby store.

Mrs. Davis was a member of Westgate Methodist Church.

Surviving are her husband, Griffith D. Davis, employed at the Curtiss-Wright Corp.; a son, Donald; two stepdaughters, Mary and Marjorie, all at home; three sisters, Mrs. Edith Hitchcock, Mrs. Dorothy Mallon, Mrs. Josephine Batman; four brothers, Robert, Pearl, Herbert, Kenneth Adams.

Funeral services will be held tomorrow in the Jerry Spears Funeral Home at 2 p. m. Interment will be in Sunset Cemetery.

IN MECHANIC SCHOOL

Pvt. Charles R. Garrison, son of Ray Garrison, 362 Belvidere-av, is now enrolled at the AAF's airplane mechanics school at Keesler Field, Miss.

Santa Maria Gets Flag

Camp Chase Post No. 98, American Legion, presented an American flag to Santa Maria Council, No. 2829, Knights of Columbus, at the new K of C Club, 3060 W. Broad-st, last Tuesday evening.

Vice Commander Bob Billups made the presentation and Grand Knight Frank Christ, Jr., accepted the flag in behalf of the Santa Maria Council. Pictured above as the presentation was being made are, reading left to right, M. H. Austin, commander of Camp Chase Post, Mr. Billups, Mr. Christ, and Don Howard, deputy grand knight of Santa Maria Council.

The date for the formal opening of the K of C Club has been set for Saturday, April 7. Plans are being made by the following committee: Mr. Christ and Earl Patton, co-chairman; Richard De Shetler, program; Joe Ryon, prizes, Tom Schwan, entertainment; D. C. Finneran, publicity.

E. P. McGonigle, 140 S. Eureka-av, is still accepting applications for the Father Schwarz Class to be taken into the Council.

16TH HILLTOP MINSTREL IS BEING PUT IN SHAPE

Cast To Be Assembled On Sunday; Showings Booked For April 5 and 6

With less than two weeks rehearsal time remaining the Sixteenth Annual Hilltop Minstrel will be "put together" on the stage of West High Auditorium in preparation for the two nights performance on April 5 and 6. Producer Lee Koontz will meet with the interlocutor, end men, specialty acts and orchestra and chorus at 2 o'clock to whip the show into shape.

Services Sunday For Cpl. Jones And Lt. Freyer

Cpl. William C. Jones

Memorial services for Cpl. William C. Jones and Lt. Edward E. Freyer will be held next Sunday evening at 7:00 at the Hoge Memorial Presbyterian Church.

The son of Mr. and Mrs. W. E. Jones, of Trabue-pk and Wilson rd, Cpl. Jones was killed in action over Italy on the 19th of December, 1944.

Lt. Freyer, the son of Mr. and Mrs. Earl A. Freyer, 418 Townsend-av, was killed in a plane accident Feb. 11 in the Philippines.

STRUCK BY CAR

Elmer Swartz, 32, of 91 Stevens-av, was treated in Mt. Carmel Hospital for head injuries suffered when he was struck by an automobile at Brehl and W. Broad-st last Thursday. According to police, the driver of the car was Howard Johnson, 874 S. Burgess-av.

.General admission tickets are now on sale at all Hilltop business firms. Tickets are 35c. Reservations for a good portion of the seats will go on sale at the office of Shank and Saunders, 2459 W. Broad-st, at noon on March 31. Seats may be reserved for an added fee of 15c.

Must Get Ticket First

It was emphasized by members of the ticket committee that no reservation can be made without having previously purchased the general admission ticket. The rush for reservations makes it impossible to handle the sale of general admission tickets at the same time. As in the past no seat can be reserved before the deadline set for 12 o'clock noon on March 31.

With the show limited to two nights, a sell-out for the two performances is virtually assured. As in the past a large block of seats will not be reserved so that persons who are unable to get reservations will still have a chance of getting in. Unreserved seats will be made available to customers on a "first come, first served" basis on the nights of the show.

Leo Phillips, long a headliner as an end man in previous shows, takes over the chore of interlocutor this year. End men will be Dick Becker, George Hardy, Billy and Marvin Southworth. All have had previous experience in blackface roles. Mac Toolil's orchestra will provide music for specialty numbers and the Hilltop Male Chorus, directed by W. Hayden Jones, will be featured in two numbers in addition to "backing up" the end men on their solos.

Hilltop Gets GM Factory

The Hilltop will be the site of one of Columbus' largest factories in the postwar period. That fact was verified last week when officials of the General Motors Corporation announced that a plant employing between 7,000 and 8,000 persons would be erected on the Judge Edward Turner farm as soon as the government would release materials.

The factory will manufacture automobile hardware for General Motors automobiles. It is said to represent an initial investment of between $8,000,000 and $12,000,000, according to J. W. Jackson, an official of the Fisher Body Division of GM. Some reports stated that work on the new building would begin within 30 days although no verification was given by the company.

The main factory dimensions will be 1160 by 840 feet, an area of nearly 80 acres. It will be a one story brick building with a basement 28 feet deep. The complete layout will consist of a factory-office building, an administration building and a power house. The administration building and main factory will front on Georgesville-rd. which constitutes the western boundary. The property acquired by General Motors extends from W. Broadst to Sullivant-av. The New York Central Railroad bisects the ground.

Real Estate Board Prepared For GI Loans In Columbus

All members of the Columbus Real Estate Board have full information concerning GI loans, Henry C. Wollam, president of the Columbus Real Estate Board announced.

"Realtors have fully digested the laws and facts covering the GI loans," Mr. Wollam said, "in order to aid the returning veterans who wish to purchase homes of their own."

"All members of the Columbus Real Estate Board have offered to give full cooperation to the GI's and their families who wish to get information at this time concerning the requirements in buying homes of their own," Mr. Wollam added, "and the members welcome inquiries as they have pledged themselves to help the returning soldiers re-establish themselves in civilian life."

Miss Lenore P. Hansen, executive secretary of the Board, said that their organization will send out information on the loans by request.

Dads of Foreign Service Veterans Group Proposed for Hilltop Fathers

There were indications this week that a Dads of Foreign Service Veterans organization might be formed on the Hilltop in the near future. Eight such posts have already been set up in other Ohio cities.

The proposed organization would be open to fathers of men or women who have served on foreign soil. R. M. Hartman, 420 S. Harris-av, an active member in the V.F.W. work of the city, is actively proposing formation of such a group. He is the father of two sons, who have both seen action overseas. One son, T/Sgt. Raymond R. Hartman, was killed in action in France on Oct. 3. The other son, Sgt. Robert L. Hartman, is a prisoner of the Germans. The elder Hartman is a veteran of World War I.

While the Veterans of Foreign Wars have taken an active part in the formation of the "Dads" groups, it is not a part of the VFW.

EDITOR'S NOTE: The Hilltop Record will be glad to assist in publicising whatever interest there might be in such an organization for the Hilltop. Inquiries or letters concerning this project will be referred to Mr. Hartman and the local VFW Post.

3 Sentenced For Robbery

Sentences of from one to 25 years each were meted out to three persons by Judge Charles Leach in Criminal Court last week in the $6000 robbery of Charles E. Haney, 123 S. Brinker-av. One of the trio, Mrs. Beulah Haney, 28, 131 Demorest-rd, daughter-in-law of the robbery victim, will be sent to the Marysville Reformatory. She is the mother of an 18-months-old son.

Herbert L. Sexton, 21, of 387 Oakwood-av, and Roy E. Harper, 20, of Obetz Junction, each drew sentences to the Mansfield Reformatory. All three had pleaded guilty when they appeared for trial.

Haney was robbed near the garage of his home on Nov. 21 as he was returning home in the early evening. The money was in a metal box which he carried under his arm.

Mrs. Haney's husband is serving with the Navy in the South Pacific. He filed suit for a divorce the day before the sentences were pronounced.

SELECT YOUR PHYSICIAN WITH CARE AND CONFIDENCE

★ The study of medicine is a selective process in itself. Seven years of intensive study in college, plus one year of practice in a hospital, are the minimum requirements. It is wise to trust your precious health only to a conscientious physician of recognized standing. Avoid the quack, the charlatan, the "cure all" type of doctor. Almost invariably they do more harm than good. Select your physician as you should your pharmacist—with care and confidence.

When your physician writes a prescription, bring it to us to be filled. We are specialists at this work.

Son Dedicates Medal To Mother

March 1, 1945
Somewhere in the South Pacific

Dear Mom,

They are always giving out medals to the boys, but they seem to forget the one who really deserves the medals, that one is mother, so I am going to devote a medal for mother.

* * *

A Medal for Mother

Is your boy out there in the gloom tonight,
In the land that God forgot?
Is he counting the seconds that he might live,
While his gun grows scorching hot?

Or is he out in his ship on the storm swept sea,
Sweating and gasping for breath,
As he goes about his appointed task
Well knowing he's playing with Death?

Yet, all the sufferings not done by the boys,
Who are serving on land, air, and friars,
A deal of the suffering is done by those folks,
His parents, whom the boys left at home.

There are sleepless nights and torturous days
And fears that wrack the mind,
For his every fear and pain is felt
By the folks he has left behind.

Oh, wars are won by the workers at home
And the boys who serve "over there",
But nothing that's done can be more sincere
Than a Mother's fervent prayer.

God grant when the gauntlet of life is run,
And the mothers assemble up there,
You'll remember the hours of suffering they've borne,
And give them a medal to wear.

Sgt. Hartman Is Liberated

Good news finally arrived at the Ralph M. Hartman home, 420 S. Harris-av. After losing one son in the service of his country, Mr. and Mrs. Hartman have been informed by the War Department that their son Sgt. Robert L. Hartman has been rescued from a German prison camp by the Russian Army.

In special memorial services attended by 150 persons at Glenwood Methodist Church Sunday afternoon fitting tribute was paid to T/Sgt. Raymond R. Hartman, 27, and Watertender (1c) Robert W. Chambers, 21, son of Mr. and Mrs. George Chambers, 2521 Ridge-av. Sgt. Hartman had lost his life in Belgium on Oct. 2, 1944.

Word of Sgt. Robert's safety was received by his parents via telegram dated March 16. Addressed to Mrs. Nancy M. Hartman, his mother, it read as follows:

Am pleased to inform you report received from United States Military Mission in Moscow states your son, Sergeant Robert L. Hartman, previously reported a prisoner of war, has been released from a German Prisoner of War camp. The War Department invites submission of a message not to exceed 25 words for attempted delivery to him. Message should be addressed to Casualty Branch, AGO Room 2513 Munitions Bldg. Further information will be furnished when received."

Signed By Adjutant

The message was signed by the Adjutant General.

Mrs. Hartman immediately filed the following reply:

"Thank God you have been released. We are all rejoicing over the good news. Hope to be seeing you soon."

It was understood that Sgt. Hartman was being held at Stalag. He was taken prisoner on Aug. 21, 1944. He was in France with the Third Army and was a member of the Headquarters Company, 10th Infantry Intelligence. Last word received by his parents was from the prison camp and was dated in early January.

More than 160 persons sought the aid of Veterans Information Center, 12 S. Third St., a Community War Chest agency, during December. Most frequent questions asked pertained to employment opportunities and educational benefits under the G. I. Bill of Rights.

Local Guardsmen Win Citations For Work Done in Flood Areas

Special recognition for their outstanding service in helping save the city of Portsmouth from being flooded during the second week of March was given to Company B, Columbus, of the Second Ohio State Guard Regiment. Three other units from nearby Ohio cities shared with Company B the distinction of bearing the brunt of the duty at Portsmouth. Fifteen guard companies, the entire Second Regiment with units of the Third Regiment attached, served in the battle to keep the 65-foot crest of the Ohio from flooding the city.

Residents from the West Side and Hilltop serving with Company B during this emergency were 2nd. Lt. Geo. R. Clossen, 294 Avondale-av; S/Sgt. Bart Bare, 1786 Cable-av; Sgt. Geo. F. Getz, 131 Dakota-av; Sgt. Robert D. Patesel, 430 W. Cherry-dr; Cpl. Thomas E. Schneider, 217 Avondale-va; Pfc. Velta L. Dailv, 2736 Sullivant-av; Pfc. Leo N. Getz, 1301 W. Town-st; Pvt. Ursel L. Barbee, 1462 Thomas-av; Pvt. James Floyd Current, 276 Avondale-av; Pvt. Bob G. Conner, 154 Wisconsin-av; Pvt. Lester Davis, 1200 W. Broad-st; Pvt. Melvin Estep, 88 N. Yale-av; Pvt. Jack Halstead, 430 S. Yale; Pvt. Donald Looney, 203 Avondale-av; Pvt. Ralph Quinn, 1301 W. Town-st.

Having been organized less than a year ago, Company B was by far the newest of the four companies receiving the special commendation of their Regimental Commander.

The battle with the river lasted six days, and had all the elements of a closely contested football game. For three days and nights, a desperate goal-line stand was staged against the rising water. Barricades of sandbags, originally laid to hold out 63 feet of water, were enlarged and strengthened, hour to hour as the waters of the Ohio mounted past 64 feet and on to within a fraction of an inch of 65 feet. Meanwhile Company B and other Guard units were helping evacuate property and residents from the threatened areas of the city as a precaution in case the river should win the fight.

You'll like working at Curtiss-Wright . . . modern, airy and with a progressive program of employee welfare. If inexperienced, a few weeks in the Training School at the plant (with pay) will fit you for a place on the production line.

Sgt. James Leach Writes From Belgium About Hilltop Memorial

The following letter was received by Chester W. Wagner, 967 Wiltshire-rd, from Sgt. James P. Leach in Belgium. It depicts the service man's desire for a memorial to their service to their country, and is in reply to the local American Legion War Veterans' Memorial literature.

February 9, 1945

Dear Mr. Wagner,

Received word from my mother informing me of the memorial the American Legion is constructing for the returning veterans. I personally think it is wonderful.

Many times I have thought of being home again on "our Hilltop" stopping at "Doc" Campbells for a coke, visiting some of the fellows or having a "jam session" at my house, or perhaps going to choir practice. All of these pleasant memories are associated with a group of five young men.

But now we are dispersed over the face of this earth, fighting not only for our democracy but our right to go to the movies, to "Doc" Campbell's or to sing in a choir, in other words Mr. Wagner we are here to protect our interest in America, "our Hilltop."

And it gives us great pleasure to know that the American Legion has also thought of our admiration for our community and has taken the privilege in presenting to us a memorial which we will always be grateful for. It will be the center of many happy gatherings I'm sure.

And when this conflict is finished and we return I only hope that we can aid the American Legion in further benefitting the welfare of our community, "our Hilltop."

Sincerely yours,
Sgt. Jos. P. Leach,
1st U. S. Army
